The Import J. T. Baier, 2020-06-07 Some skills you never lose. Killing is one of them. Matthew Riker keeps to himself, doesn't cause trouble, and never talks about his past. But after a chance encounter with a woman and a small child on the run, Riker will have to make a choice: use his hard-won skills to protect two innocent victims, or stay in the safety of his quiet life. What follows is an adrenaline-soaked thrill ride that will take Riker on a cross-country chase, through the seedy underbelly of a New York criminal empire, and into the darkest places of the human heart. Fans of John Wick, Jack Reacher, and Jason Bourne... get ready to meet Matthew Riker.

Import Transactions and Customs Compliance Scott R. Lowden, 2013-05 A graduate of Harvard Law School, the author has practiced corporate and international law in private practice and as general counsel for several transnational companies. He practices independently and as of counsel to a nationally known trade law firm in Dallas, Texas. I wrote Import Transactions and Customs Compliance to enable the reader to gain a coherent perception of the importing process as a whole and as a reference source for information that is currently available only in fragments. Scott R. Lowden Mr. Lowden has produced a comprehensive guide for the importer from the largest mega-corporation to the smallest individual. The book is an excellent resource and would be a valuable training guide for importing companies, brokers and transportation companies as well as firms practicing trade compliance.
