

Grab

Frances Howorth, Michael Howorth

The Grab Bag Book Frances Howorth, Michael Howorth, 2013-09-17 The purpose of this text is to ensure the survival of skipper and crew in the event of their boat sinking. It features: advice on the essentials to pack into the emergency grab bag for a short or long cruise, hot or cold climate, coastal or offshore trip; flowcharts to prioritise abandon ship procedure; techniques for survival in the liferaft, short- and long-term - the why, when and how of liferaft survival; and checklists and tables.

Earth Grab Diana Bronson, 2011-10-27 Exploiting the general public's growing concerns about the ecological and climate crisis, some corporations are proposing quick fixes that threaten to wreak havoc on our planet. This book exposes how a biomass economy, based on using gene technologies to reprogram living organisms, will devastate our ecosystems as well as the human populations of the southern hemisphere by accelerating the wave of land grabs already common in Africa, Asia, and Latin America. Well-researched and groundbreaking, this analysis explores a number of interrelated topics vis-a-vis the uses of bio- and nano-technologies.

Power Grab Christopher C. Horner, 2010-03-30 Best-selling author Christopher Horner shows how President Obama wants to take critical decisions about energy and the environment out of your hands and make you, your children, and grandchildren pay for it.

Power Grab G. Gregory Moo, 1999-09-01 Exposes the National Education Association (NEA) for what it really is and provides a hands-on guide for teachers, parents, and communities to increase their voices in bringing education back to the children

Data Grab Ulises A. Mejias, Nick Couldry, 2024-03-14 A compelling argument that the extractive practices of today's tech giants are the continuation of colonialism—and a crucial guide to collective resistance. Large technology companies like Meta, Amazon, and Alphabet have unprecedented access to our daily lives, collecting information when we check our email, count our steps, shop online, and commute to and from work. Current events are concerning—both the changing owners (and names) of billion-dollar tech companies and regulatory concerns about artificial intelligence underscore the sweeping nature of Big Tech's surveillance and the influence such companies hold over the people who use their apps and platforms. As trusted tech experts Ulises A. Mejias and Nick Couldry show in this eye-opening and convincing book, this vast accumulation of data is not the accidental stockpile of a fast-growing industry. Just as nations stole territories for ill-gotten minerals and crops, wealth, and dominance, tech companies steal personal data important to our lives. It's only within the framework of colonialism, Mejias and Couldry argue, that we can comprehend the full scope of this heist. Like the land grabs of the past, today's data grab converts our data into raw material for the generation of corporate profit against our own interests. Like historical colonialism, today's tech corporations have engineered an extractive form of doing business that builds a new social and economic order, leads to job precarity, and degrades the environment. These methods deepen global inequality, consolidating corporate wealth in the Global North and engineering discriminatory algorithms. Promising convenience, connection, and scientific progress, tech companies enrich themselves by encouraging us to relinquish details about our personal interactions, our taste in movies or music, and even our health and medical records. Do we have any other choice? *Data Grab* affirms

that we do. To defy this new form of colonialism we will need to learn from previous forms of resistance and work together to imagine entirely new ones. Mejias and Couldry share the stories of voters, workers, activists, and marginalized communities who have successfully opposed unscrupulous tech practices. An incisive discussion of the digital media that's transformed our world, *Data Grab* is a must-read for anyone concerned about privacy, self-determination, and justice in the internet age.

The Mini Emergency Grab Bag 1.0 Kim Scott, 2009-06-08 The 84 page Mini version of the Emergency Grab Bag book is a step-by-step guide to prepare you for unexpected events. What if you were faced with an emergency evacuation, tornado, earthquake, wildfire, hurricane, bird pandemic or flu outbreak? What would you absolutely need to take with you? What would you most regret losing? What would you take with you if you had the time to prepare? This book will help you to plan ahead and be prepared.

The Global Land Grab Annelies Zoomers, Mayke Kaag, 2014-02-13 The last two years have seen a huge amount of academic, policy-making and media interest in the increasingly contentious issue of land grabbing - the large-scale acquisition of land in the global South. It is a phenomenon against which locals seem defenceless, and one about which multilateral organizations, such as the World Bank, as well as civil-society organizations and action NGOs have become increasingly vocal. This in-depth and empirically diverse volume - taking in case studies from across Africa, Asia and Latin America - takes a step back from the hype to explore a number of key questions: Does the 'global land grab' actually exist? If so, what is new about it? And what, beyond the immediately visible dynamics and practices, are the real problems? A comprehensive and much-needed intervention on one of the most hotly contested but little-understood

issues facing countries of the South today.

