Adolf Galland

The Last Hanna Jameson, 2019-04-09 This propulsive post-apocalyptic thriller “in which Agatha Christie’s *And Then There Were None* collides with Stephen King’s *The Shining*” (NPR) follows a group of survivors stranded at a hotel as the world descends into nuclear war and the body of a young girl is discovered in one of the hotel’s water tanks. Jon thought he had all the time in the world to respond to his wife’s text message: I miss you so much. I feel bad about how we left it. Love you. But as he’s waiting in the lobby of the L’Hotel Sixieme in Switzerland after an academic conference, still mulling over how to respond to his wife, he receives a string of horrifying push notifications. Washington, DC, has been hit with a nuclear bomb, then New York, then London, and finally Berlin. That’s all he knows before news outlets and social media goes black—and before the clouds on the horizon turn orange. Two months later, there are twenty survivors holed up at the hotel, a place already tainted by its strange history of suicides and murders. Jon and the rest try to maintain some semblance of civilization. But when he goes up to the roof to investigate the hotel’s worsening water quality, he is shocked to discover the body of a young girl floating in one of the tanks, and is faced with the terrifying possibility that there might be a killer among the group. As supplies dwindle and tensions rise, Jon becomes obsessed with discovering the truth behind the girl’s death. In this “brilliantly executed...chilling and extraordinary” post-apocalyptic mystery, “the questions Jameson poses—who will be with you at the end of the world, and what kind of person will you be?—are as haunting as the plot itself.” (Emily St. John Mandel, nationally bestselling author of *Station Eleven*).

Last Looks, Last Books Helen Vendler, 2010-03-01 Modern American poets writing in the face of death In *Last Looks, Last Books*, the eminent critic Helen Vendler examines the ways in which five great modern American poets, writing their final books, try to find a style that does justice to life and death alike. With traditional religious consolations no longer available to them, these poets must invent new ways to express the crisis of death, as well as the paradoxical coexistence of a declining body and an undiminished consciousness. In *The Rock*, Wallace Stevens writes simultaneous narratives of winter and spring; in *Ariel*, Sylvia Plath sustains melodrama in cool formality; and in *Day by Day*, Robert Lowell subtracts from plenitude. In *Geography III*, Elizabeth Bishop is both caught and freed, while James Merrill, in *A Scattering of Salts*, creates a series of self-portraits as he dies, representing himself by such things as a Christmas tree, human tissue on a laboratory slide, and the evening/morning star. The solution for one poet will not serve for another; each must invent a bridge from an old style to a new one. Casting a last look at life as they contemplate death, these modern writers enrich the resources of lyric poetry.

The Last Book You'll Ever Read Cullen Bunn, 2022-09-20 A supernatural horror thriller for readers of Chuck Palahniuk (*Lullaby* and *Haunted: A Novel*), Marisha Pessl, (*Night Film*), and Scarlett Thomas (*The End of Mr. Y*), *The Last Book You'll Ever Read* tells the terrifying story of a woman who knows the horrific truth about the past – and future – of humankind, and, when captured in her book *SATYR*, it becomes the catalyst for worldwide, mind-numbing violence Read this book at your own peril. Olivia Kade wrote the book that ended the world. Now she needs someone who won't read it. Civilization is a lie. Hidden deep in our genes is the truth. And it is slowly clawing its way to the surface. Olivia Kade knows the truth, and she has become the prophet of the coming collapse. Her book, *SATYR*, is an international bestseller, and it is being blamed for acts of senseless violence and bloodshed all over the world. Olivia's own life is in danger from those who have read her work. Determined to conduct a book tour, she hires security professional Connor Wilson to act as her bodyguard. She only has one requirement: he cannot read her work. John Carpenter’s *In the Mouth of Madness* meets Chuck Palahniuk’s *Lullaby* in this terrifyingly dangerous tale of the descent of humankind where reality and fantasy collide. Collects the entire smash 8-issue series. For fans of Stephen Graham Jones, Stephen King, Chuck Palahniuk, Alma Katsu, *The Ring*, and *The Ninth Gate*. I truly hope this terrific horror comic is in no way prescient or timely. – Patton Oswalt “...perfectly disturbing and mysterious.” – The Beat

