JOE MOORE

📖 **KEENEY EAGLEYE, NAUGHTY/NICE LIST MANAGER** Joe Moore, 2016-10-20 Keeney EagleEye, NaughtY/Nice List Manager What if I told you hundreds of thousands of elves came and went to the North Pole every night? Add to this, one of Santa Claus’ most important elves was keeping an eye on who is naughty and nice all day long. Let us introduce you to Keeney EagleEye, NaughtY/Nice List Manager of the North Pole. He is the one that the elves meet at night, as they fly up in their jet packs. After reporting to Keeney, he updates and manages the lists before bringing them to Santa. With rhyme, stunning pictures, and a charming story, this book teaches children to behave whether at home, school, or with their friends. Just as importantly, Santa’s message in this book is to always say your prayers and give your worries to God. About Santa’s Elf Series© by the author, Joe Moore: Even as I was writing the first novel in the Santa Claus Trilogy, I envisioned an entire world at the top of the globe. I knew the most die-hard believer in Santa Claus would realize that this magical gift-giver would need assistance in achieving his task at Christmas. So I began to think about who these helpers were, and what their responsibilities to Santa might be. Then I started writing. And to my surprise, as I wrote, the stories came out of me in rhyme! The cadence and beat of the verses were lyrical. As I spoke to others, including a good many teachers and librarians, they told me this was the easiest way for children to learn and that I should keep the verses coming. I also heard from parents about their frustrations trying to instruct their children in the primary lessons of life; such as picking up after themselves, being polite, sharing, brushing their teeth, and so on. So I put a special message from Santa Claus at the end of each story about each of these lessons. Even complex problems like bullying, showing gratitude, and listening to elders gets addressed in these books. It never hurts to learn these lessons throughout the year. I wrote nearly 20 books in this series, each focusing on a particular elf and their role to Santa. My wife and illustrator, Mary, is doing her best to get these magical tales drawn and into your child’s hands. Since she works so hard fully illustrating every page and includes elements like shapes, colors, and even geography, it takes her a little while to complete each book. We have a half dozen released and more “in the works.” I have already heard about new traditions started during Christmas with my Santa Claus Trilogy and families. I am hoping that these will also become part of your celebrations. Make Santa’s Elf Series© a new tradition for your family and collect the entire series. The following is a list of the currently published books in the series: Santa’s World, Introducing Santa’s Elf Series Jamie Hardrock, Chief Mining Elf Shelley Wrapitup, Master Design Elf Keeney EagleEye, NaughtY/Nice List Manager Sarah Buttons, Master Dollmaker Ford MacHarley, Master WheelSmith

📖 **THE EFFECTIVE MANAGER** Mark Horstman, 2016-07-05 The how-to guide for exceptional management from the bottom up The Effective Manager is a hands-on practical guide to great management at every level. Written by the man behind Manager Tools, the world’s number-one business podcast, this book distills the author’s 25 years of management training expertise into clear, actionable steps to start taking today. First, you’ll identify what effective management actually looks like: can you get the job done at a high level? Do you attract and retain top talent without burning them out? Then you’ll dig into the four critical behaviors that make a manager great, and learn how to adjust your own behavior to be the leader your team needs. You’ll learn the four major tools that should be a part of every manager’s repertoire, how to use them, and even how to introduce them to the team in a productive, non-disruptive way. Most management books are written for CEOs and geared toward improving corporate management, but this book is expressly aimed at managers of any level—with a behavioral framework designed to be tailored to your team’s specific needs. Understand your team’s strengths, weaknesses, and goals in a meaningful way Stop limiting feedback to when something goes wrong Motivate your people to continuous improvement Spread the work around and let people stretch their skills Effective managers are good at the job and good at people. The key is combining those skills to foster your team’s development, get better and better results, and maintain a culture of positive productivity. The Effective Manager shows you how to turn good into great with clear, actionable, expert guidance.
