Hunter Killer Brad Taylor, 2020-01-07 Pike Logan tracks highly-trained Russian assassins to Brazil in this blistering, action-packed thriller from New York Times bestselling author and former Special Forces Officer Brad Taylor. "It's an excellent read, and I greatly enjoyed it." —Nelson DeMille

Pike Logan and the Taskforce were once the apex predators, an unrivaled hunting machine that decimated those out to harm the United States, but they may have met their match. While Pike Logan and Jennifer Cahill prepare to join their team on a counter-terrorist mission in the triple frontier—the lawless tri-border region where Argentina, Brazil, and Paraguay meet—they are targeted in Charleston, South Carolina. A vicious explosion kills a friend, and the perpetrators have set it up to look like an accident. While the authorities believe this was not foul play, Pike knows the attack was meant for him. When he loses contact with the team in South America, Pike is convinced he and the Taskforce are under assault. His men are the closest thing to family that Pike has, which means he will do anything, even ignore direct orders to stand down, to find them. Pike and Jennifer head to Brazil to investigate their disappearance and run headlong into a crew of Russian assassins. Within days they are entangled in a byzantine scheme involving Brazilian politics and a cut-throat battle for control of offshore oil fields. Forged in combat, the Russians are the equal of anything the Taskforce has encountered before, but they make a mistake in attacking Pike's team, because Pike has a couple of elite Israeli assassins of his own. And Pike will stop at nothing to protect his family.

Michaud, Hugh Aynesworth, 2019-07-02 In a series of death row interviews done shortly before his execution, infamous serial killer Ted Bundy gave a third-person confession of his many murders. This definitive book on Bundy was recently made into a Netflix documentary. What goes on in the mind of a serial killer? Drawn from more than 150 hours of exclusive tape-recorded interviews with the handsome, charismatic Bundy, whose grisly killing spree left at least 30 young women dead across seven states between 1974 and 1978, this chilling exposé provides a shocking self-portrait of one of the most savage sex murderers in history. Speaking eerily in the third person, Bundy reveals appalling details about his crimes, discloses how he attracted his victims, explains how he methodically disguised his acts, and recounts his two daring jailbreaks. Ted Bundy Al Cimino, 2019-05-15 On first impressions, Ted Bundy seemed like the perfect all-American boy. He was good-looking, fun and very charming; many women found him irresistible... But deep inside he was an evil monster who terrorised large areas of America, assaulting and murdering numerous women and adolescent girls. He used his insider knowledge of law enforcement

to evade detection, escaping from imprisonment twice before his eventual capture. While he confessed to 30 killings, the real figure was probably much higher and many of the bodies have never been found. Crime writer and journalist Al Cimino delves into this astonishing and tragic tale, providing a detailed account of Bundy's crimes and the twisted manipulations of his victims. This is the story of a chameleon-like psychopath and necrophile who lured innocent victims to a horrible end.

The Killer's Wife Bill Floyd, 2008-03-04 Six years after her courageous testimony helped put her husband on death row for a string of gruesome murders, Leigh Wren has almost succeeded in putting her past to rest. She has moved from the West Coast to North Carolina with her young son, adopting a new name and a new life. But the world that she has created for herself is shattered when the father of one of her ex-husband's victims begins stalking her, then confronts her late one night. In the days that follow, he exposes Leigh, in newspapers and on television, to a startled North Carolina community. And just as her marriage to Randall Mosley, a man who became known to the world as a deviant serial killer, is brought back to light, a more deadly game of cat and mouse ensues. A new killer has emerged, one whose methods are frighteningly similar to those used by Mosley, who is awaiting execution thousands of miles away. Leigh and her son appear to be in the assailant's scope, and it becomes clear that he is more than a copycat killer—his targets are all tied to Leigh's former life. With the clock

ticking down and the victims of a new killer mounting, Leigh is forced to probe the darkest corridors of her past to protect her life and her son's. She must also confront her own feelings of responsibility: Leigh has always professed her ignorance, but how complicit was she in her husband's horrific murder spree, as it was taking place? From a major new voice in suspense, *The Killer's Wife* is a story driven by psychological insight and harrowing revelations, asking how well you can ever really know the person sleeping beside you.

The I-5 Killer Ann Rule, 2022-01-04 Previously publisher under the pseudonym Andy Stack.--Title page verso.

