Melvil Dewey, Richard Rogers Bowker, Charles Ammi Cutter, Bertine Emma Weston, Karl Brown, Helen E. Wessells

**The Library Book** Susan Orlean,2019-10-01 Susan Orlean’s bestseller and New York Times Notable Book is “a sheer delight...as rich in insight and as varied as the treasures contained on the shelves in any local library” (USA TODAY)—a dazzling love letter to a beloved institution and an investigation into one of its greatest mysteries. “Everybody who loves books should check out The Library Book” (The Washington Post). On the morning of April 28, 1986, a fire alarm sounded in the Los Angeles Public Library. The fire was disastrous: it reached two thousand degrees and burned for more than seven hours. By the time it was extinguished, it had consumed four hundred thousand books and damaged seven hundred thousand more. Investigators descended on the scene, but more than thirty years later, the mystery remains: Did someone purposefully set fire to the library—and if so, who? Weaving her lifelong love of books and reading into an investigation of the fire, award-winning New Yorker reporter and New York Times bestselling author Susan Orlean delivers a “delightful...reflection on the past, present, and future of libraries in America” (New York magazine) that manages to tell the broader story of libraries and librarians in a way that has never been done before. In the “exquisitely written, consistently entertaining” (The New York Times) The Library Book, Orlean chronicles the LAPL fire and its aftermath to showcase the larger, crucial role that libraries play in our lives; delves into the evolution of libraries; brings each department of the library to vivid life; studies arson and attempts to burn a copy of a book herself; and reexamines the case of Harry Peak, the blond-haired actor long suspected of setting fire to the LAPL more than thirty years ago. “A book lover’s dream...an ambitiously researched, elegantly written book that serves as a portal into a place of history, drama, culture, and stories” (Star Tribune, Minneapolis), Susan Orlean’s thrilling journey through the stacks reveals how these beloved institutions provide much more than just books—and why they remain an essential part of the heart, mind, and soul of our country.

*Library Book, The: Design Collaborations in the Public Schools* Anooradha Iyer Siddiqi,2010-04-07 It's often said a child's lifelong love of reading begins at home. But declining literacy rates among the nation's public elementary school students suggests this maxim needs revision. For reading to become an everyday habit, it needs to be nurtured in a home of its own. Fortunately, there is space available inside most elementary schools. At just 5 percent of a school's total real estate, the school library is the most powerful and efficient way to reach 100 percent of the student body. But far too many of the nation's public school libraries lack even the most basic resources to support learning and encourage achievement. The nonprofit L!brary Initiative, created by the Robin Hood Foundation, has been working since 2001 to enhance student literacy and overall academic achievement by collaborating with school districts to design, build, equip, and staff new elementary school libraries. The L!brary Book takes readers behind the scenes of fifty groundbreaking library projects to show how widely varied fields and communities—corporate underwriters, children's book publishers, architects, graphic designers, product manufacturers, library associations, teachers, and students—can join forces to make a difference in the lives of children. Based on the premise that good library design can actually inspire learning, the L!brary Initiative brings together some of the world's leading architects to reimagine the elementary school libraries in New York City—the nation's largest public school system. Working on a pro bono basis, architecture firms—including 1100 Architects, Weiss/Manfredi Architects, Della Valle Bernheimer, Tod Williams Billie Tsien Architects, and Dean/Wolf Architects—have in just eight years built or transformed more than fifty libraries into vital resources for the whole school community. These libraries—both beautiful learning spaces and innovative architecture—feature a wide range of design solutions, including creative uses of space, color, lighting, and furniture. Author and former L!brary Initiative director Anooradha Iyer Siddiqi documents every project with beautiful photos as well as renderings and measured drawings. The L!brary Book concludes with the chapter How to Make a Library which shows how community organizers and architects can pursue similar initiatives in their own communities.

*The Little Free Library Book* Margret Aldrich,2015 LFL history, quirky and poignant firsthand stories, a resource guide, and some of the most creative and inspired LFLs around.

