

I Ching Software

Paul O'Brien

The Book of Changes and the Unchanging Truth Hua Ching Ni,1995 The philosophy found in the I Ching was created by the ancients from their careful observaton of nature. We 'moderns' can use the sixty-four hexagrams found in the I Ching as a predictive tool to enhance our lives and reconcile our spiritual and physical selves. When one consults the 'I CHing', the hexagram gives the general background of the situation, while the lines indicate the correct way in which to handle the specific circumstance. This masterful translation by Hua-Ching Ni is popular throughout the world.

I Ching, the Oracle Kerson Huang,1984 This book contains a dramatic and revealing translation of this ancient classic into English. The Chinese original is set side-by-side with the translation. Two things set this translation apart from all previous ones. First, archeological findings are used to uncover the meaning of passages obscured for thousands of years. Second, it preserves the flavor of the original in a poetic rendition. An introductory part of this book provides the historical and philosophical background to the I Ching. The story is told of the ancient Chinese civilization, pointing out events and figures mentioned in the I Ching. The undisguised face of the I Ching will appeal to the modern reader, who will read it in his or her own individual way, as poetry, as discoverer of self, or as soothsayer. It is in the grand tradition of the I Ching for different people to see different things. To Confucius, who was born in 550 B.C., it was a source of ethics.; To Leibnitz, the eighteenth-century inventor of calculus, it was the essence of binary mathematics.; To Jung Freud's rival in psychology, it was an explorer of the unconscious.; To some Wall Streeters, it predicts the stock market.; As a companion to this book, a computer software, Huang's I Ching offers computerized consultations of the I Ching. In the court of Zhou, they used to do this by counting stalks of the yarrow reed. Results of the court would indicate what passages to read. In later ages, yarrow-counting was replaced by coin-tossing, as a ritual closer to people's lifestyle. And now, the I Ching is ready for the future.

I Ching Edward A. Hacker,Steve Moore,Lorraine Patsco,2002 This volume is a comprehensive collection of critical essays on The Taming of the Shrew, and includes extensive discussions of the play's various printed versions and its theatrical productions. Aspinall has included only those essays that offer the most influential and controversial arguments surrounding the play. The issues discussed include gender, authority, female autonomy and unruliness, courtship and marriage, language and speech, and performance and theatricality.

The Rave I'Ching Ra Uru Hu,1999-03-01

The Laws of Change J. M. Balkin,2002 He shows how the I Ching's divinatory system helps the reader discover the book's underlying philosophy through applying its insights to everyday problems.--BOOK JACKET.

The Complete I Ching — 10th Anniversary Edition Taoist Master Alfred Huang,2010-11-17 A revised edition of the definitive translation of the world's most important book of divination • More than 64,000 copies sold of the first edition • The first English translation from within the tradition by a Chinese Taoist Master • Includes translations of the Ten Wings--the commentaries by Confucius essential to the I Ching's insights Translated by the eminent Taoist Master Alfred Huang, The Complete I Ching has been praised by scholars and new students of the I Ching since its first edition. A native Chinese speaker, Master Huang first translated the original ideograms of the I Ching into contemporary Chinese and then into English, bringing forth the intuitive meanings embodied in the images of the I Ching and imbuing his translation with an accuracy and authenticity not possible in other English translations. However, what makes his translation truly definitive is his return to prominence of the Ten Wings, the commentaries by Confucius that are essential to the I Ching's insights. This 10th anniversary edition offers a thorough introduction to the history of the I Ching, how to use it, and several new divination methods; in-depth and easy-to-reference translations of each hexagram name, description, and pictogram; and discussions of the interrelations between the hexagrams and the spiritual meaning of their sequence.

Divination Paul O'Brien,2007-06-14

The Handbook of Nonsexist Writing Casey Miller,Kate Swift,1988 The standard book on nonsexist writing recommended by The Chicago Manual of Style 'for useful and sensible suggestions on how to avoid sexist connotations [in writing], ' which is used in college English courses, by publishing companies and by government agencies, has now been updated.--Back cover.

The Timeless Way of Building Christopher Alexander,1979 This introductory volume to Alexander's other works, A Pattern of Language and The Oregon Experiment, explains concepts fundamental to his original approaches to the theory and application of architecture.

Human Design Chetan Parkyn,2010 Offers a comprehensive guide to Human Design, a practice that goes beyond horoscopes to render a unique personality reading for each person, with the aim of empowering him or her to make the correct decisions, choose the best professions and create relationships with ease and success. Original.