The Last Book Party Karen Dukess, 2019-07-09 *A July 2019 Indie Next List Great Read* *One of Parade's Most Anticipated Books of Summer 2019* *An O Magazine Best Beach Read of 2019* *A New York Post Best Beach Read of 2019* “The Last Book Party is a delight. Reading this story of a young woman trying to find herself while surrounded by the bohemian literary scene during a summer on the Cape in the late '80s, I found myself nodding along in so many moments and dreading the last page. Karen Dukess has rendered a wonderful world to spend time in.” –Taylor Jenkins Reid, New York Times bestselling author of *Daisy Jones & The Six* A propulsive tale of ambition and romance, set in the publishing world of 1980’s New York and the timeless beaches of Cape Cod. In the summer of 1987, 25-year-old Eve Rosen is an aspiring writer languishing in a low-level assistant job, unable to shake the shadow of growing up with her brilliant brother. With her professional ambitions floundering, Eve jumps at the chance to attend an early summer gathering at the Cape Cod home of famed New Yorker writer Henry Grey and his poet wife, Tillie. Dazzled by the guests and her burgeoning crush on the hosts’ artistic son, Eve lands a new job as Henry Grey’s research assistant and an invitation to Henry and Tillie’s exclusive and famed Book Party—where attendees dress as literary characters. But by the night of the party, Eve discovers uncomfortable truths about her summer entanglements and understands that the literary world she so desperately wanted to be a part of is not at all what it seems. A page-turning, coming-of-age story, written with a lyrical sense of place and a profound appreciation for the sustaining power of books, Karen Dukess's *The Last Book Party* shows what happens when youth and experience collide and what it takes to find your own voice.

The Last Lecture Randy Pausch, 2008-04-08 After being diagnosed with terminal cancer, a professor shares the lessons he's learned—about living in the present, building a legacy, and taking full advantage of the time you have—in this life-changing classic. We cannot change the cards we are dealt, just how we play the hand. —Randy Pausch A lot of professors give talks titled *The Last Lecture*. Professors are asked to consider their demise and to ruminate on what matters most to them. And while they speak, audiences can't help but mull over the same question: What wisdom would we impart to the world if we knew it was our last chance? If we had to vanish tomorrow, what would we want as our legacy? When Randy Pausch, a computer science professor at Carnegie Mellon, was asked to give such a lecture, he didn't have to imagine it as his last, since he had recently been diagnosed with terminal cancer. But the lecture he gave—*Really Achieving Your Childhood Dreams*—wasn't about dying. It was about the importance of overcoming obstacles, of enabling the dreams of others, of seizing every moment (because time is all you have . . . and you may find one day that you have less than you think). It was a summation of everything Randy had come to believe. It was about living. In this book, Randy Pausch has combined the humor, inspiration and intelligence that made his lecture such a phenomenon and given it an indelible form. It is a book that will be shared for generations to come.

The Last Book on the Left Ben Kissel, Marcus Parks, Henry Zebrowski, 2020 An equal parts haunting and hilarious deep-dive review of history's most notorious and cold-blooded serial killers, from the creators of the award-winning Last Podcast on the Left

Can Love Last?: The Fate of Romance over Time Stephen A. Mitchell, 2003-02-17 A beautiful and brilliant reexamination of love and its perils.—Barbara Fisher, Boston Globe Common wisdom has it that love is fragile, but leading psychoanalyst Stephen A. Mitchell argues that romance doesn't actually diminish in long-term relationships—it becomes increasingly dangerous. What we regard as the transience of love is really risk management. Mitchell shows that love can endure, if only we become aware of our self-destructive efforts to protect ourselves from its risks. Those who read this book will love more wisely because of it.—Andrew Solomon, author of *The Noonday Demon* [A] work on romance that is rich and multi-layered.—Publishers Weekly Cheerful, open, and humane—you'd definitely have wanted him as your analyst.—Judith Shulevitz, The New York Times Book Review [T]houghtful, compassionate, and profoundly optimistic.—JoAnn Gutin, Salon.com

Bound to Last Sean Manning, 2010-10-26 Lovers of the printed book, arise! Thirty of today's top writers are here to tell you you're not alone. In *Bound to Last*, an amazing array of authors comes to the passionate defense of the printed book with spirited, never-before-published essays celebrating the hardcover or paperback they hold most dear—not necessarily because of its contents, but because of its significance as a one-of-a-kind, irreplaceable object. Whether focusing on the circumstances behind how a particular book was acquired, or how it has become forever “bound up” with a specific person, time, or place, each piece collected here confirms—poignantly, delightfully, irrefutably—that every book tells a story far beyond the one found within its pages. In addition to a foreword by Ray Bradbury, *Bound to Last* features original contributions by: Chris Abani, Rabi Alameddine, Anthony Doerr, Louis Ferrante, Nick Flynn, Karen Joy Fowler, Julia Glass, Karen Green, David Hajdu, Terrence Holt, Jim Knipfel, Shahriar Mandanipour, Sarah Manguso, Sean Manning, Joyce Maynard, Philipp Meyer, Jonathan Miles, Sigrid Nunez, Ed Park, Victoria Patterson, Francine Prose, Michael Ruhlman, Elissa Schappell, Christine Schutt, Jim Shepard, Susan Straight, J. Courtney Sullivan, Anthony Swofford, Danielle Trussoni, and Xu Xiaobin

