The book includes full-color photos of Chet and his guitars, many only previously seen in a limited collector's edition.

Photographer Wolf Hoffman manages to expertly capture the images of some very famous guitars played by Chet, including his first Sears Roebuck Silvertone, custom made D'Angelicos, the Gretsches, and the prototype models of the current Gibson Country Gentleman guitars. Over 60 guitars in Chet's private collection are photographed in Chet's home and his office on Music Row. Chet speaks about each of his important guitars - including the Gibson L-10 which his brother Jim gave him - telling the story of his career as seen through his guitars. More than just a pictorial review of his guitars throughout the years, it's a fascinating look inside the mind of history's greatest guitar player.