Money Grab \$\$ Timmy Knowstoomuch, 2022-08-16 What has happened to and in American youth soccer over the past fifty years? I will take you on a stroll down memory lane, sharing some of my fondest memories and others I would like to forget; but cannot. Soccer in America has become “All about the money.” Some have forgotten it really is, and needs to always be “All about the players” and to develop their lifelong love of and passion for the sport. Parents are willing to pay “whatever the market will bear” as the club and/or coaches charge ever increasing to astronomical fees with the hope to have their child will succeed in obtaining the holy grail of a college soccer scholarship and not let their child fall behind their peers. The problem is that many parents have no idea what is actually going on in America’s youth soccer today, what they may soon face, or how to best navigate any of it. The hashtag I use to describe this is #youcantmakethissoccerstuffup. *Money Grab \$\$—A Parents’ Guide to American Youth Soccer* is an insider’s view of the actual soccer player developmental life cycle beginning with recreational FUN then to the drama, pain points, best practice actions and costs of competitive soccer. From just starting in the sport through your player’s developmental life cycle, we will share what it takes to enjoy, survive, and possibly even make a professional soccer team and then stay at that level. Having been involved for so long, I have heard this same parents’ cry for help and understanding repeatedly, especially in the past few years. Parents who always want to do the best for their player but don’t have a clue, or for those who thought they had the clue, only to find out otherwise, need guidance and insight into what is going on. It will be invaluable and settling to understand in advance the decisions parents may face so that they may make the

correct ones given the information available or to obtain what is needed to make and intelligent, data-driven decision, what to look for in a coach and, when to run. It will also identify many of the current and potential methods for a variety of folks to take parent's hard-earned money out of their wallets providing little to nothing in return, also known as "Money Grab."

Grab the Queen Power Allyn Mitchell Evans, 2005-05 *Grab the Queen Power: Live Your Best Life!* is a guide for women looking to reclaim their personal power. Transformation requires understanding. Why did women accept external influences over their own knowing? Using the Queen archetype as their roadmap, the book will have its readers reaching for their tiaras before they know it. After all, it is good to be Queen....

Beyond the Global Land Grab Gustavo de L. T. Oliveira, Juan Liu, Ben M. McKay, 2021-11-17 The conjunction of climate, food, and financial crises in the late 2000s triggered renewed interest in farmland and agribusiness investments around the world. This phenomenon became known as the global land grab, and sparked vibrant debates among social movements, NGOs, international development agencies and various government agencies and academics worldwide. This book addresses four key areas that are moving the debate beyond land grabs. These include the role of contract farming and differentiation among farm workers in the consolidation of farmland; the broader forms of dispossession and mechanisms of control and value grabbing beyond classic land grabs for agricultural production; discourses about, and responses to, Chinese agribusiness investments abroad; and the relationship between financialization and land grabbing. The chapters in this edited volume propose new directions to deepen and even transform the research

agenda on land struggles and agro-industrial restructuring around the world. This book will be of great interest to scholars and researchers interested in development studies, agrarian changes and land struggles. The chapters in this book were originally published as a special issue of the journal, Globalizations.

Grab a Partner! Sally K. Albrecht, Jay Althouse, 2001-04 There's nothing more fun than singing a partner song, and there's no better way to develop independent 2-part singing with your young performers. **GRAB A PARTNER!** by well-known composers Sally K. Albrecht and Jay Althouse, features 12 terrific partner songs, each utilizing a well-known melody, including folk songs (Shoo Fly!, Zum Gali Gali), Christmas favorites (Up on the Housetop, Silent Night), spirituals (All Night, All Day, Kum Ba Ya), popular songs (Give My Regards to Broadway, Take Me Out to the Ball Game) and more! The Teacher's Handbook includes reproducible song sheets and appropriate easy-to-teach staging suggestions. So **GRAB A PARTNER!** and let's go!-Recommended for grades 2-7.-Staging Suggestions included.-Reproducible Student Song Sheets included.

The GRAB Method James Thurston, 2020-04-06 It's time to **GRAB** your life back! No more waiting until the right time; life is too short. The **GRAB Method** is about changing your life for the better. Sometimes it takes re-alignment and action to get the right results. The 4 Steps to Motivation are short, highly effective methods to re-define one's self that can result in a more fulfilling principle centered life! Step 1. Get Motivated Step 2. Revitalize or Reinvent Step 3. Adjust Step 4. Breakthrough Author James Thurston has developed The 4 Steps to Motivation program after many years of professional and personal development programs as well as career changes. This process has propelled him and others to living their

lives with purpose and passion. The GRAB Method teaches the learnable steps that anyone can use to redefine and transform themselves to get the results they are after.

The Salary Grab William Stevens Robinson,1873

Power Grab L.J. Breedlove,2022-05-31 Someone knows where shifters came from Alpha Abby Stafford sent Benny Garrison, a Teacher in the Hat Island pack, with her mate to the oldest pack in the world — find their stories, she commanded, wishing she could go. But Benny didn't come back, and he's not responding to the pack links. So, Abby is going after him with Cujo Brown as her backup. Because the man who holds the keys to the shifters' past might control their future as well. Book 3 in Wolf Harbor, a feminist werewolf story.

