[Decorate Your Locker](#) Jacqueline Lee,2004-04 On your whole school campus, there's one piece of real estate that's yours exclusively: your locker. Think about it. It's like a tiny little room just for your stuff. And, just like your room at home, it can be a total mess or an expression of something deeply personal about you. Give your locker a design makeover with Decorate Your Locker. This fully photographic book is packed with simple ideas for personalizing any locker with your own one-of-a-kind style. Cool pre-printed magnets make instant decorating easy, while peel-and-stick magnetic sheets can make almost any lightweight thing into a magnet: snapshots, candy hearts, ticket stubs, fabric flowers, bottle caps, priceless emeralds... whatever's handy. Full colour inspirational photos show how to give any locker a hang-loose tropical look, groovy retro flair, techno-modern vibe and more. No matter which style you choose, all the decorating ideas are non-permanent and won't damage lockers in any way. So you won't get into any trouble - at least for this. Comes with: one page of punch-out magnets and three peel-and-stick design-your-own-magnet pages. Awards: Canadian Toy Testing Council Three Star Award.

[The Locker Exchange](#) Ann Rae,2022-07-12 For Westwood senior Brynn Cadence, high school drama is taken to a whole new level when she discovers the dead body of a classmate on the football field one Friday night. When she tells the police she saw a masked figure fleeing up the bleachers, they dismiss her and label the death accidental. With no one believing what she saw, Brynn's internal walls start to go up. But there's one wall she has no control over—the one that separates her and Kyler Fellan's gym lockers. That's right, Brynn opens her locker only to find herself face-to-face with the shirtless abs of the school's star football player and resident flirt. While not an unwelcome surprise, Brynn knows she should leave her fluttering feelings for Kyler on the locker room floor in order to focus on exposing the truth of her classmate's death. But Kyler's top jock status has made him privy to some potentially useful gossip, making him a helpful and trustworthy partner in her investigation. As two find themselves delving deeper into the case, they are inevitably drawn closer to each other—even if that isn't safe for either of them.

[Under Locker and Key](#) Allison K. Hymas,2017-04-18 Eleven-year-old Jeremy Wilderson teams up with his rival crime fighter to stop the stealing spree that's wreaking havoc on Scottsville Middle School in this action-packed MAX novel. Jeremy Wilderson is not a thief. In fact, he is his middle school's one and only retrieval specialist. Confiscated cell phones, stolen lunch money—he'll discretely retrieve it before the last bell rings. Business is good, and if it weren't for the meddling of preteen private investigator Becca Mills, he'd be happier than a gym teacher on Dodgeball day. But a new job shatters his comfortable lifestyle. Now, thanks to Jeremy, the master key to the schools' lockers is in the hands of an aspiring crime kingpin who doesn't exactly have Jeremy's strong moral character. Soon not even combination locks can protect the students' textbooks and jackets. Retrieving the key is too big a job for one crime fighter, and only one person wants the key returned as much as Jeremy does: Becca Mills. Lockers are being robbed, the teachers are looking for the culprit, and the only person Jeremy can turn to is the girl who most wants to see him in the principal's office. Will Jeremy be able to trust Becca enough to get the key back in the right hands? Or could he end up in detention until the end of high school instead?

With her roommate in tow, they embark on a treacherous journey, not sure where they'll end up.--Publisher description.

[Lessons of the Locker Room](#) Andrew W. Dr Miracle,C. Roger Rees,2010-08-05 Do sports build character? An anthropologist and a sociologist explore the underpinnings of school sports and examine the evidence to support the prevailing assumption that sport is an ennobling experience. They find that participation has little effect on positive character development. Far from building model citizens, their research shows that competitive team sports may foster selfish motives and antisocial behavior. Rather than learning self-sacrifice and dedication, athletes often pick up the message that winning isn't everything - it's the only thing.
