Dancing with a stranger ,

A Wall of White Jennifer Woodlief, 2010-02-23 One of the most amazing survival stories ever told -- journalist Jennifer Woodlief's gripping account of the deadliest ski-area avalanche in North American history and the woman who survived in the face of incalculable odds. On the morning of March 31, 1982, the snow had already been falling at a record rate for four days at Alpine Meadows ski resort near Lake Tahoe, California. For the vacationers and employees at the resort, this day would change their lives forever. The unprecedented avalanche that day at Alpine Meadows was a once-in-a-lifetime catastrophe. Much like the nor'easter that bedeviled the fishermen in Sebastian Junger's *The Perfect Storm*, an unforeseeable confluence of natural events created the conditions for an unimaginable disaster -- and, in one woman's case, an astonishing ordeal of survival. Jennifer Woodlief movingly tells the story of the massive slab avalanche that killed seven and left one victim buried alive under the snow. In this freak event, millions of tons of snow roared into the ski area and beyond, engulfing unsuspecting vacationers as well as resort employees working in spite of the danger. At the center of this wrenching tale of nature's fury are ski patrolman Larry Heywood and his team, who heroically fought with the help of a search-and-rescue dog to save a twenty-two-year-old woman trapped for five days underneath the suffocating snow -- a tale of survival that is itself an exploration of the capacity of courage. Written with all the suspense of a thriller, *A Wall of White* is an inspiring story of a group of strangers brought together by an inconceivable calamity -- a testament to the unwavering dedication of a band of rebel rescuers, driven only by a commitment to saving lives, battling not just extreme conditions but seemingly impossible odds.

Circus of the Dead Book Twelve Kimberly Loth, Juliette never wants to see Samuel again. Things between them are icy and cold, but she manages to keep things civil. However, as the clues in the case reveal the true monster, Juliette isn't sure she'll ever be able to trust anyone again.

Smoothies Over Sarcasm KJ Cerys, 2021-12-15 Katy, aka Hellcat, trained in close combat and was often brought in to humble soldiers when egos were bigger than their skills could back up, and the top asset for situation briefs in the White House. When assigned to the Alpha Angels unit, she chose mission planning for the Combat Controllers. During a multiunit task to take care of a situation all four of the Alpha Angels had stake in, Katy took the position as the Angel in Charge and watched Eric, aka Marine Raider Raphael, go rogue to save a dozen lives no one had known were on site, one of them a kid who had been separated from the rest. Hers was the last signature needed to approve a plan the Angels or their units would complete, and she was the one who determined which tasks were assigned to what units the Angels worked with, thereby setting any planning session into motion. Fast forward eight years, the Alpha Angels had transitioned to civilian life as well as could be expected, forming the Alpha Sorority: Angels chapter, or ASAs. They built business and worked with charities to help their chosen hometown of Everywhere thrive while covertly cleaning up the streets to make it a safe place for all in the community to call home. For her role, Katy chose to be a substitute teacher to be close to their legal guardee by day and had her share of cleanup duty by night, all her efforts failing to drown out the silence that had descended when their leads had retired them and the connection with Eric was abruptly severed. Between days at the high school, evenings training a multiunit task force, and taking out the trash at night, ASA Angel Katy is trying to move on until one of the former commanders she worked closely with as part of the Angels informed her that her Raider was moving to town. Missing him had been crippling, but she was convinced he would only ever want her as the Angel in his ear, not real her. Fear of losing even fantasy Eric was too immense, so despite knowing he was her only shot at a happy ever after, she was very aware he was the only one who could destroy her, and the cost of which would be the loss of the dream of him. But just what was an Angel to do when fate intervenes...

Spider Bones Kathy Reichs, 2014-10-14 A complex and riveting tale of deceit and murder unfolds in this repackaged of the thirteenth thrilling novel in Reichs's cleverly plotted and expertly maintained series (The New York Times Book Review). John Lowery was declared dead in 1968—the victim of a Huey crash in Vietnam, his body buried long ago in North Carolina. Four decades later, Temperance Brennan is called to the scene of a drowning in Hemmingford, Quebec. The victim appears to have died while in the midst of a bizarre sexual practice. The corpse is later identified as John Lowery. But how could Lowery have died twice, and how did an American soldier end up in Canada? Tempe sets off for the answer, exhuming Lowery's grave in North Carolina and taking the remains to Hawaii for reanalysis—to the headquarters of JPAC, the U.S. military's Joint POW/ MIA Accounting Command, which strives to recover Americans who have died in past conflicts. In Hawaii, Tempe is joined by her colleague and ex-lover Detective Andrew Ryan (how ex is he?) and by her daughter, who is recovering from her own tragic loss. Soon another set of remains is located, with Lowery's dog tags tangled among them. Three bodies—all identified as Lowery. And then Tempe is contacted by Hadley Perry, Honolulu's flamboyant medical examiner, who needs help identifying the remains of an adolescent boy found offshore. Was he the victim of a shark attack? Or something much more sinister?

The Carnelian Queen Laurie A. Perkins, 2010-03-01 Katy Trecartin tries to start a new life for herself by house sitting for a

vacationing family in the suburbs of Boston. Her dead husband leaves a hidden legacy that thrusts her into danger in her new home. This story has Katy researching the origins of an ancient carnelian pendant, finding romance and running for her life.

The Player's Game Alice Gaines, 2020-07-13 I've got to admit, life is sweet these days. As a starting NFL quarterback, I do okay, and I haven't been lacking for female companionship. But I'd give it all up in a heartbeat if I could get back the woman I loved and lost—my ex-wife, Katy. Now I'm at a wedding, watching one of my best friends tie the knot. I'm happy for him—really. I just wish things had turned out better when I'd taken that walk down the aisle. Still, those days are over. I'm on my way up to my room when I run into my ex in the elevator. It's like karma. Has to be. Only she's with some random guy, who's getting a little too handsy for my liking. I can't help myself—I have to say something. Something that ruins her night...and mine, too. Now, I'm sitting alone in my hotel room, when suddenly, Katy's at my door, complaining that I ruined her 30th birthday. Her solution—that I give her the night of sexual adventure I'd derailed in the elevator. I never was very good at saying no to her...
