Cocaine + Surfing Chas Smith,2019-12-11 From the author of *Welcome to Paradise, Now Go To Hell*, a finalist for the PEN Center USA Award for Nonfiction One of Pearl Jam's Jeff Ament's Top 10 of 2018 It's no surprise that surfers like to party. The 1960-70s image, bolstered by Tom Wolfe and *Big Wednesday*, was one of mild outlaws--tanned boys refusing to grow up, spending their days drinking beer and smoking joints on the beach in between mindless hours in the water. But in the 1980s, as surf brands morphed into multibillion-dollar companies, the derelict portrait began to harm business. The external surf image became Kelly Slater and Laird Hamilton, beacons of health, vitality, bravery, and clean-living. Internally, though, surfing had moved on from booze and weed to its heart's true home, its soul's twin flame: cocaine. The rise of cocaine in American popular culture as the choice of rich, white elites was matched, then quadrupled, within surf culture. The parties got wilder, the nights stretched longer, the stories became more ridiculously unbelievable. And there has been no stopping, no dip in passion. It is a forbidden love, and few, if any, outside the surf world know about this particular rhapsody. Drug use is kept very well-hidden, even from insiders, but evidence of its psychosis rears its head from time to time in the form of overdoses, bar fights, surf contests, murders, and cover-ups. *Cocaine + Surfing* draws back the curtain on a hopped-up, sometimes-sexy, sometimes-deadly relationship and uses cocaine as the vehicle to expose and explain the utterly absurd surf industry to outsiders.

Women on Waves Jim Kempton,2021-07-06 A captivating look at two centuries of surfing—the Sport of Queens—from Native Hawaiian royalty to the breakout style and jaw-dropping feats on the waves today. Few subjects in the world of sports and or the outdoors is more timely or compelling than women’s surfing. From smart, strong, fearless women shattering records on 80-foot waves to professional athletes fighting for equal pay and a more fair and just playing field, these amazing, wave-riding warriors provide an inspirational and aspirational cast of powerful role models for women (and men) across all backgrounds and generations. Over the past two-hundred years, and especially the past five decades, the surfing lifestyle have become the envy of people around the world. The perception of sun, sand, surf, strong young women and their inimitable style, has created a booming lifestyle and sports industry—and the sport that is set to make it’s Olympic exhibition debut in Tokyo 2021. A massive shift from when colonizers tried to extinguish all traces of Native Hawaiian surfing and its sacred culture. What is it about the surfing that intrigues people of all ages, from all corners of the world? The beaches and idyllic locations? The unique style and mystique that surfers project? These women, on the beach and riding giant waves, or in the media, have made their mark on not just their sport, but our wider culture. *Women on Waves* is filled with phenomenal athletic performance, breakthrough female achievements, and plenty of inspiration and fun to see us through until the time when we can all hit the surf once more! Spanning a millennia, From Hawaii to Malibu, New York to Australia, South Africa to the South Pacific and beyond, Jim Kempton presents a fascinating new narrative that will captivate anyone who loves sports and the outdoors.

Rick & Bubba's Expert Guide to God, Country, Family, and Anything Else We Can Think Of Rick Burgess,Bill "Bubba" Bussey,Martha Bolton,2006-03-05 The New York Times–bestselling Southern manifesto from the “delightful team [that] blends down-home humor with rock-solid truth” (Max Lucado). Rick and Bubba are two of America’s zaniest syndicated radio hosts. Now, Rick and Bubba bring their own brand of southern humor and homespun wisdom to the book world. *Rick & Bubba’s Expert Guide to God, Country, Family, and Anything Else We Can Think Of* is a sometimes touching, always hilarious, look at the world through Rick and Bubba’s eyes. Rick and Bubba wax eloquent on everything from little league soccer to the frustrations of getting the family ready for church on a Sunday morning, to big Southern hair.

