 Exclusive Excerpt The universe you live in works very much like a popular restaurant. You go in, you decide what you want, you order it, you receive it, and you digest it. Unfortunately, a lot of people don't seem to know how to order. Some are downright inept at it. They walk into this restaurant, behave like complete idiots, and they end up hungry and disappointed. Then they complain about the restaurant and post negative reviews online, despite the fact that the restaurant has received rave reviews from the most experienced food critics. I can't tell you how many times I encounter people who set goals like, I want a romantic partner, or I want a stable job that pays more money, or I want to lose weight. I've heard enough of this drivel to last a lifetime. It's reached the point where I may start carrying around a squirt gun and shoot people in the eye when they say stuff like this. Those are crap goals. Don't waste your time on them. And definitely don't say them within earshot of me. Setting such goals is the equivalent of walking into a restaurant and proclaiming, I'm hungry. I want some food. (continue reading...) Learn how to manifest your ideal life... grab a copy of The Abraham Secret It's free for Kindle Unlimited readers!

Getting into the Vortex Esther Hicks, Jerry Hicks, 2020-07-21 Living a better-feeling life really comes down to one thing only: coming into alignment with the Energy of our Source. Abraham reminds us that we are truly Source Energy focused into our physical bodies, and that a conscious Connection to that Broader Non-Physical part of us is necessary if we are to be the joyful Beings that we were born to be. Abraham calls that wonderful alignment Getting into the Vortex. Through a series of Leading Edge books (New York Times bestsellers), Abraham has emphasized the importance of our conscious alignment with the Source within us. They have let us know that our natural state of Being is inside our Vortex of Creation in complete alignment with Source Energy—and that every aspect of our physical experience reflects our alignment with, or resistance to, that Connection. Everything—from the physical well-being of our bodies, the clarity of our minds, and the abundance we allow to flow, to the satisfaction in every relationship we experience—is impacted by our all-important relationship with our Vortex. Abraham has helped us to understand that our dominant intent in every day is to get into the Vortex! And now, they have lovingly and specifically guided Jerry and Esther Hicks in the creation of an innovative and valuable tool that promises to get us into the Vortex right now . . . and that tool is enclosed in the Getting into the Vortex User Guide in the form of a 70-minute audio download. This unique recording contains four powerfully guided daily meditations that have been designed to get you into the Vortex of Creation in four basic areas of your life: • General Well-Being • Financial Well-Being • Physical Well-Being • Relationships. Jerry and Esther are thrilled to offer this powerful, first-of-its kind, musically scored, breath-enhancing, user-friendly tool from Abraham that will get you into the Vortex.
