W.Y. Evans-Wentz

It's a Book! Lane Smith, 2018-02 A wry exchange between an IT-savvy donkey, a book-loving ape and a mouse forms this very funny picture book that's perfect for both digital natives and book lovers. With a subversive and signature Lane Smith twist, this satisfying and perfectly executed picture book has something to say to children and adults alike about the importance and joy of reading. It's a Book is another bold and funny story from the creator of the CILIP Kate Greenaway Medal-winning *There Is a Tribe of Kids*, Lane Smith.

Three Lines in a Circle Michael G. Long, 2021-08-31 One line straight down. One line to the right. One line to the left, then a circle. That was all—just three lines in a circle. This bold picture book tells the story of the peace symbol—designed in 1958 by a London activist protesting nuclear weapons—and how it inspired people all over the world. Depicting the symbol's travels from peace marches and liberation movements to the end of apartheid and the fall of the Berlin Wall, *Three Lines in a Circle* offers a message of inspiration to today's children and adults who are working to create social change. An author's note provides historical background and a time line of late twentieth-century peace movements.

Time in Its Flight Susan Fromberg Schaeffer, 1978 When Edna marries Dr. John Steele, she embarks on a lifetime adventure of anguish, loss, courage, and love.

History of Idaho Hiram Taylor French, 1914

Modern Liberty and Its Discontents Pierre Manent, 2000-01-01 In this book, distinguished French philosopher Pierre Manent addresses a wide range of subjects, including the Machiavellian origins of modernity, Tocqueville's analysis of democracy, the political role of Christianity, the nature of totalitarianism, and the future of the nation-state. As a whole, the book constitutes a meditation on the nature of modern freedom and the permanent discontents which accompany it. Manent is particularly concerned with the effects of modern democracy on the maintenance and sustenance of substantial human ties. *Modern Liberty and its Discontents* is both an important contribution to an understanding of modern society, and a significant contribution to political philosophy in its own right.

The Gulf Crisis and its Global Aftermath Gad Barzilai, Aharon Klieman, Gil Shidlo, 2016-02-05 The crisis in the Gulf of 1990-1 affected more than just the regional powers in the area. Rippling outward, its military, economic and political effects were felt throughout the international political system, testing US steadfastness in the face of Saddam Hussein's political survival, European ability to form a united front on foreign policy issues and the effectiveness of the UN in confronting international aggression. The rationale behind this book, first published in 1993, is to investigate and analyse the various aspects of the crisis, especially in regard to the interactions between internal and international prospects for a new order in the Middle East. It also examines the wider effects of the war, and includes analysis of Europe, America and the Soviet Union. Each one of the essays chosen for this volume has been written by an expert in their field. This collaboration between historians, regional specialists and political scientists, integrating a variety of research methods in the framework of one book, will be useful to a wide range of readers.

The Postcolonial City and its Subjects Rashmi Varma, 2011-08-05 This book considers twentieth and twenty-first century literary and cultural formations of the postcolonial city and the constitution of new subjects within it. Varma offers a reading of both historical and contemporary debates on urbanism through the filter of postcolonial fictions and the cultural fields surrounding and containing them. In particular, she presents a representational history of London, Nairobi and Bombay in the twentieth and twenty-first centuries and engages three key theoretical frameworks—the city within postcolonial theory and culture (its troubled salience in the construction of postcolonial public spheres and identities, from local, rural, ethnic/tribal, and regional to national, cosmopolitan and transnational subjects and spaces); postcolonial fictions as constituting a new world literary space and as a site of the articulation of contending narratives of urban space, global culture and postcolonial development; and postcolonial feminist citizenship as a universal political project challenging current neo-liberal and post neo-liberal contractions and eviscerations of public

spaces and rights.

Modern Civilization in Some of Its Economic Aspects William Cunningham, 1896

It's in the Book, Bob! Bob Eubanks, Matthew Scott Hansen, 2004 Best known to audiences as the host of *The Newlywed Game*, Eubanks chronicles his life and work from the beginning of his career as a radio dj in the late 1950's, then as a concert promoter (for the Beatles and the Rolling Stones, among others) and manager for several country singers--he gave Dolly Parton her start and spent ten years on the road with Merle Haggard.

The Society of the Sacred Heart in the World of Its Times 1865 -2000 Monique

Luirard, 2016-03-31 After the death of its founder in 1865, the Society of the Sacred Heart experienced exceptional recruitment and expansion, and departure from France of more than 2500 religious at the beginning of the century. Its story is that of the thousands of women who joined it to root their lives in its charism. In the forty countries where they have been sent, they have had to confront liberalism and anti-clericalism, revolution, the effects of Nazism and Marxism and world wars that destroyed their houses and scattered their members. After the Second Vatican Council, the elimination of cloister opened new fields of apostolic work to the Society. This book shows how the congregation developed amid internal crises, which did not differ from those in the Church and civil society, and how from these crises there emerged little by little a new way to be a Religious of the Sacred Heart.

