Evaleen Stein, Adelaide Everhart

Gabriel and the Hour Book Evaleen Stein,1906 Relates the story of the making of an hour book as a wedding gift from King Louis of France to Lady Anne of Brittany and the good fortune it brought to little Gabriel, Brother Stephen's color grinder.

Our Final Hour Martin Rees,2009-03-17 A scientist known for unraveling the complexities of the universe over millions of years, Sir Martin Rees now warns that humankind is potentially the maker of its own demise -- and that of the cosmos. Though the twenty-first century could be the critical era in which life on Earth spreads beyond our solar system, it is just as likely that we have endangered the future of the entire universe. With clarity and precision, Rees maps out the ways technology could destroy our species and thereby foreclose the potential of a living universe whose evolution has just begun. Rees boldly forecasts the startling risks that stem from our accelerating rate of technological advances. We could be wiped out by lethal engineered airborne viruses, or by rogue nano-machines that replicate catastrophically. Experiments that crash together atomic nuclei could start a chain reaction that erodes all atoms of Earth, or could even tear the fabric of space itself. Through malign intent or by mistake, a single event could trigger global disaster. Though we can never completely safeguard our future, increased regulation and inspection can help us to prevent catastrophe. Rees's vision of the infinite future that we have put at risk -- a cosmos more vast and diverse than any of us has ever imagined -- is both a work of stunning scientific originality and a humanistic clarion call on behalf of the future of life.

The Shadow Hour Melissa Grey,2016-07-12 The much-anticipated sequel to the book Danielle Page, author of *Dorothy Must Die*, says is inventive, gorgeous, and epic--Grey dazzles. Everything in Echo's life changed in a blinding flash when she learned the startling truth: she is the firebird, the creature of light that is said to bring peace. The firebird has come into the world, but it has not come alone. Every action has an equal and opposite reaction, and Echo can feel a great and terrible darkness rising in the distance. Cosmic forces threaten to tear the world apart. Echo has already lost her home, her family, and her boyfriend. Now, as the firebird, her path is filled with even greater dangers than the ones she's already overcome. She knows the Dragon Prince will not fall without a fight. Echo must decide: can she wield the power of her true nature--or will it prove too strong for her, and burn what's left of her world to the ground? Welcome to the shadow hour. Praise for the *Girl at Midnight* Series: "A stunning debut. . . . Equal parts atmosphere and adventure, Melissa Grey's *The Girl at Midnight* is positively divine." —Victoria Schwab, author of *A Darker Shade of Magic* "An action- and angst-packed installment reminiscent of *Buffy* and Neil Gaiman's *Neverwhere*." —Kirkus Reviews "Catnip for fans of Cassandra Clare." —BookPage.com "A must-read." —Paste magazine "You are going to love Echo." —Bustle.com "Sparks fly. . . . Will please fans of Cassandra Clare and *Game of Thrones* watchers with its remarkable world building; richly developed characters; and themes of family, power, loyalty, and romance." —Booklist, Starred "A feisty heroine, fun supporting characters, a mission to save the world, and some seriously spicy romance." —SLJ "Fast-paced, action-packed, and full of laughs." —Nerdist.com "Enthralling and pure magic, Grey's debut is delightful!" —Romantic Times "A page-turner—I was hooked from start to finish." —Latina Magazine

The Ninth Hour Alice McDermott,2017-09-19 A magnificent new novel from one of America's finest writers—a powerfully affecting story spanning the twentieth century of a widow and her daughter and the nuns who serve their Irish-American community in Brooklyn. On a dim winter afternoon, a young Irish immigrant opens a gas tap in his Brooklyn tenement. He is determined to prove—to the subway bosses who have recently fired him, to his pregnant wife—that "the hours of his life . . . belonged to himself alone." In the aftermath of the fire that follows, Sister St. Saviour, an aging nun, a Little Nursing Sister of the Sick Poor, appears, unbidden, to direct the way forward for his widow and his unborn child. In Catholic Brooklyn in the early part of the twentieth century, decorum, superstition, and shame collude to erase the man's brief existence, and yet his suicide, though never spoken of, reverberates through many lives—testing the limits and the demands of love and sacrifice, of forgiveness and forgetfulness, even through multiple

generations. Rendered with remarkable delicacy, heart, and intelligence, Alice McDermott's *The Ninth Hour* is a crowning achievement of one of the finest American writers at work today.