The I Ching Oracle Michael Daniels, Ph.d.,2017-10-22 The I Ching (Book of Changes) is a classical Chinese text and system of divination. One of the oldest books in the world, it has been consulted for thousands of years by people seeking guidance and advice. Psychologist Michael Daniels PhD has worked with the I Ching for nearly 50 years. Here he synthesizes his experience to present a modern reinterpretation of the ancient Oracle. This book is a concise practical guide to using the I Ching. It makes an ideal introduction for those new to the system, while its contemporary approach will also appeal to more advanced users.

I Ching Daniel Claudio Bernardo,2013-09-23 Riding the changes means to take the best course between the rough waves of life. Changes are the natural waves that traverse time. The I Ching can help us to understand better the relation between external reality and our will; such insight will allow us to chart the best possible course of action and will enhance the quality of our lives. This I Ching translation is concise and oriented towards divinatory usage. To help readers understand better the true meaning of the text, notes with historical and cultural information have been added, as well as cross-references between hexagrams. Line by line interpretations are both general and oriented toward different aspects of life like Career, Private life and Health, Feelings and Social life.

Rediscovering the I Ching Gregory Whincup,1996 Offers a new translation of the Chinese Book of Changes incorporating recent discoveries, and describes the meaning of all sixty-four hexagrams

Rolling Rocks Downhill Clarke Ching,2014-12-17 --- It's May, so guess what? We all survived the Scottish winter! --- So ... here's 60% off the Kindle version (and 20% off the paperback) until the end of the week, in celebration.A story that sticks ...Rolling Rocks Downhill is a fast-moving business novel, like Eli Goldratt's classic, The Goal, where you sit on the shoulders of the characters and quietly watch as they discover the few - but fundamental - principles which underly successful commercial software development. Faster than you ever thought possibleThis is NOT a technical book. It doesn't mention Agile. It doesn't ram techniques and practices down your throat. There are other books for that. Rolling Rocks downhill is a book about delivering software projects ON TIME or, if you choose, EARLY. It's a book about building quality in and then running as FAST as you can. J. B. Rainsberger, author of JUnit Recipes:I don't know how many of my clients would take the time to read The Goal, but I insist that they read Rolling Rocks Downhill--it strongly reinforces the essence of Agile software development that has been drowned in an ocean of process manuals, maturity models, and checklists. Just as The Goal sought to bring common sense back to manufacturing, so this book seeks to bring common sense back to a software industry that sorely needs it. -- J. B. Rainsberger Johanna Rothman, author of Jolt Productivity award-winning Manage It! Your Guide to Modern, Pragmatic Project Management:Maybe one of your teammates or someone in management has the bright idea that maybe transitioning to agile or lean will help. Maybe it does in some small way. But, it's not enough. You're on a death march, iteration by iteration. Or, with your board, you can see that you are making progress, but you're not working fast enough. Or, you're not delivering what your customers need. You're still trying to do it all. Why? Because it takes you forever to release anything. You know there's another piece to this. You just don't know what. You need to read Clarke Ching's Rolling Rocks Downhill.

The Medical I Ching Miki Shima,1992 The first translation of this timeless classic of philosophy specifically for practitioners of the healing arts. Includes: diagnostic indications & prognosis for all 64 hexagrams & changing lines, discussions of casting methods, & case histories.

Secrets of the I Ching Joseph Murphy,1999-12-01 The classic guide to tapping the practical benefits of an age-old book of wisdom--revised to captivate today's spiritual seekersBased on the revered Chinese philosophy with a 5,000-year-old tradition, the I Ching, or Book of Changes, is rich in revelations. An eminent expert on the powers of the subconscious, Dr. Joseph Murphy opens the guiding force of this ancient text to anyone with an appreciation of the possibilities. With the help of three coins--ordinary pennies will do-- readers will learn to apply their intuitive abilities to receive the I Ching's answers. With a practical outlook, this hands-on guide presents simple techniques for enlisting the I Ching's aid in everyday problem-solving and decision-making. Murphy explains the I Ching hexagram system, revealing its roots in human psychology and the principle of constant change. Demystifying obscure terms and symbols, the author leads the way to consulting the I Ching for clarity and guidance in times of confusion and crisis. By combining basic mathematical formulas with spiritual awareness, readers will realize the miracle-working potential of their own mind and connect with the I Ching's truths. As a result, they'll gain vital insights into questions about career, family, romance, financial security, and life goals. And they'll discover the wonder of genuine peace of mind. SECRETS OF THE I CHING, does not claim to predict the future. But it does provide the tools to mark any future with the promise of greater personal and spiritual fulfillment.