A History of Moonville, Ohio and a Collection of Its Haunting Tales William M. Cullen, 2013-09-25

A History of Moonville, Ohio and a Collection of its Haunting Tales, Revised Edition, is an updated version of a previous work the author had published back in 2008. This revised edition contains more detailed history about Moonville and its surrounding towns, such as Zaleski, on how they came to be, most notably that Moonville was named by the railroad after a general store proprietor rather than the man who had actually founded the town; and that Zaleski was named after a Polish/French financier who never came to America to see his namesake town. This revised edition also contains more haunting tales of what had happened to some of those who had lived and worked in this remote mining town in eastern Vinton County, Ohio, mainly covering those who had been involved in train accidents surrounding the still-standing tunnel as these trains came barreling through the area; plus, there are a few tales of murder as well. There are also a few light-hearted tales most notably that of a well-known English author who had passed through Moonville on his way to tour America back in the late 1860s as well as a story about some feisty sisters, in Athens, who took on the expanding railroad. There are human interest elements in all of this, most notably to me, is the story of the Dexters who had been enslaved in Virginia, escaping in the 1860s, having made their way to Moonville in order to live out their lives in freedom. This book is about preserving the history of a mining town that began back in the 1850s, thriving for nearly fifty years, before it began its long slide into history, though not completely forgotten, for it had been, once, a vital part of Ohio's history, especially in the days leading up to the American Civil War; and that is why I wrote and revised this work - for Moonville's history is a part of Ohio's history.

HOLINESS; BEING PLAIN PAPERS ON ITS NATURE, HINDRANCES, DIFFICULTIES AND

ROOTS J.C RYLE, Rev Terry Kulakowski, Editor, 2017-10-20 The twenty papers contained in this volume are a humble contribution to a cause which is exciting much interest in the present day--I mean the cause of scriptural holiness. It is a cause which everyone who loves Christ, and desires to advance His kingdom in the world, should endeavor to help forward. Everyone can do something and I wish to add my mite. The reader will find little that is directly controversial in these papers. I have carefully abstained from naming modern teachers and modern books. I have been content to give the result of my own study of the Bible, my own private meditations, my own prayers for light, and my own reading of old divines. If in anything I am still in error, I hope I shall be shown it before I leave the world. We all see in part, and have a treasure in earthen vessels. I trust I am willing to learn.

Cancer and its Management Jeffrey S. Tobias, Daniel Hochhauser, 2014-11-17 Now in its seventh edition, this highly-regarded book is designed as an introductory and reference text on the principles of diagnosis, staging, and treatment of tumors. As for the last 6 editions of the book, the

aim and scope of the new edition are once again to provide a thorough yet reasonably brief account of the whole field of oncology, focusing on the latest principles of cancer management. The book is already well established, having been first published in 1986 and in continuous print since then. The authors are rightfully proud of their strong legacy of providing carefully revised new editions of this standard and well-received cancer text for audiences in the UK and abroad. Oncology is a very rapidly changing speciality, with many new treatments and even treatment modalities coming on stream with bewildering speed. Besides a thorough general updating of the text, figures, and tables, the new seventh edition adds a new chapter on Molecular Targeted Therapy, making the book 30 chapters in total. This accessible and practical resource is invaluable to trainees and specialists alike in oncology, palliative care and general medicine, as well as specialist nurses, general practitioners, medical students, and professions allied to medicine.

Moresby Hall and its owners in the olden time. [By Henry Manders.] ,1875

Tibetan Yoga and Its Secret Doctrines W.Y. Evans-Wentz,2012-11-12 This volume provides a faithful account of the yogic practices which Milarepa, the best known of the Tibetan yogins, successfully put to the test of practice. It explores some of the Kargyitpa School's chief doctrines from Indian Buddhistic sources.

Everything in Its Place Pauline David-Sax,2022-07-19 An inspiring and poetic story about reading, libraries, and overcoming shyness to find community. I gather the books in my arms, and give them a hug. Welcome back, I whisper. Nicky is a shy girl who feels most at home in the safe space of her school library, but the library closes for a week and Nicky is forced to face her social anxiety. When she meets a group of unique, diverse, inspiring women at her mother's diner—members of a women's motorcycle club—Nicky realizes that being different doesn't have to mean being alone, and that there's a place for everyone. Book lovers of all ages will find inspiration in this beautiful love letter to reading—and how words help us find empathy and connections with the world around us. □ Ezra Jack Keats Award Honor A Kirkus Best Book of the Year An Atlanta Parent Best Book of the Year A RISE: A Feminist Book Project Reading List selection An Association for Library Service to Children Notable Book Maine Chickadee Award nominee, 2023-24

The Blue Book of Grammar and Punctuation Lester Kaufman,Jane Straus,2021-04-16 The bestselling workbook and grammar guide, revised and updated! Hailed as one of the best books around for teaching grammar, The Blue Book of Grammar and Punctuation includes easy-to-understand rules, abundant examples, dozens of reproducible quizzes, and pre- and post-tests to help teach grammar to middle and high schoolers, college students, ESL students, homeschoolers, and more. This concise, entertaining workbook makes learning English grammar and usage simple and fun. This updated 12th edition reflects the latest updates to English usage and grammar, and includes answers to all reproducible quizzes to facilitate self-assessment and learning. Clear and concise, with easy-to-follow explanations, offering just the facts on English grammar, punctuation, and usage Fully updated to reflect the latest rules, along with even more quizzes and pre- and post-tests to help teach grammar Ideal for students from seventh grade through adulthood in the US and abroad For anyone who wants to understand the major rules and subtle guidelines of English grammar and usage, The Blue Book of Grammar and Punctuation offers comprehensive, straightforward instruction.

