A Logger's Dream Richard Etheredge,2006-09-27 Aging logger Daniel Hobgood looks back on a life lived in pursuit of a dream. Born the son of a struggling pulpwooder, he fought against the odds to rise above the path that folks thought he ought to follow. Always looking for a better way, young Daniel's thinking was always outside the box. He would try any idea that would help him in pursuit of his dream. Life in post-World War II Alabama was a time of hard work, poverty, sorrow, humor, and joy. The church is a big part of the culture, providing the backdrop against which lives were lived. Daniel's life is no exception. Work, church, coon hunting, and family are all he knows. The more he learns, the more he realizes he has yet to learn. Did Daniel achieve his dream? Was the dream worth the struggle? If you have ever had a dream, join Daniel as he remembers his six decades of living A Logger's Dream.

Gyppo Logger Margaret Elley Felt,2016-06-01 Margaret Elley Felt's autobiographical Gyppo Logger, originally published in 1963, tells a story almost universally overlooked in the history of the logging industry: the emergence of family-based, independent contract or gyppo loggers in the post-World War II timber economy, and the crucial role of women within that economy. For seven years Margaret Felt was her husband's partner in their logging business — driving truck, keeping the wage rolls, and jawboning her way into more credit at the supply stores. Margaret Elley Felt is the author of thirteen books in addition to Gyppo Logger. She has contributed to popular magazines including National Wildlife and Parents Magazine, and was an editor and public information officer for several Washington State agencies.

A child of the Oregon hills, he spends his days scampering through the forest around his family's cabin. Ever since he was old enough to hold an ax, he's wanted to be a logger like his daddy. He wants to wear boots with nails on them, saw down the mightiest trees in the forest, and holler "Timber!" as they come crashing to the ground. Little Joe has logging in his blood. Finally, Little Joe is old enough for his 1st visit to a logging camp. He sees the great machines taking down trees and loading them onto trucks, and he wants to be a logger more than ever. But as he grows up, he will find there are better ways to show his love for the forest than cutting it down.

Community And The Northwestern Logger Matthew S. Carroll,2019-04-09 It has often been said that natural resource and environmental problems cannot be solved without solving human problems. In this book, Matthew Carroll examines the economic and social circumstances of northwestern U.S. loggers in the face of shifts in environmental politics, dramatic reductions in timber harvest levels on federal lands, and changing technology and market forces—among other factors that are rapidly transforming their industry, their livelihoods, and their communities. Drawing upon sociological fieldwork in logging communities that he conducted at various times over a period of nearly a decade and using the spotted owl-old growth controversy as a case study, Carroll provides a rich and detailed picture of life among northwestern loggers. He lays out the human dimensions and dilemmas of the timber crisis. Expanding it from the oversimplified owl-versus- logger confrontation, he puts these issues in a historical and policy context and suggests parallels to other controversies such as public grazing and federal or state river protection. Carrol's work revives the concept of occupational community and shows ways it can be used to understand the dynamics of rural occupations linked to resource extraction.

The Logger's Christmas Bride Kathleen D. Bailey,2019-11-20 The only life Viola Chivers ever wanted was here in these Klamath Mountains, loving and serving her family. But Vi's already finished, and she knows what she wants: a life here with logger Stephen Miller, a man who shares her faith. Can Vi and Steve find a way to be together, and can she make sure this isn't her last Christmas in the Oregon Country?

A Logger's Nightmare Carrie Peterman,2010-07-28 There was no bright light. No tunnel and no out of body experience. No life flashing before his eyes and no decision to live or die. Truth is, Branden never saw it coming. The tree plummeted him, driving him into the ground like a nail. It bent his body in half in very unnatural ways. Instantly, he knew he was paralyzed. Never once did he think this was the end. In fact, he told God he was not going to die in the woods in the cold snow. There was peace. A peace like no other because of his faith in that same God that spared his life and not his legs.

The Stranger in Her Bed Janet Chapman,2007-01-30 In The Seduction of His Wife, USA Today bestselling author Janet Chapman introduced the Knights, an ambitious logging family whose fortunes and hearts are tied to the rugged mountains of Maine. Now, Ethan Knight is drawn into the family business . . . and deep into temptation. When Ethan agreed to work at a sawmill his family is purchasing, he didn't foresee getting fired on his first day. He should be mad at the fiercely outspoken female foreman, but something about her seems disconcertingly familiar -- even though Ethan is sure he'd remember meeting a stunning beauty like Anna Segee before. Anna has never forgotten Ethan -- or the schoolgirl crush she had on him before her father whisked her off to Canada. Now the shy, gangly girl is grown up and back in Oak Grove with a new name, new confidence, and a newly inherited mill of her own. Her superb reputation in a male-dominated industry hasn't come easy, but even harder will be ignoring the sexy man Ethan has become. . . .
The Seduction of His Wife Janet Chapman,2006-07-01 He set out to seduce her for all the wrong reasons -- but found himself falling in love with her for all the right ones. Alex Knight is dead -- or so everyone thinks. A widowed logger baron with a risk-taking streak, he took on a South American engineering project and was reported dead after a rebel attack. So when he turns up back in Maine very much alive, his grieving family is shocked. But the biggest shock is Alex's, when he discovers he's now married -- to a woman he's never met. Sarah Banks is ready for a change from running a quiet Bed & Breakfast, and working for the Knight family offers not only a bigger opportunity, but also the family life she yearns for. So she's glad to help secure custody of Alex's orphaned children, whom she's come to love, by marrying their father by proxy before he's legally declared dead. But when Alex returns, the sexy, determined woodsman upends all of Sarah's plans. Because suddenly she's married to a passionate stranger with an easy smile...and tumbling headlong into a fiery dance of seduction.
