Exploitative Play in Live Poker Alexander Fitzgerald, 2018-11-19 Many poker players can make good decisions at the table with a reasonable frequency. Nevertheless, there are numerous situations where even very experienced players behave in predictable ways. These deeply-ingrained habits lead them to make mistakes. The problem is that these situations won't often arise at the table by chance - you have to make them happen. Exploitative Play in

Live Poker is a ground-breaking work that teaches you how to create the circumstances where your opponents will be likely to blunder and how to exploit them when they do. To achieve this you will need to put to one side starting hand charts, balance and GTO (Game Theory Optimal) play. Instead you will incorporate new concepts that may well place you outside your comfort zone. However, your style will now be forcing the other players at the table outside of their comfort zone and, unlike you, they won't know how to adapt. Learn how to: Counter the auto-continuation-bettorDevelop a powerful donk-betting strategyUse the overbet, the check-raise and the three-barrel effectively As well as being a highly successful player, Alex Fitzgerald runs a poker consultancy that serves more than 1,000 professional poker players in 60 countries. As part of this work, he has very likely trawled through more hand history databases than anyone else. This gives him a unique insight into how players really play, especially when placed under pressure and forced into unfamiliar situations.

Busting Loose From the Money Game Robert Scheinfeld, 2006-12-05 Real people, real transformations! Absolutely amazing! It completely shifts your paradigm for life. One of the most wonderful things about it is that the results are immediate. My whole perception and relationship to money has undergone a major, substantial change. - Chris Attwood, writer and teacher, California I've spent most of my life trying to figure out what's true and what's real. I have to say I now have a clear glimpse into what it really is. - Tom Hill, Colorado Before Busting Loose from The Money Game, I was very unhappy and frustrated in my life. I was driven to find more ways to make money. I changed jobs, cities, countries, went back to school, read books. Financially, the stress was causing anxiety attacks and migraines so severe I stayed in bed. The joy I feel now is priceless. Money is there when I need it, in the amount that's needed, no matter what occurs (car repairs, unplanned trips, etc.). It's absolutely amazing! - Suresh Thakoor, Texas As a retired professor on a fixed and limited income, I always lived from a tight budget and felt compressed by it-especially at the end of the year. I don't use a budget anymore and have opened up new streams of income that were always closed to me in the past. - Howard Rovics, Connecticut It opened a whole new dimension for me and shifted my perspective on life completely. I especially love how practical it is. The application is so simple, so effective . . . and fun! - Doris Kahle, Hagen, Germany I'd had a lot of success in the corporate arena, made a ridiculous amount of money and lost a ridiculous amount of money. But I was caught in a cycle of making it, losing it. I needed to break that cycle-for myself and my family-and this gave me the keys to do that. Busting Loose from The Money Game opened a window I had no clue even existed. This is very cutting-edge, a revolutionary approach to unwrapping yourself from limitations. If you're not satisfied with where you are financially and you're concerned about your future, get this book! - Ben Coleman, Texas