Magic Hour Kristin Hannah, 2006-02-28 From the #1 New York Times bestselling author of *The Nightingale* and *The Great Alone* comes an incandescent story about the resilience of the human spirit, the triumph of hope, and the meaning of home. In the rugged Pacific Northwest lies the Olympic National Forest—nearly a million acres of impenetrable darkness and impossible beauty. From deep within this old growth forest, a six-year-old girl appears. Speechless and alone, she offers no clue as to her identity, no hint of her past. Having retreated to her western Washington hometown after a scandal left her career in ruins, child psychiatrist Dr. Julia Cates is determined to free the extraordinary little girl she calls Alice from a prison of unimaginable fear and isolation. To reach her, Julia must discover the truth about Alice's past—although doing so requires help from Julia's estranged sister, a local police officer. The shocking facts of Alice's life test the limits of Julia's faith and strength, even as she struggles to make a home for Alice—and for herself. "One of [Kristin Hannah's] most compelling and riveting novels."—Booklist

The Art and Adventure of Leadership Warren Bennis, Steven B. Sample, Rob Asghar, 2015-04-06 For the first time, a top leadership scholar and a top leadership practitioner explore the true duties, demands, and privileges of leadership. Intellectual sparks flew when Warren Bennis, the "father" of modern leadership studies and Steven B. Sample, one of the most accomplished university presidents in recent history, came together for candid explorations of the forces that shape successful leaders and unsuccessful ones. *The Art and Adventure of Leadership*, their final collaboration, reveals the profound insights that the authors gained together over the 16 years in which they co-taught one of the most popular leadership courses in America. Here, each brings his own distinct vantage point as they address the mechanics and mysteries of leadership. The result is a unique examination of the journey of great leaders from momentary setbacks to ultimate success. It offers profound lessons on what determines the difference between failure and redemption for leaders. And it illuminates important and overlooked dimensions of great leaders ranging from Winston Churchill to Steve Jobs. Together, they explore why: A mature leader must grasp when it's healthy to risk failure, and when failure can't be tolerated at any cost. Leadership isn't for everyone and requires a particular set of skills and competencies that are often glossed over in most management literature. To succeed in an uncertain and fast-changing world, a shrewd leader must understand which aspects of human society change—and which aspects never change. A mature, wise leader must seek a balance between high-minded ideals and the gritty realities and compromises that leaders face in their daily lives. Above all, meaningful leadership remains a matter of character. With incredible insight, this book examines why George Washington, Abraham Lincoln, and other giants were able to recover from failures, learn resilience, and prepare themselves for their moments of destiny. In so doing, it demonstrates and helps cultivate the leadership skills that you need to create your own most meaningful legacy. *The Art and Adventure of Leadership* is a unique look at leadership, and a critical resource for the leaders of tomorrow.

5-HOUR WORKDAY Stephan Aarstol, 2016-06-07 A century ago, Henry Ford saw a sea change in worker productivity. It was the industrial revolution. Where other-s saw only more profits, Ford had a much grander vision. He invented the eight-hour workday, cut his employees' workdays nearly in half and doubled their pay. Productivity and profitability soared. By giving more to his workers, he changed the quality of life of an entire nation. Today, we're in the midst of a massive productivity shift for knowledge workers. And yet, the eight-hour workday hasn't changed. Until now, that is. This book is about one company that simply asked why. A company that had the courage to try an experiment, toward re-inventing a more sensible, productive,

and healthy workday for today's knowledge workers. That company is Tower Paddle Boards, one of the fastest-growing companies in the nation, and one of Mark Cuban's best Shark Tank investments. In this book, you'll learn how the five-hour workday: Improves business operations, efficiency, and profitability Attracts the brightest minds, the hardest workers, and the best performers Stimulates employee performance and increases retention rates Can be implemented and tested at your company, temporarily and without risk Can change your life into something better than you ever imagined possible

Book for the Hour of Recreation María de San José Salazar, 2007-11-01 María de San José Salazar (1548-1603) took the veil as a Discalced (barefoot) Carmelite nun in 1571, becoming one of Teresa of Avila's most important collaborators in religious reform and serving as prioress of the Seville and Lisbon convents. Within the parameters of the strict Catholic Reformation in Spain, María fiercely defended women's rights to define their own spiritual experience and to teach, inspire, and lead other women in reforming their church. María wrote this book as a defense of the Discalced practice of setting aside two hours each day for conversation, music, and staging of religious plays. Casting the book in the form of a dialogue, María demonstrates through fictional conversations among a group of nuns during their hours of recreation how women could serve as very effective spiritual teachers for each other. The book includes one of the first biographical portraits of Teresa and Maria's personal account of the troubled founding of the Discalced convent at Seville, as well as her tribulations as an Inquisitional suspect. Rich in allusions to women's affective relationships in the early modern convent, Book for the Hour of Recreation also serves as an example of how a woman might write when relatively free of clerical censorship and expectations. A detailed introduction and notes by Alison Weber provide historical and biographical context for Amanda Powell's fluid translation.

