Namaste Is a Greeting Suma Subramaniam,2022-10-11 Discover namaste's many meanings in a simple, lyrical text, paired with a charmingly detailed visual narrative about a little girl's kindness. Namaste calms your heart when things aren't going right. Namaste is saying "You matter." What is namaste? It's found in a smile, a friendship, a celebration. It exists in silence; it can be said when you're happy or when you're feeling low. For one small girl in a bustling city, namaste ("I bow to you") is all around her as she and her mother navigate a busy marketplace—and when she returns with a little plant and chooses to give it to an elderly neighbor, it can be seen in the caring bond between them. In a sweet, universal text, debut author Suma Subramaniam shines a light on a word with significance far beyond yoga class, while artist Sandhya Prabhat makes the concept of mindfulness come alive in delightful illustrations likely to draw children in again and again.

The role of religion in shaping politeness during greeting encounters in Arabic. A matter of conflict or understanding Abdelaziz Bouchara,Bouchra Qorchi,2016-07-07 Politeness is one of the very important issues in the field of sociolinguistics and pragmatics, as it can be seen in almost every type of our interactions. Since the evolving of the politeness theory (Brown and Levinson 1978), cross-cultural pragmatics has gained the attention of many researchers in this field. However, the Arab society has been far less investigated. Therefore, this book widens the scope of cross-cultural pragmatics by investigating politeness in (Moroccan) Arabic and

contrasting the behavior of Arab and German speakers with regard to one type of politeness, namely the speech act of greeting. Furthermore, the implications of this study for foreign language teaching and cross-cultural training indicate that politeness and face concerns in different cultures should be part of any learning process. Hopefully, besides being informative, especially to scholars from other fields of intercultural communication research, this study should contribute to raise the awareness of sociolinguists in particular with respect to the role of religion in shaping politeness in Arabic and to serious confusion and misunderstandings that may come into being, when communicators from different cultural backgrounds cannot identify the pragmatic (implicit or indirect) meaning of their interlocutor's utterance.

So Big Minnie Birdsong,2017-02-15 What do you say when you know you are growing so big?

Greetings from Nowhere Barbara O'Connor,2008-03-18 Aggie isn't expecting visitors at the Sleepy Time Motel in the Great Smoky Mountains. Since her husband died, she is all alone with her cat, Ugly, and keeping up with the bills and repairs has become next to impossible. The pool is empty, the garden is overgrown, and not a soul has come to stay in nearly three months. When she reluctantly places a For Sale ad in the newspaper, Aggie doesn't know that Kirby and his mom will need a room when their car breaks down on the way to Kirby's new reform school. Or that Loretta and her parents will arrive in her dad's plumbing company van on a trip meant to honor the memory of Loretta's birth mother. Or that Clyde Dover will answer the For Sale ad in such a hurry and move in with his daughter, Willow, looking for a brand-new life to replace the one that was fractured when Willow's mom left. Perhaps the biggest surprise of all is that Aggie and her guests find just the friends they need at the shabby motel in the middle of nowhere. From an author long recognized for her true Southern voice and heartfelt characters, *Greetings from Nowhere*, with its four intertwining stories, brings Barbara O'Connor's work to a new level of sophistication.
