Ill Feelings Alice Hattrick, 2022-05-10 An intrepid, galvanizing meditation on illness, disability, feminism, and what it means to be alive. In 1995 Alice's mother collapsed with pneumonia. She never fully recovered and was eventually diagnosed with ME, or Chronic Fatigue Syndrome. Then Alice got ill. Their symptoms mirrored their mother's and appeared to have no physical cause; they received the same diagnosis a few years later. *Ill Feelings* blends memoir, medical history, biography and literary nonfiction to uncover both of their case histories, and branches out into the records of ill health that women have written about in diaries and letters. Their cast of characters includes Virginia Woolf and Alice James, the poets Elizabeth Barrett Browning and Emily Dickinson, John Ruskin's lost love Rose la Touche, the artist Louise Bourgeois and the nurse Florence Nightingale. Suffused with a generative, transcendent rage, Alice Hattrick's genre-bending debut is a moving and defiant exploration of life with a medically unexplained illness.

Especially when recently single.What's even worse is when a past hook-up arrives unannounced.Not only do we have a history, but he's ten years younger and a famous rock star. Most importantly, he's my friend's little brother.Being trapped on an island with Jet Jackson is going to be sweet torture because all I want is another chance.I just don't think he's going to give it to me.Jet:You know what's not fun? Escaping one guy who broke my heart only to run into another.Being on the road for three years has left me exhausted. The last thing I want is for Caleb 'Soren' Sorensen to try for round two.I can't fight my draw to him. I've never been able to.I'm suddenly back to being the naïve kid who stupidly lusted after a hockey player.All I can think is if I let Soren get close, I'll walk away

from this vacation with a double broken heart.

Everyone around him, including his coaches and his father, is going to make sure that he gets the ultimate prize: a chance to play in the National Hockey League. *Off the Ice* Avon Gale, Piper Vaughn, 2024-04-29 An NHL star is hot for his teacher in this age-gap, opposites-attract hockey romance. Tristan Holt may be at the top of his game, but he's already thinking one play ahead. Hitting the books in the off-season means he'll have a business degree to fall back on when it's time to hang up his hockey skates. But his straightforward plan is complicated by his undeniable attraction to his sexy sociology professor, Sebastian Cruz. Impressed by Tristan's brain as well as his brawn, Sebastian

can't help lusting after the gorgeous jock. With tenure on the line, Sebastian won't break the rules by becoming involved with one of his students—at least, not until the end of term. Once final grades are posted, though, their naughty mutual fantasies can become reality. Tristan's not sure he's up for being the poster boy for openly gay hockey players, but Sebastian's never been the type of man to keep his sexuality—or his relationships—in the closet. For Tristan, being with Sebastian might mean risking more than just his heart. Previously published. Hat Trick Book 1: Off the Ice Book 2: Goalie Interference Book 3: Trade Deadline

Becoming Free Kay Rose-Hattrick, 2015 Have you ever dreamed of just clearing your desk, packing up your life and heading across Europe into the sunset for an adventure, not knowing where it's going to take you? Well, Kay did just that. She was maybe naïve, but she was determined to follow her dream of living free. After being made redundant from the fifth largest employer in the world, she made that jump into the unknown, knowing that she couldn't stay on these shores any more. We join her in a real-time journey of adventure, self-discovery and awakening as she escapes to an old friend's yoga retreat in rural Portugal. We meet the characters she encounters along the way, all leading an alternative lifestyle outside the

normal social order. And for a while, she too is part of this. But what brought her back to the UK so soon, to re-enter the society she had fled on six months earlier, and from which she had been so desperate to escape? A week before Christmas, she finds herself back, in sub-zero temperatures, to a homecoming not fit for a fairytale. Back in the rat race she had left behind, stripped of all material possessions and with no home or job to fall back on. But with the compassion of friends and the kindness of strangers, she started to rebuild her life. Then God dealt her a blow that would change her life forever. And out of the fear came hope. The fairytale had to end happily ever after, now!

**Hat Trick** W C Mack, 2012-09-01 To pint-sized JT McDonald, hockey is life. So how come life keeps getting in the way of his hockey? JT McDonald is the smallest guy on the team – but he's not letting that interfere with his plans to rule the rink this hockey season. His blades are sharp, his focus is strong and he is determined to play against the biggest team in the league, no matter what his coach says. That is until a new player joins the team – a giant new player named Eddie Bosko – and he's a right winger too, just like JT. JT realizes his best moves look weak next to Eddie's. And to make matters worse when JT fails a math test, his mother grounds him, devastating his

hockey happiness further. On the upside, while grounded, he wins a radio contest that will give him the chance to score a goal from centre line at the next Vancouver Canucks game. There's one catch: he won't be allowed to attend unless he pulls off a B on his next math test. Again his dreams seem just out of reach and he is almost ready to admit defeat. That is until he notices that Eddie Bosko is even better at math than he is at hockey. Is it possible that JT's biggest competition is also the one who can help him achieve his hockey goals?

is guaranteed to enthrall all cricket fans, and questions that will stimulate fond memories and friendly debates for many an entertaining hour.
