The Soulmate Secret Arielle Ford, 2011-01-04 Have you ever wondered what it takes to find the love of your life? Is it your dream to find a life partner who will love, cherish, and adore you? The Soulmate Secret will show you how to take control of your romantic destiny by using the Law of Attraction. Translated into more than twenty languages, The Soulmate Secret has become an international phenomenon. Now with a new preface and a new chapter filled with book-inspired success stories, this book shows finding true love is possible for anyone at any age if you are willing to prepare yourself, on all levels, to become a magnet for love. Arielle Ford knows this from experience. She used the techniques in this book to bring her soulmate into her life at age

forty-four. They were engaged three weeks later. This ancient formula reveals that our universe is set up to deliver the people and things into our lives that are consistent with our personal belief system. If you don't believe you will ever find the One, then guess what? You probably won't. If, however, you learn to believe that the One is not only out there but is also looking for you, then true love can be yours. Using a series of processes called feelingizations—feeling in every cell of your being the outcome you want to create—Ford reveals how to manifest the man or woman of your dreams. The techniques, rituals, and projects found within these pages will allow you to prepare your home, body, mind, and spirit for the lover your heart truly desires.

Secrets of Attraction Sandra Anne Taylor, 2010-06
In this uniquely fascinating book, the author reveals how the Universal Laws - and even quantum physics - actually direct the course of your relationship destiny. Energy is the center of all life, and your energy is the center of all that you attract. You project this energy ahead of you in time and space, magnetically determining whom you will meet, as well as what the dynamics of any particular relationship will be like. In *Secrets of Attraction*, you'll discover what makes up your personal energy field, how you broadcast it, and why it has much more impact on your relationships than your looks, intellect, or financial status. No matter what you've been through in the past, you do have the power to change your relationship energy and manifest the intimacy and true love that has been eluding you for so long!

Manifesting Love Eddie Coronado, 2017-06-19 This book includes 250 affirmations for manifesting love AND it includes a number of visualization scripts and success stories that will empower you to manifest your soul mate! If you have read my other books you know that I am a firm believer in the fact that the Law of Attraction always responds to persistent, committed action. It does so because it is a spiritual law that responds to human belief in the same way that the laws of nature respond to all who use them. And being a spiritual law, it works for everyone in the same way no matter how young or old a person is, or how rich or poor. Daily, committed action is the single factor that will determine your success with the Law of Attraction, whether you choose to manifest financial abundance, a satisfying career, or the love of your life. In fact, the phrase Law of Attraction contains the word ACTION, which means that your success with this spiritual power requires you to take committed, daily action by aligning your thoughts, words and feelings to your intention. Once you have transformed your beliefs about what is possible, your desire will show up in your life. Unfortunately, many people on this spiritual path read book after book about the Law of Attraction, yet they fail to take the daily, committed action that will help them manifest their desires. My goal is that you succeed with your intention to manifest true and lasting love, so I wrote this book as a clear guide that will provide you with easy-to-use, practical tools that will help you manifest your soul mate. In fact, the information in this book has helped many

people attract a soul mate, and it can work for you, too. WHAT THIS BOOK CONTAINS This is not another Law of Attraction book filled with fluff and filler. It's an instruction manual that gets right to the point by explaining exactly what you must do to manifest your soul mate with the Law of Attraction. Using proven metaphysical practices, spiritual insights, and success stories, I explain how you can create your intention and then manifest your soul mate by using the tools of manifestation correctly and consistently. By the time you finish reading this book, you will know exactly what you must do to manifest a loving relationship. PART 1 of this book discusses the creative power of feelings and how you can use them to create the things and conditions you desire. This section also explains how to get clear about what you want by creating an Intention Statement and a list of desirable qualities that reflect your specific desires. PART 2 discusses the dynamic power of the spoken word and explains how you can use your words to shape your destiny. It also contains a list of 250 spoken affirmations that will enable you to harness the power of the spoken word to manifest the love of your life. PART 3 explains how you can use visualization to manifest your soul mate. It also contains a number of detailed visualization scripts and success stories that will inspire you to use your imagination to create the life of your dreams. PART 4 includes a detailed question and answer section that addresses some of the most important questions that relate to manifesting love. And PART 5 explains how you can implement a Law of

Attraction action plan for love and romance.

Law Of Attraction Zachariah Albert, 2019-04-05 Are you ready to manifesting anything you want into your life? Looking closely at our everyday life, you will realize that the law of attraction is present all the time. Most people do not notice the connection because of the time lag between their thoughts and the manifestation of their thoughts. However, there are some things that happen to us that we feel happened as a result of a coincidence, not knowing it is the law of

attraction that is at work. For instance, have you ever thought of calling a friend, and the friend calls you around that time? Or have you ever thought of picking up your phone, and your phone rings at that instance? These experiences are not coincidences; they are a result of the law of attraction. We get more of what we focus on in life. That is why you need to get more creative with your thoughts. In this book, I am going to show you how you can consciously and deliberately attract good things into your life by aligning your thoughts in the right way. Focusing more on things that make you happy increases your chances of attracting things that make you happy. The other side of this is the negative side which is when you focus on things you are not happy about, you tend to attract things that will make you sad. For instance, if you focus on wealth and good health, you attract wealth and good health. However, if you focus on poverty, you will attract a situation that will rob you of the little things you have gathered.