The Astrology of I Ching Wallace Andrew Sherrill,1976

Total I Ching Stephen Karcher,2009-05-07 The I Ching (pronounced ee-ching) is the oldest and most respected oracle or divinatory system in the world. There are currently two translations available which offer somewhat conflicting interpretations - the popular Confucian version and an earlier Taoist version called Zhouyi. Reconstructed by twentieth-century scholars and archaeologists, Zhouyi presents the highly imaginative world of myth and ritual that is the hidden base of thousands of years of Eastern thought. Now, for the first time ever, Stephen Karcher fuses these two traditions using modern scholarship and archaeological and linguistic research, along with a wide background in Eastern philosophy and comparative religion, and presents them to the modern Western reader in a comprehensive and accessible new form. TOTAL I CHING is a complete oracle with instruction for immediate use in all life situations, but is also the first translation to detail the mythology of the divinatory system, offering a revolutionary new approach to the world's oldest wisdom tradition.

Intuitive Intelligence Paul O'Brien,2019-09-10 Paul O'Brien, founder of Tarot.Com, shares how readers can tap into their creative power, leverage synchronicities, and cultivate their sixth sense. Through a combination of effective decisions and strategic timing, readers can align with their greatest dreams. What happens when a vision of creative freedom, courageous risk-taking and good timing come together? What if you focused on what fascinates you, then mastered some skills, including a level of intuitive decision-making that helps you make the right moves at the right time? The answer is a life filled with success on your own terms. In this unique book about self-discovery and manifesting your true destiny, author Paul O'Brien distills a lifetime of business and personal adventures into an eloquently articulated process for making the best strategic decisions with an ever-improving sense of timing. His true stories of lessons learned will intrigue and delight the reader, while the presentation of skills required to make great decisions with perfect timing captivate and motivate. The author's elegant Visionary Decision Making process and philosophy clearly define the essential skills of accessing intuition when you need it most. The book shows readers how to take charge of their life and fearlessly take the risks that will that help them realize their goals and dreams to fearlessly take those risks that will grow them as a person. Intuitive Intelligence is the 2020 Silver winner of the Coalition of Visionary Resources (COVR) Visionary Awards. In Intuitive Intelligence, you will learn how to: - Discover what truly fascinates you and let that motivate you. Understand what turns on your creative imagination and innate desire to be of service. - Fine-tune your intuitive sense, so that you can hear its quiet voice even in the midst of chaos. - Leverage synchronicities meaningful coincidences to receive direction from the realm of Infinite Intelligence, outside the box of linear thinking. - Channel archetypes of power to, call forth your inner Hero, the Sovereign, Warrior, Magician, and Lover, and put them to work for you! - Develop intuition rituals. Learn how to use guided meditations and the I Ching (Book of Changes) as aids for cultivating and activating Intuitive Intelligence when you need it most. - Adopt visionary beliefs. Take ownership and upgrade your operating assumptions. - Execute decisions with exquisite timing, trusting in the process and yourself. Like compound interest, the more you trust intuition the easier it becomes to notice and interpret its subtle signals. - Develop perfect timing and cultivate a Synchronistic Lifestyle characterized by inspiration, joy, wisdom, and grace.

The Book of Lines, a 21st Century View of the Iching the Chinese Book of Changes Chetan Parkyn,2012-07-04 An essential Human Design Companion Book and IChing Oracle. In 1967, the first I'Ching book, The Book of Changes, was published in English. The Book of Changes detailed the 64 hexagrams from the Chinese I'Ching in great detail, giving the Western world powerful insights into the archetype of humanity In 1987, a new science of personal discovery, Human Design, was conceived: Human Design. Human Design is a synthesis ancient wisdom traditions including Eastern and Western astrology, the Chinese I'Ching, the Hindu Chakra system and the Judaic Kaballah, and two modern sciences: neutrino physics and an understanding of the human genetic code. Human Design gives us an extraordinary in-depth understanding of the possibilities for mankind, particularly in these changing times. In his new book, The Book of Lines, Chetan Parkyn, a Human Design teacher and practitioner for over 22 years, shares a modern day explanation of the Chinese I'Ching as it relates to Human Design, and also as a standalone version of the IChing...in clear, straightforward language. The Book of Lines is a 21st century view of the I'Ching and gives the reader a deep and practical way to understand who they are, how they are energetically configured, and the power they naturally carry and share with the world. This modern-day, easy-to-understand manual is an important companion guide for anyone who uses the Chinese I'Ching and Human Design.

I Ching Software Introduction

In todays digital age, the availability of I Ching Software books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of I Ching Software books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of I Ching Software books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing I Ching Software versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, I Ching Software books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether youre a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to

retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing I Ching Software books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for I Ching Software books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, I Ching Software books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of I Ching Software books and manuals for download and embark on your journey of knowledge?