The Virtuoso G. P. Walmsley,2008-02 The Virtuoso is a mainstream contemporary novel laced with the struggles and ambivalence of a young man's desire to be a jazz musician and the forces that move him in another direction - toward the classics. How this dilemma resolves itself and the escapades along the way and beyond will both rouse, yet soothe your quest for escape from the mundane! The Virtuoso is a story of romance. A love story as well as a story with scarlet moments of lust from that oldest story of all - the story of human frailty against the spear of temptation. The lives of John Dupree and Sophia Berry are played out against a canvas of music and on the darker side - prostitution. Be prepared for three dimensional characters and convoluted plots. The Virtuoso will transport you - drawing you into the story to live each scene. From the rough and tumble streets of New Orleans during World War II to the poshness of high-rise living in New York City, we join he and Sophia in the intimacy of their lives. From private piano lessons in Saint Louis to the hallowed halls of Juilliard, we follow his emergence onto the concert stages of the world. Their lives unfold in a fate that spans some 20 years. In many ways this is a symbiotic relationship. She is a benefactress in his formative years as he moves toward becoming a world class pianist while she derives love and companionship from him; something she welcomes and realizes is important in her unconventional life. Through the trauma of Korea to Sophia's court room battles in New York and Federal courts, our couple shares with us the bitter-sweetness of their lives and their love. Pair of Jacks Michael Batdorf,2009-09 When thirteen-year-old, poker-playing psychic Jack Holden, Jr. is kidnapped, he begins a cross-country road trip like no other. He is soon leading a mission to find and rescue his missing poker pro father, Jack Texas Holden, from captors who force him to use his own Poker Power to make them rich. During his journey, young Jack makes friends, finds love, wins fortunes from the superstars of professional poker, and dodges bounty hunters who are out to stop him. In the end, Jack must choose his fate as his psychic powers and love for his family and friends are put to the test at the secret gambling den in the Nevada desert where his father is imprisoned. Full of suspense, twists, humor and action, *Pair of Jacks* is fantastic fiction, high adventure, filled with unforgettable characters and events. Michael Batdorf's writing has an amazing, fresh, unique voice. -Katrina Kittle, Author, *The Kindness of Strangers* (William Morrow publishers) Michael Batdorf has a dark and dangerous mind, and I mean that in a good way. *Pair of Jacks* is a terrific book - it has a novel story line, interesting characters, humor, drama, and the plot is well-constructed and full of surprises. -Anne Greenberg, Former Editor, Simon & Schuster/Pocket Books

Welcome to Paradise, Now Go to Hell Chas Smith,2013-11-19 A finalist for the PEN Center USA Award for Nonfiction *Welcome to Paradise, Now Go to Hell*, is surfer and former war reporter Chas Smith’s wild and unflinching look at the high-stakes world of surfing on Oahu’s North Shore—a riveting, often humorous, account of beauty, greed, danger, and crime. For two months every winter, when Pacific storms make landfall, swarms of mainlanders, Brazilians, Australians, and Europeans flock to Oahu’s paradisiacal North Shore in pursuit of some of the greatest waves on earth for surfing’s Triple Crown competition. Chas Smith reveals how this influx transforms a sleepy, laid-back strip of coast into a lawless, violent, drug-addled, and adrenaline-soaked mecca. Smith captures this exciting and dangerous place where locals, outsiders, the surf industry, and criminal elements clash in a fascinating look at class, race, power, money, and crime, set within one of the most beautiful places on earth. The result is a breathtaking blend of crime and adventure that captures the allure and wickedness of this idyllic golden world.

In Waves AJ Dungo,2019-06-04 A tale of love, heartbreak and surfing from an important new voice in comics. In *Waves* is Craig Thompson's *Blankets* meets William Finnegan's *Barbarian Days*. In this visually arresting graphic novel, surfer and illustrator AJ Dungo remembers his late partner, her battle with cancer, and their shared love of surfing that brought them strength throughout their time together. With his passion

for surfing uniting many narratives, he intertwines his own story with those of some of the great heroes of surf in a rare work of nonfiction that is as moving as it is fascinating.

Surf and Stay Spain and Portugal Veerle Helsen,2018 *Discover surf spots, as well as authentic beach restaurants, hidden hotels, architectural gems, secret camper sites and the most idyllic road and surf trips*Drone footage of the surf coasts of Spain and Portugal like you've never seen before*Surprising combination of surfing, campers and authentic places-to-be*A must-read for anyone who loves the sea and the wavesJust imagine: a beach in the middle of nowhere. You can see a camper with sea view. You can hear Portuguese music coming from the speakers. The canopy is out and there are some chairs underneath. On the table is a plate of freshly grilled fish and a glass of vinho verde. Welcome to my surfer's life. Living to the rhythm of the sea The waves, the flowing shapes, the poetry of the sea: surfing is, in fact, a distinctly female sport.Lifestyle journalist Veerle Helsen went 'out-of-office' for six months, bought an old camper and traveled by herself along the Spanish and Portuguese coastline. Ever true to her motto surf, see, sleep & eat, she combines three of her passions in this book: surfing, traveling and discovering hidden gems. How about a heavenly holiday mansion where there's a tree growing through the roof? Or an architectural public swimming pool that's hidden between rocks and the sea? She searched and found camper spots so quiet she could stay there for days without seeing another soul. Secret beaches that aren't indicated on the map where one can sit back and watch the waves. Veerle Helsen dismisses the classic tourist image of Spain and Portugal and writes about a completely different world: untouched, fierce and free, with little beach bars serving the very fish they caught earlier that day, and roads wrapping themselves around cliffs and dunes, sheltered by pine trees and maintaining the view of sandcastles on the beach. While she drove, her drone was beside her on the passenger seat and her surf board was on the roof. This guide transcends the clichés and avoids the classic tourist traps. 'Sea' you soon!
