Song of Increase Jacqueline Freeman, 2016-09-01 The most joyful emanation produced by a colony of bees is known as the song of increase—declaring that the hive is flourishing and the bees are happy in its abundance. Song of Increase takes us inside the world of the honeybee to glean the wisdom of these fascinating creatures with whom humanity has shared a sacred bond for millennia. Within these pages is a bee-centric approach to living with honeybees, rather than advice for simply maximizing the products they provide. Jacqueline Freeman takes us beyond traditional beekeeping and offers a way to work in harmony with honeybees for both their good and ours. Our way is one of kind observation, she explains, where we create supportive homes and fields for bees to live in, as well as tend the heartfelt relationships we form by being together. Song of Increase focuses on hidden aspects of apiculture that lead us naturally to more sustainable practices. Freeman illuminates the unity consciousness that guides every action in the colony and how this profound awareness can influence the way we see both the natural world and ourselves. Each chapter presents a wealth of information about the life of bees, including Freeman's personal insights and direct teachings received from the bees themselves. Contents Include: I. The Song of Unity: How Bees See Themselves, Their Colony, and the World II. The Song of Belonging: The Sacred Work of the Queen, Drones, Maidens, and Pips III. The Song of Communion: How Bees Create a Perfect Home IV. The Song of the World: The Communion of Bees and Flowers V. The Song of Increase: The Blessings of the Swarm and the Ascension of a New Queen VI. The Song of Abundance: The Generosity of Bees VII. The Song of Sharing: How We Can Help Our Bee Friends

Increase Lia Purpura, 2015-03-15 Increase is Lia Purpura's chronicle of her pregnancy, the birth of her son, Joseph, and the first year of his life. She recounts her journey with the heightened awareness of a mother-to-be and through the eyes of a poet, from the moment she confirms her pregnancy as "A blue X slowly crosses itself, first one arm, then the other in the small white window of the test,"

through “the X of his crossed feet in sleep” as her child’s world begins. Purpura’s sensibility transcends the facts of personal experience to enfold the dramatically changing shape of a larger, complex world. These closely knit essays portray the rhythms of a new mother’s life as it is challenged and transformed in nearly every aspect, from the emotions of wildness, loss, need, and desire to the outward progress—and interruption—of her work and activities. Increase offers us motherhood at an extraordinary pitch, recording, absorbing, and revisiting experiences from a multitude of angles. Purpura presents her story of discovery with unequaled eloquence, grace, and power.
