Insiders' Guide® to Houston Laura Nathan-Garner,2012-10-02 For more than twenty years, the Insiders' Guide series has remained the essential source for in-depth travel and relocation information. Written by locals and true insiders, each guide is packed with useful tips on places to stay, restaurants, events, attractions, fun thnigs to do with the kids, nightlife, recreation, shopping, local history, and much more--as well as a comprehensive appendix called Living Here that offers information on real estate, education, health care, and more.

Insiders' Guide® to Houston, 2nd Laura Nathan-Garner,2012-10-02 For more than twenty years, the Insiders' Guide series has remained the essential source for in-depth travel and relocation information. Written by locals and true insiders, each guide is packed with useful tips on places to stay, restaurants, events, attractions, fun thnigs to do with the kids, nightlife, recreation, shopping, local history, and much more--as well as a comprehensive appendix called Living Here that offers information on real estate, education, health care, and more.

**Houston Heights** Anne Sloan,2016-10-31 Founded in 1891, Houston Heights, one of the earliest and largest planned communities in the state of Texas, weathered the national decline of urban neighborhoods and has entered an era of growth, new construction, and a denser use of its space. Located approximately three miles from downtown Houston (the fourth-largest city in the nation), Houston Heights is now prime real estate. As townhomes, condos, and large apartment complexes continue to be built, the area's "small-town feel" has become diluted. Houston Heights is struggling to maintain its walkability, residents are trying to remain connected to their neighbors, and preservationists are striving to save its history. Almost everyone who lives here appreciates the

quirkiness of the neighborhood, the visual impact of art that is part of their daily lives, the ethnic diversity, and the respect that residents show toward young and the old. Three City of Houston historic districts preserve portions of the neighborhood's traditional fabric.

High Life Matthew Lasner, 2023-04-04 The first comprehensive architectural and cultural history of condominium and cooperative housing in twentieth-century America. Today, one in five homeowners in American cities and suburbs lives in a multifamily home rather than a single-family house. As the American dream evolves, precipitated by rising real estate prices and a renewed interest in urban living, many predict that condos will become the predominant form of housing in the twenty-first century. In this unprecedented study, Matthew Gordon Lasner explores the history of co-owned multifamily housing in the United States, from New York City's first co-op, in 1881, to contemporary condominium and townhouse complexes coast to coast. Lasner explains the complicated social, economic, and political factors that have increased demand for this way of living, situating the trend within the larger housing market and broad shifts in residential architecture and family life. He contrasts the prevalence and popularity of condos, townhouses, and other privately governed communities with their ambiguous economic, legal, and social standing, as well as their striking absence from urban and architectural history.

*Texas Monthly*, 1986-10 Since 1973, TEXAS MONTHLY has chronicled life in contemporary Texas, reporting on vital issues such as politics, the environment, industry, and education. As a leisure guide, TEXAS MONTHLY continues to be the indispensable authority on the Texas scene, covering music, the arts, travel, restaurants, museums, and cultural events with its insightful recommendations.

**MICHIGAN CURIOSITIES: QUIRKY CHARAC 3ED** Colleen Burcar, 2012-10-02 Your round-trip

ticket to the wildest, wackiest, most outrageous people, places, and things the Wolverine State has to offer! Whether you're a born-and-raised Michiganiite, a recent transplant, or just passing through, Michigan Curiosities will have you laughing out loud as Colleen Burcar takes you on a rollicking tour of the strangest sites in the Wolverine State. Experience some raucous festivals that celebrate everything from Elvis and Jimmy Buffett to bologna and chicken gizzards. Visit the home of the world's largest burger, where you can still order a 100-pound Goliath burger, topped off with a one-and-a-half-gallon Colossal sundae—and don't forget the 20-inch chocolate chip cookie. Discover where the law of gravity is broken, tour an actual glass house (the ultimate recycling project), and visit some amazing stone "hobbit" houses.

*The Social History of the American Family* Marilyn J. Coleman, Lawrence H. Ganong, 2014-09-02  
The American family has come a long way from the days of the idealized family portrayed in iconic television shows of the 1950s and 1960s. The four volumes of *The Social History of the American Family* explore the vital role of the family as the fundamental social unit across the span of American history. Experiences of family life shape so much of an individual's development and identity, yet the patterns of family structure, family life, and family transition vary across time, space, and socioeconomic contexts. Both the definition of who or what counts as family and representations of the "ideal" family have changed over time to reflect changing mores, changing living standards and lifestyles, and increased levels of social heterogeneity. Available in both digital and print formats, this carefully balanced academic work chronicles the social, cultural, economic, and political aspects of American families from the colonial period to the present. Key themes include families and culture (including mass media), families and religion, families and the economy, families and social issues, families and social stratification and conflict, family structures (including marriage and divorce,

gender roles, parenting and children, and mixed and non-modal family forms), and family law and policy. Features: Approximately 600 articles, richly illustrated with historical photographs and color photos in the digital edition, provide historical context for students. A collection of primary source documents demonstrate themes across time. The signed articles, with cross references and Further Readings, are accompanied by a Reader's Guide, Chronology of American Families, Resource Guide, Glossary, and thorough index. The Social History of the American Family is an ideal reference for students and researchers who want to explore political and social debates about the importance of the family and its evolving constructions.

**Developing Condominiums** Alexa Bach, 2006 This practical book explains how industry professionals developed a wide variety of successful condominiums throughout the nation--including rehabs, historic properties, and new construction, located in urban and suburban areas. Included is how each project was developed, site plans, floor plans, photographs, and data on costs, selling prices, and more.

*Real Estate Asset Inventory* Resolution Trust Corporation (U.S.), 1990

*The New York Co-op Bible* Sylvia Shapiro, 2005-05 A practical, user-friendly introduction to the co-op and condo real-estate market in New York answers important questions about finding the right building, dealing with the approval process, pets, finances, the legal process, and other important topics. Original. 15,000 first printing.

**Questions about Condominiums** United States. Department of Housing and Urban Development, 1974

**Condominium** John Dann MacDonald, 1977 Condo residents' dreams of a luxurious life in the Florida Keys are shattered by an approaching hurricane and by Martin Liss, a greedy, indifferent

developer who victimizes the residents with continuing price increases.

**Orange Coast Magazine** ,2007-02 Orange Coast Magazine is the oldest continuously published lifestyle magazine in the region, bringing together Orange County's most affluent coastal communities through smart, fun, and timely editorial content, as well as compelling photographs and design. Each issue features an award-winning blend of celebrity and newsmaker profiles, service journalism, and authoritative articles on dining, fashion, home design, and travel. As Orange County's only paid subscription lifestyle magazine with circulation figures guaranteed by the Audit Bureau of Circulation, Orange Coast is the definitive guidebook into the county's luxe lifestyle.
