*Holiday Wishes* Nora Roberts, 2012-12-11 #1 New York Times bestselling author Nora Roberts combines two of her heartwarming Christmas stories of love and magic in this holiday collection. In *Home for Christmas*, prizewinning reporter Jason Law returns home to his small New Hampshire town to win back the woman who slipped through his fingers. But it might take a Christmas miracle for Faith Monroe to give him a second chance... And in *All I Want for Christmas*, single dad Mac Taylor is about to find out the lengths to which his mischievous twin boys, Zeke and Zach, will go to find him the Christmas gift of new love when they send a special wish for a new mom to Old Saint Nick... TWO NORA ROBERTS CLASSICS AVAILABLE DIGITALLY FOR THE FIRST TIME

*All is Bright* Shannon Stacey, 2018-10-15 New York Times bestselling author Shannon Stacey celebrates the season in these three timeless holiday novellas. In *Her Holiday Man* Christina Forrester is left raising her young son without any of the comforts of their old life. She's learning to do it all on her own. Well, almost on her own—she'd be lost without Gail, the kind widow across the street. And when Gail's son Will comes home, the beautiful and determined single mother awakens something in him he thought was buried forever. As Will and Christina are forced to spend more time together, feelings that are more than neighborly grow between them. And with Christmas coming and a child filling both houses with holiday cheer, it becomes nearly impossible not to embrace the joy—and the love—in their lives. In *Holiday with a Twist* Leigh Holloway's best friend broke Croy Dawson's heart back in high school, and Croy knows it was Leigh's fault. They've never liked each other, but Croy isn't cruel: he'd never turn away a pretty woman in need of some family-Christmas fortification. He doesn't expect her to drink just enough candy-cane martinis to tell him her secrets—and he definitely doesn't expect to get caught up in her holiday madness. Despite the surprising love and laughter, Croy and Leigh can't escape the truth: he can't walk away from his family obligations and she has a life and career to reboot. But anything is possible if your holiday comes with a twist... In *Hold Her Again* Ava Wright isn't happy to see her high school sweetheart rolling into their hometown a few weeks before Christmas. There's no way she'll be able to avoid him. No one can: he's become a country-music superstar since going solo and leaving Ava behind. Jace Morrow grew up believing "money can't buy happiness" was something people said to make themselves feel better. But now he knows it's the truth: no matter how many number-one hits he has, he'll never recapture the magic of singing with Ava. Missing her—loving her—and living with making the wrong choice in life were what made him who he is. As they fall in love all over again, they're both faced with choices for their future...and this time Jace intends to make the right one.
