Numerology Reveals Your All Archbishop Frank Bugge,2014-03-24 Numerology Reveals Your All Great mathematicians have stated that the whole Universe exists because of numbers...and that everything in creation has a resonant frequency or vibration, whether it be light, sound or water...or ourselves. This rare system of Numerology is for the primary purpose of getting to know one's self -- to realize the shortcomings of our own personality, and help in overcoming them. The author has used this art of Numerology for over thirty years to counsel and understand those who are in need of help. Like any other skill, he advises, do not for one moment think you shall gain the instant ability to use this system without some practice, but with very little effort you will soon see the results and will improve with each time you read a birth date. The accuracy of the system will never cease to astound as your ability grows. As a child, Archbishop Frank Bugge could see and hear the Spirit world and has made a lifetime study of worldwide mystical traditions, teachings and practices. He has used this system of Numerology in his own spiritual work and has taught many professional counselors. He is the presiding Archbishop of the Australian Branch of the Worldwide Catholic Apostolic Church of Antioch, Melbourne, Australia.
