*Of Blood and Honey* Stina Leicht, 2011-02-01 Liam never knew who his father was. The town of Derry had always assumed that he was the bastard of a protestant – his mother never spoke of him, and Liam assumed he was dead. But when the war between the fallen and the fey began to heat up, Liam and his family are pulled into a conflict that they didn't know existed. A centuries old conflict between supernatural forces seems to mirror the political divisions in 1970's era Ireland, and Liam is thrown headlong into both conflicts! Only the direct intervention of Liam's real father, and a secret catholic order dedicated to fighting "The Fallen" can save Liam... from the mundane and supernatural forces around him, and from the darkness that lurks within him. This collaboration between two best-selling authors seamlessly weaves together Olivia and Lily's journeys, creating a provocative exploration of the strength that love and acceptance require."—The Washington Post GOOD MORNING AMERICA BOOK CLUB PICK • PEOPLE'S BOOK OF THE WEEK • ONE OF THE BEST BOOKS OF THE YEAR: PopSugar Olivia McAfee knows what it feels like to start over. Her picture-perfect life—living in Boston, married to a brilliant cardiothoracic surgeon, raising their beautiful son, Asher—was upended when her husband revealed a darker side. She never imagined that she would end up back in her sleepy New Hampshire hometown, living in the house she grew up in and taking over her father's beekeeping business. Lily Campanello is familiar with do-overs, too. When she and her mom relocate to Adams, New Hampshire, for her final year of high school, they both hope it will be a fresh start. And for just a short while, these new

beginnings are exactly what Olivia and Lily need. Their paths cross when Asher falls for the new girl in school, and Lily can't help but fall for him, too. With Ash, she feels happy for the first time. Yet she wonders if she can trust him completely. . . . Then one day, Olivia receives a phone call: Lily is dead, and Asher is being questioned by the police. Olivia is adamant that her son is innocent. But she would be lying if she didn't acknowledge the flashes of his father's temper in Ash, and as the case against him unfolds, she realizes he's hidden more than he's shared with her. *Mad Honey* is a riveting novel of suspense, an unforgettable love story, and a moving and powerful exploration of the secrets we keep and the risks we take in order to become ourselves.