The Great African Land Grab? Lorenzo Cotula,2013-07-11 Over the past few years, large-scale land acquisitions in Africa have stoked controversy, making headlines in media reports across the world. Land that only a short time ago seemed of little outside interest is now being sought by international investors to the tune of hundreds of thousands of hectares. Private-sector expectations of higher world food and commodity prices and government concerns about longer-term national food and energy security have both made land a more attractive asset. Dubbed 'land grabs' in the media, large-scale land acquisitions have become one of the most talked about and contentious topics amongst those studying, working in or writing about Africa. Some commentators have welcomed this trend as a bearer of new livelihood opportunities. Others have countered by pointing to negative social impacts, including loss of local land rights, threats to local food security and the risk that large-scale investments may marginalize family farming. Lorenzo

Cotula, a leading expert in the field, casts a critical eye over the most reliable evidence on this hotly contested topic, examining the implications of land deals in Africa both for its people and for world agriculture and food security.

Creative Grab Bag Ethan Bodnar, 2009-08-28 Push the Limits of Your Creativity Creative Grab Bag captures the spirit of exploration and innovation—inside, you'll find inspiring work from 101 artists from around the world. Ethan Bodnar asked each artist to take on a task outside the realm of their normal work. Each task was randomly selected from a grab bag. The result is a collection of work brimming with creative energy. In this book, you'll find short biographies of the artists, examples of their typical work, their thoughts on the creative process, and images of their completed creative task. Here's a sampling of the creative grab bag tasks: Design a Building Make a Self-Portrait Make Art like a Child Design a Brand Create Visual Statistics Illustrate a Memory Illustrate Your Day Create a Collage Create a Sculpture Design a Book Cover Design an Album Cover Create a Photo Essay Photograph Strangers Design a Skateboard Design a Pair of Shoes Make a Wallpaper Pattern Design a Typeface Create an Animation Design a Character Creative Grab Bag also features tear-out cards, so you can do the creative challenges yourself. Work together or in a group, and push the limit—you'll break out of your routine and take your work into uncharted territory. PLEASE NOTE: Tear-out cards are NOT included with the ebook version of this title

GOP's POWER GRAB Dan Butterfield, 2018 *GOP's Power Grab* is the final installment of the Collusion series (First Premise, Treason), as such the summary of *GOP's Power Grab* takes the reader from one end

of the Collusion storyline to the other, giving the reader a comprehensive overview of everything that has taken place. One of the more troubling aspects covered in **GOP's Power Grab**, the allegation of collusion was never based in fact. In truth, the GOP controlled Houses of Congress should never have pursued collusion--at least not as their first course of action. In reconciling the inconsistency of the SSCI (Senate Select Committed on Intelligence) engaging in collusion hearing; rather than following their mandate--of investigating the actual merit of President Obama's DNI, James Clapper, charge of Russian interference--it becomes evident the GOP's intentions were never to discover the truth--rather it was an effort to wrest power away from President Trump. Sadly, the Collusion Saga and subsequent hearings have little to do with an actual crime--and everything to do with a struggle over power.

The Grab Bag Carol J. Pierce Colfer, 1999-01-01

Smash and Grab Lori Matthews, 2020-04-09 Romantic Suspense at its finest! Keeps you on the edge of your seat! Breathtaking! Logan suspects Lacy is a spy, but he's accidentally swept up in her kidnapping. Will he live long enough to discover the truth? Logan Callahan, the CEO of Callahan Security, knows he's out of his depth. The woman he came to the Bahamas to investigate was kidnapped, and he was taken right along with her. He knew the sexy lady lawyer was trouble. He just had no idea how much. Taken. Again. Lacy Carmichael on the other hand, was not new to the "Kidnap and Ransom" game. After all, when your father was one of the largest arms dealers in the world, danger comes with the territory, and she'd learned how to talk or fight her way out of almost anything. But this time Logan was grabbed with her. She has no choice but to reveal her secrets in order to save both their asses. Searching for a way out of the mess, and

fighting their mutual attraction, will take all of Logan's and Lacy's collective skills. Unfortunately, deception and betrayal by those they trust the most changes the rules of the game, and they find themselves battling for their lives and their love.

Power Grab Paasha Mahdavi, 2020-04-02 For rulers whose territories are blessed with extractive resources - such as petroleum, metals, and minerals that will power the clean energy transition - converting natural wealth into fiscal wealth is key. Squandering the opportunity to secure these revenues will guarantee short tenures, while capitalizing on windfalls and managing the resulting wealth will fortify the foundations of enduring rule. This book argues that leaders nationalize extractive resources to extend the duration of their power. By taking control of the means of production and establishing state-owned enterprises, leaders capture revenues that might otherwise flow to private firms, and use this increased capital to secure political support. Using a combination of case studies and cross-national statistical analysis with novel techniques, Mahdavi sketches the contours of a crucial political gamble: nationalize and reap immediate gains while risking future prosperity, or maintain private operations, thereby passing on revenue windfalls but securing long-term fiscal streams.

The Enigmatic Realm of **Grab**: Unleashing the Language is Inner Magic

In a fast-paced digital era where connections and knowledge intertwine, the enigmatic realm of language

reveals its inherent magic. Its capacity to stir emotions, ignite contemplation, and catalyze profound transformations is nothing short of extraordinary.
