I Don't Like Poetry Joshua Seigal, 2016-09-22 Shortlisted for the Laugh Out Loud Awards - the UK's only prize for funny children's books A brilliant collection of poems by an exciting young poet, this book is perfect, whether you like poetry or not! 'When you read this book, the windows will burp and the grass will turn blue. That's how magic these poems are.' Michael Rosen Packed full of silly, funny, or downright hilarious poems (with a few serious ones mixed in) this brilliant collection from exciting young poet, Joshua Seigal is perfect for fans of Michael Rosen and anyone else who needs a giggle. If you like poetry, you'll like this book. And if you don't like poetry you'll LOVE it! With poems on every topic from the power of books to the joys of fried chicken, this collection is a fabulous mix of Joshua Seigal's subversive humour and insight into the world of children. With hilarious doodle style illustrations by Chris Piascik, if you don't like poetry after reading this, there's probably something wrong with you! Book band: Grey - Ideal for Age 8 - 9

Just a Book Anna Kristina Nikitina, 2008-02 Just a Book is a delightful set of mystical, magical short stories that will capture your imagination as you are transported to exotic worlds far, far away. Be prepared for your heart to take flight as you follow the adventures of each memorable character in this unusual collection of seven remarkable tales. True romantics everywhere will discover just a tiny bit of themselves in normal, everyday Abigail, the heroine in the title story of Just a Book. Abigail longs to become a famous writer, yet her inspiration only comes during sleep, when a warrior hero and his priestess love play out their romance in Abigail's dreams. When a transcript of her dreams becomes a bestselling book, Abigail must learn the hard truth that success can never be cherished

if the price is too steep. Each of the remaining stories in *Just a Book*, from *Embrace in Flames*, the story of Nora the doomed sorceress, to *Beloved Enemy*, the tale of Sir Sterdan, a dragon-slaying knight, are set against an unexpected concoction of both real-world and makebelieve locations. So much more than *Just a Book*, these seven short stories will delight readers with a host of unforgettable characters moving through an endless series of fascinating twists and turns of fate.

Just Peace After Conflict Carsten Stahn, Jens Iverson, 2020-09-05 The interplay between peace and justice plays an important role in any contemporary conflict. Peace can be described in a variety of ways, as being 'negative' or 'positive', 'liberal' or 'democratic'. But what is it that makes a peace just? This book draws together leading scholars to study this concept of a 'just peace', analysing different elements of the transition from conflict to peace. The volume covers six core themes: conceptual approaches towards just peace, macro-principles, the nexus to security and stability, protection of persons and public goods, rule of law, and economic reform and accountability. Contributions engage with understudied issues, such as the pros and cons of robust UN mandates, the link between environmental protection and indigenous peoples, the treatment of illegal settlements, the feasibility of vetting practices, and the protection of labour rights in post-conflict economies. Overall, the book puts forward a case that just peace requires not only negotiation, agreement, and compromise, but contextual understandings of law, multiple dimensions of justice, and strategies of prevention. This is an open access title available under the terms of a CC BY-NC-ND 4.0 International licence. It is offered as a free PDF download from OUP and selected open access locations.

Just War Theory Mark Evans, 2020-01-20 This book provides a stimulating discussion of, and introduction to, just war theory.

Just Intervention Anthony F. Lang Jr., 2003-12-01 What obligations do nations have to protect citizens of other nations? As responsibility to our fellow human beings and to the stability of civilization over many years has ripened fully into a concept of a just war, it follows naturally that the time has come to fill in the outlines of the realities and boundaries of what constitutes just humanitarian intervention. Even before the world changed radically on September 11, policymakers, scholars, and activists were engaging in debates on this nettlesome issue—following that date, sovereignty, human rights, and intervention took on fine new distinctions, and questions arose: Should sovereignty prevent outside agents from interfering in the affairs of a state? What moral weight should we give to sovereignty and national borders? Do humanitarian emergencies justify the use of military force? Can the military be used for actions other than waging war? Can national interest justify intervention? Should we kill in order to save? These are profound and troubling questions, and questions that the distinguished contributors of *Just Intervention* probe in all their complicated dimensions. Sohail Hashmi analyzes how Islamic tradition and Islamic states understand humanitarian intervention; Thomas Weiss strongly advocates the use of military force for humanitarian purposes in Yugoslavia; Martin Cook, Richard Caplan, and Julie Mertus query the use of force in Kosovo; Michael Barnett, drawing on his experience in the United Nations while it debated how best to respond to Rwandan genocide, discusses how international organizations may become hamstrung in the ability to use force due to bureaucratic inertia; and Anthony Lang ably

envelopes these—and other complex issues—with a deft hand and contextual insight. Highlighting some of the most significant issues in regard to humanitarian intervention, *Just Intervention* braves the treacherous moral landscape that now faces an increasingly unstable world. These contributions will help us make our way.

