The Lingerie Book Mitchel Gray,Mary F. Kennedy,1991-01-01 Since its release in 1980, *The Lingerie Book* has drawn thousands of captivated readers, both men and women, into the secret boudoirs of the 20th century. The book captures women's most intimate apparel, decade by decade, since 1900, and its photos show top models in authentic period lingerie. 90 photos.

An Intimate Affair Jill Fields,2007-07-02 Intimate apparel, a term in use by 1921, has played a crucial role in the development of the naughty but nice feminine ideal that emerged in the twentieth century. Jill Fields's engaging, imaginative, and sophisticated history of twentieth-century lingerie tours the world of women's intimate apparel and arrives at nothing less than a sweeping view of twentieth-century women's history via the undergarments they wore. Illustrated throughout and drawing on a wealth of

evidence from fashion magazines, trade periodicals, costume artifacts, Hollywood films, and the records of organized labor, *An Intimate Affair* is a provocative examination of the ways cultural meanings are orchestrated by the fashion-industrial complex, and the ways in which individuals and groups embrace, reject, or derive meaning from these everyday, yet highly significant, intimate articles of clothing.

Lingerie Lillian Bassman, 2012-03-01 Stunning images of women in intimate apparel from the artist heralded as “among the most important fashion photographers of the twentieth century” (The New York Times). Through the 1950s and the early 1960s, working with that era’s supermodels, fashion photographer Lillian Bassman created the quintessential modern feminine image of women in their lingerie. As Ginia Bellafante put it in the New York Times recently, “In place of heavysset women constraining themselves in what was essentially equipment, Ms. Bassman deployed immeasurably lithe models, conveying a world in which women seemed to linger in the pleasures of their own sensuality.” Fifty years later, these images have lost none of their allure, and the enormous cultural impact of the TV show *Mad Men* has given them new currency. “For more than half a century, Lillian Bassman’s lingerie-themed photographs have seduced the viewer, with their stark contrast, stunningly graceful figure lines, and vivid texture.”
—Vanity Fair

The Story of Lingerie Muriel Barbier, Shazia Boucher, 2004 What do the thousands of images of bras and panties on perfectly sculpted bodies that we see spread across billboards and magazines say about our society? Many women indulge in lingerie to please men. Yet, since Antiquity, women have always kept

lingerie hidden away under outer garments. Thus, lingerie must be more than erotic bait. Authors Muriel Barbier and Shazia Boucher have researched iconography to explore the relationship of lingerie to society, the economy and the corridors of intimacy. They correlate lingerie with emancipation, querying whether it asserts newfound freedoms or simply adjusts to conform to changing social values. The result is a rigorous scientific rationale spiced with a zestly humour. And the tinier lingerie gets, the more scholarly attention the authors believe it deserves.

Paris Undressed Kathryn Kemp-Griffin, 2018-02-06 French women seem inherently more confident in their bodies, able to embrace the sensuality of life and love. What's their secret? Lingerie. *Paris Undressed* will help women feel at ease with their figures and show them how to integrate a lingerie lifestyle a la française to enhance their own femininity, confidence, and joie de vivre. This book goes behind the seams, combining cultural references, expertise, and practical advice to inspire every woman to reconsider her underwear drawer.

Ladies in Lingerie Joe Simonelli, 2006 *LADIES IN LINGERIE* by Joe Simonelli

La Perla Isabella Cardinali, 2012-10-30 A gorgeously illustrated book showcasing the exquisite high-end lingerie from the world-renowned Italian brand La Perla. La Perla is celebrated for its sophisticated, sexy, and beautifully designed and crafted lingerie. The company was founded by Ada Masotti, an artisan skilled in the tradition of handcrafted Italian corsetry, in 1954 when she opened a small lingerie boutique in

Bologna. She combined her impeccable craftsmanship and understanding of women's bodies to fulfill their growing desire to possess undergarments that were not only functional but also beautiful and alluring. The continuous dedication to artisanship, to fine quality, and to women's needs and desires has transformed the small Italian boutique into an internationally beloved brand. La Perla's lingerie is a mix of beauty and seduction, and it is the unparalleled choice for women all over the world when they want to feel sensual and desired. This is the only book ever published on the glamorous and delicate lingerie produced by La Perla throughout its history. The book first pays homage to the Italian craftsmanship, including the use of fine Italian fabrics, that helped to establish La Perla as the maker of sophisticated couture lingerie, and that continues with today's collections to set the company apart from other brands. Then it showcases the exceptional intimate garments the company has created throughout the years with gorgeous archival images as well as sexy, sumptuous photographs of the latest collections.

