The Spooky Tree McClanahan Book Company,Arthur Ruolo,1997-07

From the Dust Returned Ray Bradbury,2013-06-25 Ray Bradbury, America's most beloved storyteller, has spent a lifetime carrying readers to exhilarating and dangerous places, from dark street comers in unfamiliar cities and towns to the edge of the universe. Now, in an extraordinary flight of the imagination a half-century in the making, he takes us to a most wondrous destination: into the heart of an Eternal Family. They have lived for centuries in a house of legend and mystery in upper Illinois -- and they are not like other midwesterners. Rarely encountered in daylight hours, their children are curious

and wild; their old ones have survived since before the Sphinx first sank its paws deep in Egyptian sands. And some sleep in beds with lids. Now the house is being readied in anticipation of the gala homecoming that will gather together the farflung branches of this odd and remarkable family. In the past-midnight stillness can be detected the soft fluttering of Uncle Einars wings. From her realm of sleep, Cecy, the fairest and most special daughter, can feel the approach of many a welcome being - - shapeshifter, telepath, somnambulist, vampire -- as she flies high in the consciousness of bird and bat. But in the midst of eager anticipation, a sense of doom pervades. For the world is changing. And death, no stranger, will always shadow this most singular family: Father, arisen from the Earth; Mother, who never sleeps but dreams; A Thousand Times Great Grandmére; Grandfather, who keeps the wildness of youth between his ears. And the boy who, more than anyone, carries the burden of time on his shoulders: Timothy, the sad and different foundling son who must share it all, remember, and tell...and who, alone out of all of them, must one day age and wither and die. By turns lyrical, wistful, poignant, and chilling, *From the Dust Returned* is the long-awaited new novel by the peerless Ray Bradbury -- a book that will surely be numbered among his most enduring masterworks.

The Halloween Tree Linda Walters, 2016-07-19 Putt-putt-varoom was the sound that the school bus made as it zipped by Mrs. Applegate as she stood by her mailbox. Fall leaves from the old Oak tree swirled around her when she saw a boy and a girl looking at her through the bus window. With Halloween being so close, what surprise will she and the Halloween Tree have for her new found

friends? Can you hear the school bus now?

The Ghost-Eye Tree Bill Martin, John Archambault, 1988-10-15 Walking down a dark lonely road on an errand one night, a brother and sister argue over who is afraid of the dread Ghost-Eye tree.

He's a professional ghost who has been transferred to his first house. And just in time! He was getting tired of haunting bus stops and forests and potatoes. Chester spots Simon immediately and peppers him with questions. Simon is exasperated. . . until he realizes he can trick Chester into doing his ghost chores. Spooky sounds, footsteps in the attic, creaks on the stairs -- these things don't happen on their own, you know! After a long night of haunting, it seems that maybe Chester isn't cut out to be a ghost, so Simon decides to help with Chester's human chores. Turns out Simon isn't cut out for human chores either. But maybe they're both cut out to be friends . . .

The Halloween Moon Joseph Fink, 2021-07-27 From New York Times bestselling adult author Joseph Fink

comes a wickedly fun middle grade novel about a Halloween-obsessed girl named Esther Gold, who goes out trick-or-treating for one last year, only to find her town under the thrall of a mysterious presence. Esther Gold loves Halloween more than anything in the world. So she is determined to go trick-or-treating again this year despite the fact that her parents think she is officially too old. Esther has it all planned out, from her costume to her candy-collecting strategy. But when the night rolls around, something feels . . . off. No one is answering their door. The moon is an unnatural shade of orange. Strange children wander the streets, wearing creepy costumes that might not be costumes at all. And it seems like the only people besides Esther who are awake to see it all are her best friend, her school bully, and her grown-up next-door neighbor. Together, this unlikely crew must find a way to lift the curse that has been placed upon their small town before it's too late. Because someone is out to make sure Halloween never comes to an end. And even Esther doesn't want to be trapped in this night forever.
