**MP3 and the Infinite Digital Jukebox** Chris Gilbey,2000-06-06 With MP3 technology, the era of accessing the full range of the world's music and customizing it to individual taste has arrived. Written by music industry insider and former computer programmer Chris Gilbey, MP3 and the Infinite Digital Jukebox shows how to take advantage of this revolution. The book offers clear and simple instructions on how and where to find all the necessary applications for getting instant musical gratification from the new online music devices on the market. Topics covered include information about all the music file types, how to play them, how to rip them, how to burn your own CDs, and how to send music to others. The book reviews all the latest software and hardware, but also shows how it's possible to avoid the expense and use existing resources.

**The Official MP3.com Guide to MP3** Michael Robertson,Ron Simpson,1999 MP3 is changing the world and the way you listen to it. The popular, easy-to-use technology lets you easily download songs and even entire albums of near-compact disc-quality music from the Internet. The Official MP3.com Guide to MP3 launches you into this music explosion with in-depth discussions of the latest software and hardware, as well as user-friendly tutorials on how to download music and even sell music online. The most comprehensive resource on MP3, this book tells you which websites to visit and provides valuable tips for the music lover, casual surfer, musician and computer enthusiast. Beginners can get up to speed on MP3, and experienced users will benefit from discussion on advanced features.
