

Love

Michael Genhart

Loving Hugh Nini, Neal Treadwell, 2020-10-14 *Loving: A Photographic Story of Men in Love, 1850-1950* portrays the history of romantic love between men in hundreds of moving and tender vernacular photographs taken between the years 1850 and 1950. This visual narrative of astonishing sensitivity brings to light an until-now-unpublished collection of hundreds of snapshots, portraits, and group photos taken in the most varied of contexts, both private and public. Taken when male partnerships were often illegal, the photos here were found at flea markets, in shoe boxes, family archives, old suitcases, and later online and at auctions. The collection now includes photos from all over the world: Australia, Bulgaria, Canada, Croatia, France, Germany, Japan, Greece, Latvia, the United States, the United Kingdom, Russia, and Serbia. The subjects were identified as couples by that unmistakable look in the eyes of two people in love - impossible to manufacture or hide. They were also recognized by body language - evidence as subtle as one hand barely grazing another - and by inscriptions, often coded. Included here are ambrotypes, daguerreotypes, glass negatives, tin types, cabinet cards, photo postcards, photo strips, photomatics, and snapshots - over 100 years of social history and the development of photography. *Loving* will be produced to the highest standards in illustrated book publishing. The photographs - many fragile from age or handling - have been digitized using a technology derived from that used on surveillance satellites and available in only five places around the world. Paper and other materials are among the best available. And *Loving* will be manufactured at one of the world's elite printers. *Loving*, the book, will be up to the measure of its message in every way. In these delight-filled pages, couples in love tell their own story for the first time at a time when joy and hope - indeed human connectivity - are crucial lifelines to our better selves. Universal in reach and overwhelming in impact, *Loving* speaks to our spirit and resilience, our capacity for bliss, and our longing for the shared truths of love.

The Love Book Nina Solomon, 2015-01-06 An anti-romantic comedy about the misadventures of four women who meet on a singles' bike trip.

Love Is Diane Adams, 2017-01-24 Perfect for any fond gift or tender moment, this story of a girl and a duckling who share a touching year together will melt hearts old and young. In this tenderly funny book, girl and duckling grow in their understanding of what it is to care for each other, discovering that love is as much about letting go as it is about holding tight. Children and parents together will adore this fond exploration of growing up while learning about the joys of love offered and love returned.

Love Is Love Michael Genhart, 2018-05-01 Open a dialogue with the children in your life about the importance of love and acceptance with this Silver Moonbeam Award Winner story celebrating open mindedness, diversity, and the LGBTQIA+ community. Perfect for your family library or a storytime read-aloud for any day of the year. It's love that makes a family. When a boy confides in his friend about bullies saying he doesn't have a real family, he discovers that his friend's parents—a mom and a dad—and his two dads are actually very much alike. Dr. Michael Genhart's debut story is the perfect resource to gently discuss discrimination with kids. This sweet and

straightforward story shows that gay families and straight families and everything in between are all different kinds of normal. What makes a family real is the love that is shared. Love Is Love is the book for you if you're looking for: LGBTQ+ books for kids Books about diversity for kids Books about equality for kids

All About Love bell hooks, 2018-01-30 A New York Times bestseller and enduring classic, All About Love is the acclaimed first volume in feminist icon bell hooks' Love Song to the Nation trilogy. All About Love reveals what causes a polarized society, and how to heal the divisions that cause suffering. Here is the truth about love, and inspiration to help us instill caring, compassion, and strength in our homes, schools, and workplaces. "The word 'love' is most often defined as a noun, yet we would all love better if we used it as a verb," writes bell hooks as she comes out fighting and on fire in All About Love. Here, at her most provocative and intensely personal, renowned scholar, cultural critic and feminist bell hooks offers a proactive new ethic for a society bereft with lovelessness--not the lack of romance, but the lack of care, compassion, and unity. People are divided, she declares, by society's failure to provide a model for learning to love. As bell hooks uses her incisive mind to explore the question "What is love?" her answers strike at both the mind and heart. Razing the cultural paradigm that the ideal love is infused with sex and desire, she provides a new path to love that is sacred, redemptive, and healing for individuals and for a nation. The Utne Reader declared bell hooks one of the "100 Visionaries Who Can Change Your Life." All About Love is a powerful, timely affirmation of just how profoundly her revelations can change hearts and minds for the better.

The 5 Love Languages Gary Chapman, 2014-12-11 Over 20 million copies sold! A perennial New York Times bestseller for over a decade! Falling in love is easy. Staying in love--that's the challenge. The Love Book Anthony DeStefano, 2016-08-30 Take a delightful look at one of the most abused, confused, and misused words in the English language--love--and explore its true meaning with bestselling author Anthony DeSefano. He has paired smile-making photos--of adults, couples, children, and even babies--with a refreshingly honest and truthful story to help you understand that real love is so much more than a greeting-card sentiment. This charming and heartwarming gift book leads you to discover that real love comes from God. By fully embracing that love, you'll discover that you are able to love your family and friends more deeply and sincerely than ever before.