It's Only a Game Terry Bradshaw,2001-08-01 This is the absolutely guaranteed 100% mostly true story of Terry Bradshaw: the man who gained sports immortality as the first quarterback to win four Super Bowls -- and the man who later became America's most popular sports broadcaster. IT'S ONLY A GAME I had a real job once, begins a memoir as honest, unexpected, and downright hysterical as Bradshaw himself. From his humble beginnings in Shreveport, Louisiana, to his success as the centerpiece of the highest-rated football studio show in television history, Terry has always understood the importance of hard work. A veritable jack-of-all-trades, he has probably held more jobs than any other football Hall of Famer ever: pipeline worker, youth minister, professional singer, actor, television and radio talk show host, and now one of the nation's most popular speakers. But let's not forget one of the reasons why so many people know and love Terry Bradshaw: he won four

Super Bowls! In *It's Only A Game*, Terry brings the reader right into the huddle and describes the game from the bottom of a two-ton pile to the top of the sports world. You'll sit right on the fifty-yard line and watch as Terry earns the title world's greatest benchwarmer. And you'll also hear about the single greatest play in pro football -- the Immaculate Reception -- as he never saw it. *It's Only A Game* is much more than a collection of Terry Bradshaw's favorite and funniest stories, it is the personal account of a great man's search for life before and after football...as only Terry could tell it.

Simulation and Its Discontents Sherry Turkle, 2022-11-01 How the simulation and visualization technologies so pervasive in science, engineering, and design have changed our way of seeing the world. Over the past twenty years, the technologies of simulation and visualization have changed our ways of looking at the world. In *Simulation and Its Discontents*, Sherry Turkle examines the now dominant medium of our working lives and finds that simulation has become its own sensibility. We hear it in Turkle's description of architecture students who no longer design with a pencil, of science and engineering students who admit that computer models seem more "real" than experiments in physical laboratories. Echoing architect Louis Kahn's famous question, "What does a brick want?", Turkle asks, "What does simulation want?" Simulations want, even demand, immersion, and the benefits are clear. Architects create buildings unimaginable before virtual design; scientists determine the structure of molecules by manipulating them in virtual space; physicians practice anatomy on digitized humans. But immersed in simulation, we are vulnerable. There are losses as well as gains. Older scientists describe a younger generation as "drunk with code." Young scientists, engineers, and designers, full citizens of the virtual, scramble to capture their mentors' tacit knowledge of buildings and bodies. From both sides of a generational divide, there is anxiety that in simulation, something important is slipping away. Turkle's examination of simulation over the past twenty years is followed by four in-depth investigations of contemporary simulation culture: space exploration, oceanography, architecture, and biology.

It's Garry Shandling's Book Judd Apatow, 2019-11-12 From Judd Apatow comes an intimate portrait of his mentor, the legendary stand-up comic and star of *The Larry Sanders Show*, with never-before-seen journal entries and photos, as well as new contributions by fellow comedians and writers. NAMED ONE OF THE BEST BOOKS OF THE YEAR BY NEW YORK *Garry Shandling* was a singular trailblazer in the comedy world. His two hit shows, *It's Garry Shandling's Show* and *The Larry Sanders Show*, broke new ground and influenced future sitcoms like *30 Rock* and *Curb Your Enthusiasm*, and his stand-up laid the foundation for a whole new generation of comics. There's no one better to tell Shandling's story than Judd Apatow—Shandling gave Apatow one of his first jobs and remained his mentor for the rest of his life—and the book expands on Apatow's Emmy Award-winning HBO documentary, *The Zen Diaries of Garry Shandling*. Here, Apatow has gathered journal entries, photographs, and essays for a close-up look at the artist who turned his gaze back onto the world of show business. Beyond his success, though, Shandling struggled with fame, the industry of art, and the childhood loss of his brother, which forever affected his personal and professional lives. His diaries show Shandling to be self-aware and insightful, revealing a deep philosophical and spiritual side. Contributions by comedians and other leading lights of the industry, as well as people who grew up with Shandling, along with never-before-seen pieces of scripts and brilliant jokes that he never performed, shed new light on every facet of his life and work. This book is the final word on the lasting impact of the great Garry Shandling.

Thank you very much for downloading **Its**. As you may know, people have look numerous times for their favorite books like this *Its*, but end up in malicious downloads. Rather than enjoying a good book with a cup of tea in the afternoon, instead they juggled with some infectious virus inside their laptop.

Its is available in our digital library an online access to it is set as public so you can get it instantly. Our books collection hosts in multiple locations, allowing you to get the most less latency time to