Just Love Jayne Ozanne, 2020-04-28 From one of the UK's most widely respected gay Christians comes a powerful faith memoir of overcoming inner conflict and taking a stand against one of the greatest institutional injustices of our time. *Just Love* is the autobiography of Jayne Ozanne, a prominent gay Anglican, who struggled for over 40 years to reconcile her faith with her sexuality before becoming one of the leading figures that is ushering in a new era of LGBTI acceptance in the Church. Her journey incorporates a range of powerful faith encounters with people across the world, from Argentina to Moscow and from the jungles of Burma to the White House. She gives an inside view of what it was to be a founding member of the Church of England's Archbishops' Council to working alongside international figures such as Tony Blair and the Vicar of Baghdad. At times both raw and shocking, she explains what led her to be hospitalized after seeking healing for her sexuality before becoming ostracized by many Christians after she finally deciding she had no choice but to come out. Jayne's story serves as a lifeline for LGBTI Christians struggling to reconcile their faith with their sexuality and forces the Church to reflect on the impact of its current teaching.

Just Health Care Norman Daniels, 1985-08 Norman Daniels examines the medical policies and health care dilemmas.

Just Environments David Cooper, Joy Palmer, 2005-08-18 Can we do what we want with

other species? How do conflicting international interests affect global issues? What do we owe the next generation? Just Environments investigates these questions and the ethics which lie at their core.

Just Good Friends? Jane Reynolds, 2012-11-19 Beautiful, popular and with a husband at the very top of the corporate ladder, Eleanor Geddes has it all, but behind closed doors she's a remote and deeply insecure woman with a secret fear which is about to be realised, as her husband is busy making plans which are set to blow her perfect life apart. Eleanor's friend Ruth Palmer doesn't know it yet, but she's got a problem too. Her marriage feels stale and her husband's working long hours at the office ... or is he? But Ruth's got bigger problems. A drunken kiss with her good friend Helen sets Ruth's life on a downward spiral of sexual frustration, denial and guilt. She turns to drink in a desperate attempt to fight her feelings, but a shocking declaration suddenly changes the course of three families' lives forever.

Just One Word Susie Crosby, 2018-11-06 One Word Can Inspire Unending Gratitude There is power in words. The words we read and the words we speak. Power to build and power to destroy. One word—just one—is all it takes to turn a day around. Just one word is all it takes to set your mind on the never-ending power of God's work in your life. In these delightful meditations, Susie Crosby draws out one unexpected word from a daily Scripture verse—words like “steep,” “roomy,” and “multiply.” As she explores each theme, she shows you a mighty God who is there for you, who calls you to live, and who you can invite into your day with just one word. Here you will find a simple and heartfelt recipe for keeping your eyes on Jesus throughout your week. Uncover a wealth of spiritual insight in

just one word!

Just One More Time Deborah Cooke, 2017-01-01 Kyle wants it all... Kyle Stuyvesant doesn't believe in love and romance. His parents taught him there's no such thing as forever, and he took the lesson to heart. After all, there's only one woman who ever tempted him to want more than one hot night together. Fortunately for his convictions, she's married to another guy. Problem solved—until Lauren's husband cheats and Kyle isn't just the bearer of bad news, but the man she calls for comfort... Lauren demands his all... After Lauren's marriage implodes, she wants to lose herself in pleasure. Who knows that territory better than Kyle, who once seduced her completely? Lauren never forgot that wonderful night and, now that she's suddenly single, Kyle's rule of no love or romance has a new appeal. All she wants is satisfaction, but when Kyle realizes he needs more, will he be able to convince Lauren to take a chance on forever again, this time with him? An earlier version of this story was published under the title, *Addicted to Love*.

Just Give Me Your Last Name Temi Olaniyan, 2019-06-10 *Just Give Me Your Last Name* is a book that was born out of the life of a frustrated single waiting endlessly for love. This book takes you through my journey of finding true love in singleness and becoming whole in that process. The aim of this book is to give you a different perspective to single life and to help you embrace your single journey as you hope to embrace the marriage journey. The book is about finding the silver lining in the seemingly cloud of single life and letting that lining trump the cloud until the gloss of your single life is evident to the world. My hope is that as you read this book, you will prioritize finding and giving love as a single person instead of waiting for love to find you. This book will move you to the front seat of

your single life, have you switch to cruise mode, and soar the length and breadth of singleness in confidence. This book will make you laugh, get you thinking, and ultimately, move you to action that will birth the change you always hoped for.

