

Land

T. J. Ferguson, Chip Colwell

Land: How the Hunger for Ownership Shaped the Modern World Simon Winchester, 2021-01-19 From the bestselling author Simon Winchester, a human history of land around the world: who mapped it, owned it, stole it, cared for it, fought for it and gave it back.

Trust in the Land Beth Rose Middleton Manning, 2011-02-15 “The Earth says, God has placed me here. The Earth says that God tells me to take care of the Indians on this earth; the Earth says to the Indians that stop on the Earth, feed them right. . . . God says feed the Indians upon the earth.” —Cayuse Chief Young Chief, Walla Walla Council of 1855 America has always been Indian land. Historically and culturally, Native Americans have had a strong appreciation for the land and what it offers. After continually struggling to hold on to their land and losing millions of acres, Native Americans still have a strong and ongoing relationship to their homelands. The land holds spiritual value and offers a way of life through fishing, farming, and hunting. It remains essential—not only for subsistence but also for cultural continuity—that Native Americans regain rights to land they were promised. Beth Rose Middleton examines new and innovative ideas concerning Native land conservancies, providing advice on land trusts, collaborations, and conservation groups. Increasingly, tribes are working to protect their access to culturally important lands by collaborating with Native and non- Native conservation movements. By using private conservation partnerships to reacquire lost land, tribes can ensure the health and sustainability of vital natural resources. In particular, tribal governments are using conservation easements and land trusts to reclaim rights to lost acreage. Through the use of these and other private conservation tools, tribes are able to protect or in some cases buy back the land that was never sold but rather was taken from them. *Trust in the Land* sets into motion a new wave of ideas concerning land conservation. This informative book will appeal to Native and non-Native individuals

and organizations interested in protecting the land as well as environmentalists and government agencies.

Mother Land Leah Franqui, 2020-07-14 “Lively and evocative, Mother Land is a deftly crafted exploration of identity and culture, with memorable and deeply human characters who highlight how that which makes us different can ultimately unite us.”—Amy Myerson, author of *The Bookshop of Yesterdays* and *The Imperfects* From the critically acclaimed author of *America for Beginners*, a wonderfully insightful, witty, and heart-piercing novel, set in Mumbai, about an impulsive American woman, her headstrong Indian mother-in-law, and the unexpected twists and turns of life that bond them. When Rachel Meyer, a thirtysomething foodie from New York, agrees to move to Mumbai with her Indian-born husband, Dhruv, she knows some culture shock is inevitable. Blessed with a curious mind and an independent spirit, Rachel is determined to learn her way around the hot, noisy, seemingly infinite metropolis she now calls home. But the ex-pat American’s sense of adventure is sorely tested when her mother-in-law, Swati, suddenly arrives from Kolkata—a thousand miles away—alone, with an even more shocking announcement: she’s left her husband of more than forty years and moving in with them. Nothing the newlyweds say can budge the steadfast Swati, and as the days pass, it becomes clear she is here to stay—an uneasy situation that becomes more difficult when Dhruv is called away on business. Suddenly these two strong-willed women from such very different backgrounds, who see life so differently, are alone together in a home that each is determined to run in her own way—a situation that ultimately brings into question the very things in their lives that had seemed perfect and permanent . . . with results neither of them expect. Heartfelt, charming, deeply insightful and wise, *Mother Land* introduces us to two very different women from very different cultures . . . who maybe aren’t so different after all.

The Shadow Land Elizabeth Kostova, 2017-04-11 From the #1

bestselling author of *The Historian* comes a mesmerizing novel that spans the past and the present—and unearths the troubled history of a gorgeous but haunted country. A young American woman, Alexandra Boyd, has traveled to Sofia, Bulgaria, hoping that life abroad will salve the wounds left by the loss of her beloved brother. Soon after arriving in this elegant East European city, however, she helps an elderly couple into a taxi—and realizes too late that she has accidentally kept one of their bags. Inside she finds an ornately carved wooden box engraved with a name: Stoyan Lazarov. Raising the hinged lid, she discovers that she is holding an urn filled with human ashes. As Alexandra sets out to locate the family and return this precious item, she will first have to uncover the secrets of a talented musician who was shattered by political oppression—and she will find out all too quickly that this knowledge is fraught with its own danger. Elizabeth Kostova's new novel is a tale of immense scope that delves into the horrors of a century and traverses the culture and landscape of this mysterious country. Suspenseful and beautifully written, it explores the power of stories, the pull of the past, and the hope and meaning that can sometimes be found in the aftermath of loss. Praise for *The Shadow Land* "A compelling and complex mystery, strong storytelling, and lyrical writing combine for an engrossing read."—*Publishers Weekly* "In *The Shadow Land*, Elizabeth Kostova, a master storyteller, brings vividly to life an unfamiliar country—Bulgaria—and a painful history that feels particularly relevant now. You won't want to put down this remarkable book."—Claire Messud, author of *The Woman Upstairs* "In this brilliant work, what appears at first a minor mystery quickly becomes emblematic of a whole country's hidden history. Lyrical and compelling, *The Shadow Land* proves a profound meditation on how evil is inflicted, endured, and, through courage and compassion, defeated. Elizabeth Kostova's third novel clearly establishes her as one of America's finest writers."—Ron Rash, author of *The Risen*