**The Library Book** Tom Chapin,Michael Mark,2017-10-03 What’s the best way to cure a gloomy day? A trip to the library! Based on the hit song by Tom Chapin and Michael Mark, here is an affectionate, exuberant, uproarious celebration of books, reading, and—SHHH!—libraries! The rain is pouring, Dad is snoring, and the same old stuff is on TV—boring. What is there to do today? Go to the library, of course! Who will we meet there? Let's find out!

*Historica Philosophicae* ,2020

*The Library Book* ,2017 Schiff's photographs capture the shifting architectural styles and missions of the library, from the very earliest American libraries to the modernist masterpieces of Louis I. Kahn and others. The sweeping 360-degree panoramas help the viewer maintain the original vision of the architects. In the introductory essay, Manguel considers the story of the library in America, its evolving architecture and cultural role, and how the American model reflects the archetypal idea of the universal library.

**The Artist's Library** Erinn Batykefer,Laura Damon-Moore,2014-05-13 A guide to libraries as creative spaces including exercises, best practices, and examples for artists, librarians, and community members.

*The Writer's Library* Nancy Pearl,Jeff Schwager,2020-09-08 NEW & NOTEWORTHY ~ THE NEW YORK TIMES With a Foreword by Susan Orlean, twenty-three of today's living literary legends, including Donna Tartt, Viet Thanh Nguyen, Andrew Sean Greer, Laila Lalami, and Michael Chabon, reveal the books that made them think, brought them joy, and changed their lives in this intimate, moving, and insightful collection from American's Librarian and recipient of the National Book Foundation's Literarian Award for Outstanding Service Nancy Pearl and noted playwright Jeff Schwager that celebrates the power of literature and reading to connect us all. Before Jennifer Egan, Louise Erdrich, Luis Alberto Urrea, and Jonathan Lethem became revered authors, they were readers. In this ebullient book, America’s favorite librarian Nancy Pearl and noted-playwright Jeff Schwager interview a diverse range of America's most notable and influential writers about the books that shaped them and inspired them to leave their own literary mark. Illustrated with beautiful line drawings, The Writer’s Library is a revelatory exploration of the studies, libraries, and bookstores of today’s favorite authors—the creative artists whose imagination and sublime talent make America's literary scene the wonderful, dynamic world it is. A love letter to books and a celebration of wordsmiths, The Writer’s Library is a treasure for anyone who has been moved by the written word. The authors in The Writer’s Library are: Russell Banks TC Boyle Michael Chabon Susan Choi Jennifer Egan Dave Eggers Louise Erdrich Richard Ford Laurie Frankel Andrew Sean Greer Jane Hirshfield Siri Hustvedt Charles Johnson Laila Lalami Jonathan Lethem Donna Tartt Madeline Miller Viet Thanh Nguyen Luis Alberto Urrea Vendela Vida Ayelet Waldman Maaza Mengiste Amor Towles

*Progressive Library Organizations* Alfred Kagan,2015-03-26 This work presents the history and impact of the seven most important progressive library organizations worldwide--in Austria, Germany, South Africa,

Sweden, United Kingdom, and two in the United States. Each organization is considered within its national context, and in fact, the English word organization does not quite fit the nature of all of the groups. The South African organization, LIWO, was transitional in that it helped bring South African librarianship from apartheid to majority rule and then disbanded. The other organizations or their successors are still working in one form or another. Some of the organizations have had or continue to have vibrant local chapters, though many of the original activists have recently retired or died. The author has interviewed many of them at a time when they were assessing their life work, and handing off to new generations.

*Handbook of the Chicago Library Club* Chicago Library Club,1918  
Library Journal Melvil Dewey,Richard Rogers Bowker,Charles Ammi Cutter,Bertine Emma Weston,Karl Brown,Helen E. Wessells,1907 Includes, beginning Sept. 15, 1954 (and on the 15th of each month, Sept.-May) a special section: School library journal, ISSN 0000-0035, (called Junior libraries, 1954-May 1961). Also issued separately.