Leaders Eat Last Simon Sinek, 2017-05-23 Finally in paperback: the New York Times bestseller by the acclaimed, bestselling author of *Start With Why* and *Together is Better*. Now with an expanded chapter and appendix on leading millennials, based on Simon Sinek's viral video *Millennials in the workplace* (150+ million views). Imagine a world where almost everyone wakes up inspired to go to work, feels trusted and valued during the day, then returns home feeling fulfilled. This is not a crazy, idealized notion. Today, in many successful organizations, great leaders create environments in which people naturally work together to do remarkable things. In his work with organizations around the world, Simon Sinek noticed that some teams trust each other so deeply that they would literally put their lives on the line for each other. Other teams, no matter what incentives are offered, are doomed to infighting, fragmentation and failure. Why? The answer became clear during a conversation with a Marine Corps general. Officers eat last, he said. Sinek watched as the most junior Marines ate first while the most senior Marines took their place at the back of the line. What's symbolic in the chow hall is deadly serious on the battlefield: Great leaders sacrifice their own comfort—even their own survival—for the good of those in their care. Too many workplaces are driven by cynicism, paranoia, and self-interest. But the best ones foster trust and cooperation because their leaders build what Sinek calls a Circle of Safety that separates the security inside the team from the challenges outside. Sinek illustrates his ideas with fascinating true stories that range from the military to big business, from government to investment banking.

The Last Book Ever Written Jonah Kravant, 2015-04-25 In a society where all citizens have computerized chips in their brains and insert needles into their veins to enter a virtual reality, Victor Vale is an officer of the law with great ambitions. When he is assigned a case to go undercover and expose a community of illegal creators, Victor finds himself compelled to write, and for the first time, begins questioning the world around him. As he searches for answers, Victor slowly begins to unravel hidden truths about society, and even uncovers an astonishing secret from his own past.

Trouble Don't Last Shelley Pearsall, 2008-12-18 Eleven-year-old Samuel was born as Master Hackler's slave, and working the Kentucky farm is the only life he's ever known—until one dark night in 1859, that is. With no warning, cranky old Harrison, a fellow slave, pulls Samuel from his bed and, together, they run. The journey north seems much more frightening than Master Hackler ever was, and Samuel's not sure what freedom means aside from running, hiding, and starving. But as they move from one refuge to the next on the Underground Railroad, Samuel uncovers the secret of his own past—and future. And old Harrison begins to see past a whole lifetime of hurt to the promise of a new life—and a poignant reunion—in Canada. In a heartbreaking and hopeful first novel, Shelley Pearsall tells a suspenseful, emotionally charged story of freedom and family. *Trouble Don't Last* includes an historical note and map.

Duchamp's Last Day Donald Shambroom, 2018-11-20 Published on the fiftieth anniversary of Marcel Duchamp's death, *Duchamp's Last Day* offers a radical reading of the artist's final hours. Just moments after Duchamp died, his closest friend Man Ray took a photograph of him. His face is wan; his eyes are closed; he appears calm. Taking this image as a point of departure, Donald Shambroom begins to examine the surrounding context—the dinner with Man Ray and another friend, Robert Lebel, the night Duchamp died, the conversations about his own death at that dinner and elsewhere, and the larger question of whether this radical artist's death can be read as an extension of his work. Shambroom's in-depth research into this final night, and his analysis of the photograph, feeds into larger questions about the very nature of artworks and authorship which Duchamp raised in his lifetime. In the case of this mysterious and once long-lost photograph, who is the author? Man Ray or Duchamp? Is it an artwork or merely a record? Has the artist himself turned into one of his own readymades? A fascinating essay that is both intimate and steeped in art history, *Duchamp's Last Day* is filled with intricate details from decades of research into this peculiar encounter between art, life, and death. Shambroom's book is a wonderful study of one of the greatest artists of the twentieth century.