Lingerie Marilisa Racco, 2013-12-31 Being comfortable in your clothes is important, but how you feel underneath them may matter even more. Slipping on lingerie can transform the mundane daily routine of getting dressed into a quietly luxurious experience. Lingerie is a chic guide to fashion's most exquisite undergarments, offering impeccable advice on fit, style, and fabric as well as profiles of the most celebrated lingerie designers. Small enough to toss into a handbag and take shopping, this book is your key to discovering the crème de la crème of the lingerie world.

Lingerie Catherine Bardey, 2000-04-01 The retrospective of lingerie through the ages offers the admirer and wearer fashion tips by example for making these bare essentials look great so you can feel

great. Lingerie is part icon, part turn-on, and an international symbol of feminine mystique. Author and former fashion stylist Catherine Bardey takes a tasteful and entertaining look at the history, iconography and appeal of women's underwear, from bloomers and emancipation and the evolution of underwear. From the confining corsets of the Edwardian era to the conical shaped bras of the 1950s to the sheer, supportive shapes of today's lingerie, styles have changed dramatically through the decades, influenced by cultural changes as well as sports and the entertainment industry. Lingerie is lavishly illustrated with over 100 photographs, illustrations, advertisements and ephemera.

Hidden Underneath Farid Chenoune, 2005 From the restrictive corsets of the late 1800s to the revealing thongs of the early 21st century, women's lingerie has changed drastically throughout the last hundred years, mirroring changes in society, the role of women, and the ideals of beauty.

Lingerie, 2010-09-20 Covering the fun, often deliciously risqué, history of lingerie, you'll meet the first innerwear-as-outerwear model (a 5000 year old Snake Goddess in a corset!), take a peek beneath the astounding 11 pounds of underpinnings worn by our Victorian sisters, and discover the special sewing secret behind the military-inspired bullet bras of the 1940s and 50s. You'll also see how, in more recent times, Madonna has manipulated the power of underwear to maximum effect. Clad in crinolines and bustiers, she channeled one pan 50s prom queen, one pan Marilyn, and just enough S&M spice to bring lingerie out in the open, helping to launch the innerwear-as-outerwear phenomenon that is such a staple of today's music and fashion. With its engaging combination of alluring images, fascinating history, and modern musings, *Lingerie: a Modern Guide* is your one-stop guide to the shapewear that has shaped the

world.

Love in lingerie Alessandra Torre, Isabelle Solal, 2019-07-04 Comment résister à l'interdit ? Je l'ai engagée pour qu'elle redresse ma société, pour ramener Marks Lingerie à la vie. Je n'avais pas prévu qu'elle deviendrait mon amie. Je n'avais pas prévu de tomber amoureux d'elle. La règle numéro un dans les affaires, c'est de ne jamais avoir de relation avec ses employés. Je pense qu'il y en a une autre qui interdit de s'éprendre de sa meilleure amie - qui interdit d'imaginer les courbes de son corps ou la façon dont elle reprendrait son souffle si je baissais sa culotte et descendais la fermeture Éclair de mon pantalon. Mais maintenant, je n'en peux plus d'attendre. J'ai décidé de jeter les règles aux orties. Au diable l'entreprise. Au diable notre amitié. Au diable mes peurs.

Lingerie, the Foundation of a Woman's Life Choice Publications, LLC, 2005

The Story of Lingerie Muriel Barbier, 2023-12-28 What is the social merit or purpose of all those bras and panties on perfectly sculpted bodies that we see spread across billboards and magazines? Many women indulge in lingerie to please men. Yet, ever since Antiquity, women have always kept lingerie hidden away under outer garments. Thus, lingerie must be more than erotic bait. Authors Muriel Barbier and Shazia Boucher have researched iconography to explore the relationship of lingerie to society, the economy and the corridors of intimacy. They correlate lingerie with emancipation, querying whether it asserts newfound freedoms or simply adjusts to conform to changing social values. The result is a rigorous scientific rationale spiced with a zest of humour. And the tinier lingerie gets, the more scholarly attention it deserves.

Lingerie Anna Folli, 2010 From the crinoline to thigh highs, and from the corset to the G-string you can choose to conceal or to reveal, the important thing is to be liked and to like yourself. In this book, the history of lingerie is seen both for its elegance and from an ironic angle. Starting from the first bodices and corsets which were true instruments of constriction hidden under layers of crinolines, we come to the glittering and theatrical display of lingerie on the catwalks of the most recent fashion shows of Victoria's Secret. The century between these two extremes ushered in social changes that influenced our habits: we can see a reflection of these changes in the colourful advertising campaigns of the 20th century and enjoy comparing that retro style with today's glossy advertising. And while some past slogans may raise a smile out of amusement or nostalgia, the pictures of film stars shown in déshabille, on or off the set, are absolutely breathtaking. Hovering precariously between modesty and provocation, lingerie remains inextricably linked with feminine evolution and reflects, better than any other garment, changes in society.