Mr. Penumbra's 24-Hour Bookstore Robin Sloan, 2012-10-02 The Great Recession has shuffled Clay Jannon out of his life as a web-design drone, and serendipity, sheer curiosity and the ability to climb a ladder like a monkey have landed him a new gig working the night shift at Mr. Penumbra's 24-Hour Bookstore. But Clay begins to realize that this store is even more curious than its name suggests. There are only a few customers, but they come in repeatedly and never seem to actually buy anything. Instead they "check out" impossibly obscure volumes from strange corners of the store, all according to some elaborate, long-standing arrangement with the gnomish Mr. Penumbra. The store must be a front for something larger, Clay concludes, and soon he has embarked on a complex analysis of the customers' behaviour and roped his friends into helping him figure out just what's going on. But once they take their findings to Mr. Penumbra, they discover the secrets extend far beyond the walls of the bookstore. Evoking both the fairy-tale charm of Haruki Murakami and the enthusiastic novel-of-ideas wizardry of Neal Stephenson or Umberto Eco, Mr. Penumbra's 24-Hour Bookstore is exactly what it sounds like—an establishment you have to enter and will never want to leave.

Eine Stunde Aufenthalt Rolf Schröter, Isabel Carmona Andreu, 2018

Hour Game David Baldacci, 2004 As a series of brutal murders darkens the Wrightsburg, Virginia countryside, the killer taunts police by leaving watches on the victims set to the hour corresponding with their position on his hit list. What's more, he strives to replicate notorious murders of the past, improving on them through savage attention to detail. Sean King and Michelle Maxwell are already investigating a crime involving an aristocratic and dysfunctional Southern family, but when they're deputized to help in the serial killer hunt they realize the two cases may be connected. Adding to the tension is the appearance of a second killer, this one imitating the murders of the first. Soon, the two killers are playing a game of cat and mouse, with King and Maxwell racing to solve the intricate puzzle of their identities--before the body count escalates.

The 25th Hour David Benioff, 2002-01-29 The brilliant debut novel from the bestselling author of *City of Thieves* and the co-creator of the HBO series *Game of Thrones*, about a white-collar drug dealer's last night out in New York City before going to jail Adapted as a feature film by Spike Lee starring Edward Norton and Philip Seymour Hoffman "Novels like *The 25th Hour* don't fall out of trees every day. The tone is dark and intense; its elegant style is cut on the raw side; and the characters come from places we've all been." —The New York Times All Monty Brogan ever really wanted when he grew up was to be a fireman. Now he's about to start a seven-year stretch in the federal penitentiary for drug dealing. With just twenty-four hours of freedom to go, he prowls the city with his girlfriend and his two best friends from high school—a high-flying bond trader and an idealistic teacher. As the minutes count down, Monty seizes one last chance to stack the odds in his favor. Hurtling from the money pits of Wall Street to Manhattan's downtown lounge and club scene, from the enclaves of the Russian mob to the old immigrant neighborhoods, *The 25th Hour* evokes the pulsing rhythms and diamond-hard edges of a city in the raw, illusory hours between midnight and dawn. A taut and mesmerizing tale of an urban purgatory suspended between the crime and the punishment, *The 25th Hour* is a major player in contemporary noir fiction.

The Evening Hour Carter Sickels, 2012-01-23 Most of the wealth in Dove Creek, West Virginia, is in the earth—in the coal seams that have provided generations with a way of life. Born and raised here, twenty-seven-year-old Cole Freeman has sidestepped work as a miner to become an aide in a nursing home. He's got a shock of bleached blond hair and a gentle touch well suited to the job. He's also a drug dealer, reselling the prescription drugs his older patients give him to a younger crowd looking for different kinds of escape. In this economically depressed, shifting landscape, Cole is floundering. The mining corporation is angling to buy the Freeman family's property, and Cole's protests only feel like stalling. Although he has often dreamed of leaving, he has a sense of duty to this land, especially after the death of his grandfather. His grandfather is not the only loss: Cole's one close friend, Terry Rose, has also slipped away from him, first to marriage, then to drugs. While Cole alternately attempts romance with two troubled women, he spends most of his time with the elderly patients at the home, desperately trying to ignore the decay of everything and everyone around him. Only when a disaster befalls these mountains is Cole forced to confront his fears and, finally, take decisive action—if not to save his world, to at least save himself. *The Evening Hour* marks the powerful debut of a writer who brings originality, nuance, and an incredible talent for character to an iconic American landscape in the throes of change.

The Happiest Hour Stefano Benni, 2013-09-30 T00:00:00+02:00 The happiest hour of our lives is the one we can not find, it is not in our past nor in the present or in the future. It escapes us, forcing us to chase it and then immediately doubt it. Yet we all have at least to tell ourselves we have one, so that we can be able to tell it. Who knows, maybe it was that time when we took, through disobedience, the right to happiness for ourselves...