The Last Book of the Bible Hanns Lilje, 1957

The Last Book in the Universe (Scholastic Gold) Rodman Philbrick, 2013-03-01 This fast-paced action novel is set in a future where the world has been almost destroyed. Like the award-winning novel *Freak the Mighty*, this is Philbrick at his very best. It's the story of an epileptic teenager nicknamed Spaz, who begins the heroic fight to bring human intelligence back to the planet. In a world where most people are plugged into brain-drain entertainment systems, Spaz is the rare human being who can see life as it really is. When he meets an old man called Ryter, he begins to learn about Earth and its past. With Ryter as his companion, Spaz sets off an unlikely quest to save his dying sister -- and in the process, perhaps the world.

Save the Cat! Blake Snyder, 2005 This ultimate insider's guide reveals the secrets that none dare admit, told by a show biz veteran who's proven that you can sell your script if you can save the cat!

A Talk on Rhyme David Brazil, 2021-10-05 In *A TALK ON RHYME*, a text distilled from a lecture given in 2014, poet David Brazil reflects on rhyme's emergence, progress, inoperativity, and prospect. The Talk is supplemented by an essayistic bibliography on subjects ranging from classical prosody to American folk music, via writings on and by poets long dead whose names are obvious: Saint Paul, Dickinson, Herbert, Spicer, Hölderlin, Dante, O'Hara.

Repetition Peter Handke, 1988-06-01 Set in 1960, Nobel Prize winner Peter Handke's *Repetition* tells of Filib Kobal's journey from his home in Carinthia to Slovenia on the trail of his missing brother, Gregor. He is armed only with two of Gregor's books: a copy book from agricultural school, and a Slovenian - German dictionary, in which Gregor has marked certain words. The resulting investigation of the laws of language and naming becomes a transformative investigation of himself and the world around him. Handke's eminence, displayed in a substantial oeuvre of plays, novels and poems, is reaffirmed brilliantly by [*Repetition*]. - Publishers Weekly

The Last Samurai Helen DeWitt, 2016-05-31 Called “remarkable” (*The Wall Street Journal*) and “an ambitious, colossal debut novel” (*Publishers Weekly*), Helen DeWitt's *The Last Samurai* is back in print at last. Helen DeWitt's 2000 debut, *The Last Samurai*, was “destined to become a cult classic” (*Miramax*). The enterprising publisher sold the rights in twenty countries, so “Why not just, ‘destined to become a classic?’” (*Garth Risk Hallberg*) And why must cultists tell the uninitiated it has nothing to do with Tom Cruise? Sibylla, an American-at-Oxford turned loose on London, finds herself trapped as a single mother after a misguided one-night stand. High-minded principles of child-rearing work disastrously well. J. S. Mill (taught Greek at three) and Yo Yo Ma (Bach at two) claimed the methods would work with any child; when these succeed with the boy Ludo, he causes havoc at school and is home again in a month. (Is he a prodigy, a genius? Readers looking over Ludo's shoulder find themselves easily reading Greek and more.) Lacking male role models for a fatherless boy, Sibylla turns to endless replays of Kurosawa's masterpiece *Seven Samurai*. But Ludo is obsessed with the one thing he wants and doesn't know: his

father’s name. At eleven, inspired by his own take on the classic film, he sets out on a secret quest for the father he never knew. He’ll be punched, sliced, and threatened with retribution. He may not live to see twelve. Or he may find a real samurai and save a mother who thinks boredom a fate worse than death.

The Last Book Before Bedtime Nicola O'Byrne,2016 Everyone knows that the very last story before bed is best of all. But the problem is, EVERYONE wants to be in that very last story! A brilliantly-designed, multi-layered book that's destined to be a much-requested last story before bed.

The First and The Last Adolf Galland,2018-11-30 A fearless leader with 104 victories to his name, Galland was a legendary hero in Germany's Luftwaffe. Now he offers an insider's look at the division's triumphs in Poland and France and the last desperate battle to save the Reich. The clearest picture yet of how the Germans lost their war in the air.--Time.

Unveiling the Magic of Words: A Overview of "Last"

In a world defined by information and interconnectivity, the enchanting power of words has acquired unparalleled significance. Their capability to kindle emotions, provoke contemplation, and ignite transformative change is truly awe-inspiring. Enter the realm of "Last," a mesmerizing literary masterpiece penned by a distinguished author, guiding readers on a profound journey to unravel the secrets and potential hidden within every word. In this critique, we shall delve to the book is central themes, examine its distinctive writing style, and assess its profound impact on the souls of its readers.

Last Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In todays fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of

online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Last PDF books and manuals is the internets largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Last PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Last free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the

advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Last Books

What is a Last PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Last PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Last PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Last PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Last PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