Jesus Land Julia Scheeres, 2012-10-30 New York Times bestseller: An “exquisitely wrought memoir” about how “love can flourish even in the harshest climates”—for readers of *The Liar’s Club* and *Running with Scissors* (People). This poignant, darkly funny account of two siblings—one white, one Black—growing up in the Christian fundamentalist communities of Indiana and the Dominican Republic is “one of the best memoirs in years” (Anne Lamott, author of *Bird by Bird*). Julia and her adopted brother, David, are 16 years old. Julia is white. David is black. It is the mid-1980s and their family has just moved to rural Indiana, a landscape of cottonwood trees, trailer parks, and an all-encompassing racism. At home are a distant mother—more involved with her church’s missionaries than her own children—and a violent father. In this riveting and heartrending memoir, Julia Scheeres takes us from the Midwest to a place beyond imagining. Surrounded by natural beauty, Escuela Caribe—a religious reform school in the Dominican Republic—is characterized by a disciplinary regime that extracts repentance from its students by any means necessary. Julia and David strive to make it through these ordeals and their tale is relayed here with startling immediacy, extreme candor, and wry humor. Over a decade after its first publication, *Jesus Land* remains deeply resonant with readers. This New York Times bestselling memoir is a gripping tale of rage and redemption, hope and humor, morality and malice—and most of all, the truth: that being a good person takes more than just going to church.

History Is in the Land T. J. Ferguson, Chip Colwell, 2015-09-01 Arizona’s San Pedro Valley is a natural corridor through which generations of native peoples have traveled for more than 12,000 years, and today many tribes consider it to be part of their ancestral homeland. This book explores the multiple cultural meanings, historical interpretations, and cosmological values of this extraordinary region by combining archaeological and historical sources with the ethnographic perspectives of four

contemporary tribes: Tohono O’odham, Hopi, Zuni, and San Carlos Apache. Previous research in the San Pedro Valley has focused on scientific archaeology and documentary history, with a conspicuous absence of indigenous voices, yet Native Americans maintain oral traditions that provide an anthropological context for interpreting the history and archaeology of the valley. The San Pedro Ethnohistory Project was designed to redress this situation by visiting archaeological sites, studying museum collections, and interviewing tribal members to collect traditional histories. The information it gathered is arrayed in this book along with archaeological and documentary data to interpret the histories of Native American occupation of the San Pedro Valley. This work provides an example of the kind of interdisciplinary and politically conscious work made possible when Native Americans and archaeologists collaborate to study the past. As a methodological case study, it clearly articulates how scholars can work with Native American stakeholders to move beyond confrontations over who “owns” the past, yielding a more nuanced, multilayered, and relevant archaeology.

Rosa's Land Gilbert Morris, 2013 Readers will join Lafayette Riordan as he chases his dream of becoming a Wild West marshal. Will he capture the outlaws--and the heart of beautiful Rosa Ramirez?

Circular from the General Land Office Showing the Manner of Proceeding to Obtain Title to Public Lands Under the Homestead, Desert Land, and Other Laws United States. General Land Office, 1895

This Tender Land William Kent Krueger, 2019-09-03 INSTANT NEW YORK TIMES BESTSELLER! “If you liked *Where the Crawdads Sing*, you’ll love *This Tender Land*...This story is as big-hearted as they come.” —Parade The unforgettable story of four orphans who travel the Mississippi River on a life-changing odyssey during the Great Depression. In the summer of 1932, on the banks of Minnesota’s Gilead River, Odie O’Banion is an orphan confined to

the Lincoln Indian Training School, a pitiless place where his lively nature earns him the superintendent's wrath. Forced to flee after committing a terrible crime, he and his brother, Albert, their best friend, Mose, and a brokenhearted little girl named Emmy steal away in a canoe, heading for the mighty Mississippi and a place to call their own. Over the course of one summer, these four orphans journey into the unknown and cross paths with others who are adrift, from struggling farmers and traveling faith healers to displaced families and lost souls of all kinds. With the feel of a modern classic, *This Tender Land* is an enthralling, big-hearted epic that shows how the magnificent American landscape connects us all, haunts our dreams, and makes us whole.

Programme of the Land Tenure Reform Association Land Tenure Reform Association, John Stuart Mill, 1871

The Origin of Property in Land Fustel de Coulanges, 1891

The Pure Land Alan Spence, 2007-12-01 A "lively and epic . . . thoughtful and vivid" historical novel based on the true story that inspired *Madame Butterfly* and *Miss Saigon* (Publishers Weekly). The year is 1858. Thomas Glover is a gutsy eighteen-year-old in Aberdeen who grasps the chance of escape to foreign lands and takes a posting as a trader in Japan. Within ten years he amasses a great fortune, plays a huge role in modernizing Japan, and, on the other side of the law, brings about the overthrow of the shogun. Yet beneath Glover's astonishing success lies a man cut to the heart. His love affair with a courtesan—a woman who, unknown to him, would bear him the son for whom he had always longed—would inform a tragedy so heartrending that it would become immortal. "Part thrilling adventure, part lyrical reflection, and characterized by Spence's pure vision", *The Pure Land* spans the feudal and the atomic ages, East and West, global history and the private passions of the Scottish merchant-turned-Nagasaki tycoon and hero (Sunday Herald). The result is "a page-turner of the first order. Not merely an engaging and vivid historical novel, but also a meditative work of art that is as finely honed as a

samurai's sword" (The Times, London).