Love Matt de la Peña, 2018-01-09 #1 NEW YORK TIMES BESTSELLER [A] poetic reckoning of the importance of love in a

child's life . . . eloquent and moving.—People Everything that can be called love -- from shared joy to comfort in the darkness -- is gathered in the pages of this reassuring, refreshingly honest picture book.—The New York Times Book Review, Editors' Choice / Staff Picks From the Book Review “Lyrical and sensitive, ‘Love’ is the sort of book likely to leave readers of all ages a little tremulous, and brimming with feeling.”—The Wall Street Journal From Newbery Medal-winning author Matt de la Peña and bestselling illustrator Loren Long comes a story about the strongest bond there is and the diverse and powerful ways it connects us all. In the beginning there is light and two wide-eyed figures standing near the foot of your bed and the sound of their voices is love. . . . A cab driver plays love softly on his radio while you bounce in back with the bumps of the city and everything smells new, and it smells like life. In this heartfelt celebration of love, Newbery Medal-winning author Matt de la Peña and bestselling illustrator Loren Long depict the many ways we experience this universal bond, which carries us from the day we are born throughout the years of our childhood and beyond. With a lyrical text that's soothing and inspiring, this tender tale is a needed comfort and a new classic that will resonate with readers of every age.

Love Does Bob Goff, 2012 Now a New York Times Bestseller As a college student he spent 16 days in the Pacific Ocean with five guys and a crate of canned meat. As a father he took his kids on a world tour to eat ice cream with heads of state. He made friends in Uganda, and they liked him so much he became the Ugandan consul. He pursued his wife for three years before she agreed to date him. His grades weren't good enough to get into law school, so he sat on a bench outside the Dean's office for seven days until they finally let him enroll. Bob Goff has become something of a legend, and his friends consider him the world's best-kept secret. Those same friends have long insisted he write a book. What follows are paradigm shifts, musings, and stories from one of the world's most delightfully engaging and winsome people. What fuels his impact? Love. But it's not the kind of love that stops at thoughts and feelings. Bob's love takes action. Bob believes Love Does. When Love Does, life gets interesting. Each day turns into a hilarious, whimsical, meaningful chance that makes faith simple and real. Each chapter is a story that forms a book, a life. And this is one life you don't want to miss. Light and fun, unique and profound, the lessons drawn from Bob's life and attitude just might inspire you to be secretly incredible, too. Endorsements: If this book does not make your heart beat faster, book the next flight to Mayo Clinic --Bill Hybels, Senior Pastor, Willow Creek Community Church, Chairman, Willow Creek Association Bob Goff is a one-man tsunami of grace, a hurricane of love. He doesn't just talk about change, he really is change, as Love Does chronicles in such a vivid way. Yet, Love Does doesn't leave you feeling like you want to celebrate its author, it awakens a sense deep within that you, too, have an outrageous role to play in God's unfolding story or rescue and repair. --Louie Giglio, Passion Conferences/Passion City Church An interesting and compelling story (with Young Life roots) that ends with a practical challenge and punch: 'love does' and God can use you to do it --Denny Rydberg, President, Young Life Every once in a while someone like Bob Goff shows up to remind us that some things matter a lot more than others. Love Does has a kind of 'north star' effect that will push you to refocus your life and energy on what is most significant. It doesn't just invite you to respond with your God-given potential, it

invites you to become a part of what God can do beyond your potential. --Reggie Joiner, Founder and CEO of Orange We liked the book a lot. Mostly, the balloons on the cover. The rest was pretty good too. Lots of stories about how God helps us. --Aedan, Asher and Skye Peterson ages 13, 12 and 9 This may look like a book. It's not. It is an invitation to enter into the greatest adventure you have ever known--your life as it was meant to be lived. Hang on --Michael Hyatt, Author, Platform: Get Noticed in a Noisy World, MichaelHyatt.com Bob's ability to love people brings contagious hope and inspiration wherever he goes. The power of love showcased in this book will surely touch the hearts and souls of many people. Read Love Does and find a friend in one the world's best hidden secrets, a person who shows how love can create connection and make a difference--even across oceans. --George Tsereteli, Deputy Chairman of the Parliament of Georgia (former Russian Republic)

Love Is My Favorite Thing Emma Chichester Clark, 2020-12-29 Starring an enthusiastic pooch whose joy, optimism and love know no bounds, this lively picture book is based on Emma Chichester Clark's own dog, and joyfully celebrates unconditional love. Plum has lots of favorite things--catching sticks, her bear, her bed--but really, LOVE is her absolute favorite thing. She loves her family and all the things they do together. Sometimes, however, Plum's exuberance causes trouble, and she just can't help being naughty. But fortunately, love is such a great thing that even when she makes mistakes, Plum's family still adores her.