Tantamount Blaine L. Pardoe, Victoria R. Hester, 2019-10-01 A cold case investigation of a notorious serial killer who terrorized 1970s Washington D.C. by the New York Times bestselling true crime coauthors. In 1971 and 1972, a deadly predator stalked the streets of the nation's capital. His targets were young girls whose fates included rape and torture before their brutalized corpses were left in plain view along busy roadways. Seven victims ranging from the ages of ten to eighteen died in his hands. On one victim he left a note, taunting police and claiming the media's name for him: The Freeway Phantom. Then, as abruptly as he started, the Freeway Phantom stopped. Decades later, Washington DC's oldest unsolved serial killing spree is pried open with the suspects, the liars, and the evidence laid bare. Father-daughter true crime investigators Blaine Pardoe and Victoria Hester

shed new light and provide tantalizing new clues as to who the Freeway Phantom may be.

"K" is for Killer Sue Grafton, 2009-11-03 Lorna Kepler was beautiful and willful, a loner who couldn't resist flirting with danger. Maybe that's what killed her. Her death had raised a host of tough questions. The cops suspected homicide, but they could find neither motive nor suspect. Even the means were mysterious: Lorna's body was so badly decomposed when it was discovered that they couldn't be certain she hadn't died of natural causes. In the way of overworked cops everywhere, the case was gradually shifted to the back burner and became another unsolved file. Only Lorna's mother kept it alive, consumed by the certainty that somebody out there had gotten away with murder. In the ten months since her daughter's death, Janice Kepler had joined a support group, trying to come to terms with her loss and her anger. It wasn't helping. And so, leaving a session one evening and noticing a light on in the offices of Millhone Investigations, she knocked on the door. In answering that knock, Kinsey Millhone is pulled into the netherworld of unavenged murder, where only a pact with the devil will satisfy the restless ghosts of the victims and give release to the living they have left behind. Eleven books into the series that has won her readers around the world, Sue Grafton takes a darkside turn, pitching us into a shadow land of pain and grief where killers still walk free, unaccused, unpunished, unrepentant. With *K is for Killer* she offers a tale that is dark, complex, and deeply

disturbing. My Sister, the Serial Killer Oyinkan Braithwaite, 2019-07-30 ONE OF TIME MAGAZINE'S 100 BEST MYSTERY AND THRILLER BOOKS OF ALL TIME • BOOKER PRIZE NOMINEE • "A taut and darkly funny contemporary noir that moves at lightning speed, it's the wittiest and most fun murder party you've ever been invited to." —MARIE CLAIRE Korede's sister Ayoola is many things: the favorite child, the beautiful one, possibly sociopathic. And now Ayoola's third boyfriend in a row is dead, stabbed through the heart with Ayoola's knife. Korede's practicality is the sisters' saving grace. She knows the best solutions for cleaning blood (bleach, bleach, and more bleach), the best way to move a body (wrap it in sheets like a mummy), and she keeps Ayoola from posting pictures to Instagram when she should be mourning her "missing" boyfriend. Not that

she gets any credit. Korede has long been in love with a kind, handsome doctor at the hospital where she works. She dreams of the day when he will realize that she's exactly what he needs. But when he asks Korede for Ayoola's phone number, she must reckon with what her sister has become and how far she's willing to go to protect her.

Confessions of a Gentleman Killer Johnny Payne, 2020-10-15 London, 1843 He hadn't planned to become a murderer. In fact, he had dreamed of graduating from Oxford, settling down with Cecilia, the love of his life, opening a small law practice, having a child, and stealing away from his overbearing in-laws. That's not what happened. Kilcairn is a brilliant man with a philosopher's mind, ambitious and capable, gentle and thoughtful. But when his life begins to unravel, blood lust overtakes him and his life of crime begins. Was the urge always there? If not, who pulled the string that began his demise? An intimate peek into one serial killer's mind, *Confessions of a Gentleman Killer* asks readers just what motivates a man who, otherwise, would be the perfect gentleman.

The Riverman Robert D. Keppel, William J. Birnes, 2010-05-20 After a search of over twenty years, one of America's most elusive serial killers was finally apprehended. Now, read the true story of one man's attempt to get inside the mind of the Green River Killer July 15, 1982: 3 woman's strangled body was found, caught on the pilings of Washington state's Green River. Before long, the Green River Killer would be suspected in at least forty-nine

more homicides, with no end in sight. Then the authorities received an unbelievable letter from the infamous serial killer Ted Bundy -- then on Florida's death row -- offering to help catch the Green River Killer. But he would only talk to one man: Robert Keppel, the former homicide detective who had helped track Bundy's cross-county killing spree. Now these conversations are revealed, in which Bundy speculates about the motive and methods of the Green River Killer -- and reveals his own twisted secrets as well. Now, as never before, we look into the face of evil...and into the heart of a killer.
