*Blogging by Million, Earn by Millions* Laura Maya,2013-05 Many subjects relevant to life and living are not taught in school. One of them is 'How to Get Rich'. When you work for someone else, your salary is determined by that person; a portion of that salary will have to be used to pay annual taxes,

another for rent, and another still for transportation and yet another for daily expenses. Eventually, you will be left with just enough for your food for the month. Entrepreneurs, on the other hand think for themselves. They learn to maximize their manpower or facilities while they supervise to gain income from the work done by others, and enjoy the profits that this brings in. They work to build wealth and not just to earn an income. This book is meant to provide you with a clear overview of Internet marketing through blogging and social networking and also the steps to help you succeed in cyberspace. In addition, you will learn how to use the World Wide Web to your advantage and get an insight into the exciting world of the Internet. Practice what you learn here, and you will be able to sell your products online, as well as get into affiliate marketing through Search Engine Optimization (SEO), and make tonnes of money in the process. Once you have perfected your business set-up, it will pretty much run itself with little maintenance, and you have all time and financial freedom you ever need.
