**Verily, Verily** Jon Sweeney,2011-01-04 As historian Tony Lane once noted, without the King James Version of the Bible, it can be speculated that, there would be no Paradise Lost ... no Pilgrim's Progress ... no Negro spirituals ... no Gettysburg Address. And even though today there are more accurate and contemporary translations of the Bible, the KJV reigns supreme in the English-speaking world. It is printed and circulated more widely than any other version. The everlasting literary power of this phenomenal volume is unarguable. But how did this remarkable work originate? What were the historical circumstances driving its completion? What sorts of errors (many of them outright hysterical) crept into the translation? Why does it still outsell every other English translation?Verily, Verily offers an informative, inspirational, and light-hearted look into how the world's most popular Bible was created and why it is still important. Jon M. Sweeney reflects on the cultural importance, spiritual value, beautiful phrasings, and occasional humor of the King James Bible. And Sweeney shows why the KJV has been the most important entry into the Christian scriptures for the English-speaking world and a new understanding of why it is still worth reading.

**Concealed from Christians for the Glory of God: The 1611 KJV The King James Bible Authorized Version** G. John R\_v,2019-02-20 Christians everywhere are in the darkness of Deism regarding the Bible. Are you one of them? Deism believes God brings forth, then shows indifference toward finishing. This book asks: At what stage did God take His Holy Spirit away from the finishing details of the Bible? Did God gather the books and order them? Divide and number the chapters and verses? Translate a Bible, choosing its words down to the letters? Did God put Jesus' words in red? In this book, by grace through faith, you will be made strong in knowing and understanding the way of the Father in life in the raising of the Bible from the seed Hebrew Old Testament, to the growth of the Greek New Testament, unto the maturity in the English finished and perfected Bible, the King James Bible.

KJV Or Kjb? John F. Scheel, Ph.d.,2017-03-09 This book is not an exhaustive treatise on the King James Bible nor is it intended to be. The author's intention is to show that the King James Bible is the reliable, authoritative Bible to the English-speaking world. Sadly, there is an attack on the King James Bible even from Pentecostal leaders themselves. This is unwarranted and should not gain any favor with the true, authentic people of God! Actually, much research has been done on this subject throughout the hundreds of years the King James Bible has been in existence. This book assembles much knowledge that has already been discovered and proclaimed in one way or another throughout these years. Much of the book is written in first-person because it was gleaned from a series of Sunday Bible lessons taught in the author's church. This book is not an exhaustive treatise on the King James Bible nor is it intended to be.

Isn't the KJV Perfect? Daniel J. Baxter,2012-03-01 This book was not written in effort to bash the Bible or the KJV. This book exposes the problems with the belief of translation inspiration and proves that all translations, including the King James Version, contain errors. After reading this book you will understand how the KJV Only belief came to be and why it is not true, who King James was and why he had the Bible translated, who were the translators and more. This book exposes the errors and corruption inside the KJV as well as the reasoning behind those who hold the KJV Only belief. Inside the pages of this book you will learn questions to ask those who believe the KJV is inerrant or inspired and how to respond to questions those individuals typically ask of those who do not share their belief. This book shows how charts are made to look like modern translations are guilty of many things of which the KJV is also guilty. There is so much information packed into this book you won't want to put it down.