Just Neighborly Alexander Dean, 1925

Just in Time: Moments in Teaching Philosophy Jennifer Hockenbery, 2019-03-01

Serious philosophy is not an attempt to construct a system of beliefs, but the activity of awakening, the conversation passionately pursued. Only if professional philosophy reclaims this paradigm and finds ways to embody it, will it achieve an active place in the thought and life of our culture. --James Conlon, Stanley Cavell and the Predicament of Philosophy. This book is a collection of serious philosophical essays that aim to awaken readers, teachers, and students to a desire for conversation passionately pursued. The essays in this volume speak about sex, movies, poetry, and politics, in short, about those things contemporary Americans passionately discuss. These are the subjects that were taught for forty-three years in James Conlon's classroom at Mount Mary University, a Catholic urban university for women in Milwaukee, Wisconsin. This volume celebrates Conlon's work while calling to all who continue to teach and learn about philosophy in contemporary times with the message that relevant philosophy deals with life as it is lived in the moment.

TREATMENT FOR LONELINESS: Oprah Said, 'Just Say 'Hello!' Messenger K. Hezekiah Scipio, 2018-02-27 On February 20, 2014, media queen Oprah Winfrey launched a campaign on CNN against loneliness; she named her initiative, "Just Say Hello!" She also named as her campaign partners her long-time best friend, "CBS This Morning" co-

Anchor Gayle King, and CNN's chief medical correspondent and practicing neurosurgeon Dr. Sanjay Gupta to help fight loneliness, lift spirits, and brighten days to save lives. Researchers have said loneliness can cut off a lifespan by ten years. Oprah's initiative, if successful, could add ten years of existence to lonely lives, but Oprah is not the first celebrity to launch such altruistic enterprise: Stevie Wonder went that route in 1984 with I Just Called to Say I Love You, and in 1985, Michael Jackson, Lionel Richie, Quincy Jones and a host of superstars with We Are the World. Had those earlier initiatives succeeded, Oprah's campaign might not be necessary. But, there are also available often overlooked very precious time-tested scientifically backed biblical formulas for combating loneliness some of which are cited in this book in the hope that, perhaps, Oprah and her team may consider using their celebrity positions to help America focus on the things of GOD. For, "no eye has seen, nor ear has heard, and human mind has conceived the things God has prepared for those who love him" (1Cor. 2:9). Hz

Just Let 'Em Sell Steven Henry, 2008-09-23 In this book I will show you simple and creative ways of looking at the sales process. Ideas, supported by real life examples, are shared on how to simplify the motivation and management of your sales team. As many companies attempt to control a sales team I suggest ways to remove duties that inhibit the selling process. We will review improvement techniques to strengthen relations and ultimately revenues from channels to market and customers. The book lays out productivity measurements as well as a very successful and growth based compensation plan. The real message in this book is the need to simplify the sales process, open the door for more selling time which then is proven to increase sales revenues to beat the company

plan year after year.

Life Isn't Just Passing Me By: It's Running Me Over Michelle Kismoky, 2010 A down-in-the trenches, hilarious send-up of everyday events that most people rarely take the time to notice. A sidesplitting look at the raw side of everyday existence and a kind-yet stern-reminder to lighten up whenever possible.

Just telling it! Part 1 ,

I just got saved... What's next? Leonard Sampson, 2013-07-24 This book is all about spiritual guidance. It is meant to provide information on all levels of spirituality, from the person that knows absolutely nothing about Christ to those how are seasoned believers. There is truly something for everyone in this book. It provides an easy-to-follow step-by-step guidance to growth in the ways of Christ. Most oftentimes, people who are new to the church atmosphere really don't know what to expect or do. There is a ton of spiritual references but not like this. We hold nothing back and really put before you a foundational understanding of how to be totally successful in your walk with Christ.

Just What the Cowboy Needed Teresa Southwick, 2018-01-01 When a rancher opens his home to a nanny for his young daughter, he finally opens his heart to love and happily ever after. Never fall in love. Never get married. Logan Hunt knows all the things he doesn't want. But his daughter needs a summer nanny and darn if Grace Flynn doesn't fit the bill . . . and then some. The sweetly alluring kindergarten teacher is showing the die-hard bachelor a thing or two about fatherhood. It's her effect on his libido—and heart—that's keeping him up nights. Did Grace really think her crush on Logan would magically vanish when she moved in with him and his adorable little girl? Still, she never

thought the brooding rancher with the intense baby blues would turn out to be the cowboy of her dreams! All she ever wanted was a real home. Could her place to belong be with this unexpected family man?

Just Book Review: Unveiling the Magic of Language

In a digital era where connections and knowledge reign supreme, the enchanting power of language has become more apparent than ever. Its ability to stir emotions, provoke thought, and instigate transformation is really remarkable. This extraordinary book, aptly titled "**Just**," published by a very acclaimed author, immerses readers in a captivating exploration of the significance of language and its profound effect on our existence. Throughout this critique, we shall delve into the book's central themes, evaluate its unique writing style, and assess its overall influence on its readership.