Let's Talk About Love Claire Kann, 2018-01-23 Striking a perfect balance between heartfelt emotions and spot-on humor, this debut features a pop-culture enthusiast protagonist with an unforgettable voice sure to resonate with readers. Alice had her whole summer planned. Nonstop all-you-can-eat buffets while marathoning her favorite TV shows (best friends totally included) with the smallest dash of adulting--working at the library to pay her share of the rent. The only thing missing from her perfect plan? Her girlfriend (who ended things when Alice confessed she's asexual). Alice is done with dating--no thank you, do not pass go, stick a fork in her, done. But then Alice meets Takumi and she can't stop thinking about him or the rom com-grade romance feels she did not ask for (uncertainty, butterflies, and swoons, oh my!). When her blissful summer takes an unexpected turn and Takumi becomes her knight with a shiny library-employee badge (close enough), Alice has to decide if she's willing to risk their friendship for a love that might not be reciprocated--or understood. Claire Kann's debut novel Let's Talk About Love, chosen by readers like you for Macmillan's young adult imprint Swoon Reads, gracefully explores the struggle with emerging adulthood and the complicated line between friendship and what it might mean to be something more. Praise for Let's Talk About Love from the Swoon Reads community: "A sweet and beautiful journey about self-discovery and identity!" --Macy Filia, reader on SwoonReads.com "There aren't many novels that have asexual characters and it's something people need more of." --Alice, reader on SwoonReads.com "I want this on my shelf where I can admire it every day." --Kiara, reader on SwoonReads.com

A General Theory of Love Thomas Lewis, Fari Amini, Richard Lannon, 2007-12-18 This original and lucid account of the complexities of love and its essential role in human well-being draws on the latest scientific research. Three eminent psychiatrists tackle the difficult task of reconciling what artists and thinkers have known for thousands

of years about the human heart with what has only recently been learned about the primitive functions of the human brain. A General Theory of Love demonstrates that our nervous systems are not self-contained: from earliest childhood, our brains actually link with those of the people close to us, in a silent rhythm that alters the very structure of our brains, establishes life-long emotional patterns, and makes us, in large part, who we are. Explaining how relationships function, how parents shape their child's developing self, how psychotherapy really works, and how our society dangerously flouts essential emotional laws, this is a work of rare passion and eloquence that will forever change the way you think about human intimacy.

The Five Love Languages Gary Chapman, 2009-12-17 Marriage should be based on love, right? But does it seem as though you and your spouse are speaking two different languages? #1 New York Times bestselling author Dr. Gary Chapman guides couples in identifying, understanding, and speaking their spouse's primary love language-quality time, words of affirmation, gifts, acts of service, or physical touch. By learning the five love languages, you and your spouse will discover your unique love languages and learn practical steps in truly loving each other. Chapters are categorized by love language for easy reference, and each one ends with simple steps to express a specific language to your spouse and guide your marriage in the right direction. A newly designed love languages assessment will help you understand and strengthen your relationship. You can build a lasting, loving marriage together. Gary Chapman hosts a nationally syndicated daily radio program called A Love Language Minute that can be heard on more than 150 radio stations as well as the weekly syndicated program Building Relationships with Gary Chapman, which can both be heard on fivelovelanguages.com. The Five Love Languages is a consistent New York Times bestseller - with over 5 million copies sold and translated into 38 languages. This book is a sales phenomenon, with each year outselling the prior for 16 years running!

The Love Book Lenore Kandel, 1966

The Worst Book in the Whole Entire World Joey Acker, 2019-03-15 OH NO!!! You found The Worst Book in the Whole Entire World! Well, since you're already here I may as well tell you about it... Poor Nameless tries to explain to the reader why this book is simply the WORST book in the whole entire world. Will he succeed in his noble quest? Is he the reason this book is the worst?? Will it have a happy ending or the worst ending ever??? The Worst Book in the Whole Entire World is a humorous and witty tale for young and seasoned readers. Whatever you do though, don't read it out loud! You may catch wind of these words: toot, stinky, booger, and booty. You've been warned, but you'll still want to see what happens next!

Wired for Love Stan Tatkin, 2012-01-02 What the heck is my partner thinking? is a common refrain in romantic relationships, and with good reason. Every person is wired for love differently, with different habits, needs, and reactions to conflict. The good news is that most people's minds work in predictable ways and respond well to security, attachment, and rituals, making it possible to actually neurologically prime the brain for greater love and fewer conflicts. Wired for Love is a complete insider's guide to understanding a partner's brain and promoting love and trust within a romantic relationship. Readers learn ten scientific principles they can use to avoid

triggering fear and panic in their partners, manage their partners' emotional reactions when they do become upset, and recognize when the brain's threat response is hindering their ability to act in a loving way. By learning to use simple gestures and words, readers can learn to put out emotional fires and help their partners feel more safe and secure. The no-fault view of conflict in this book encourages readers to move past a warring brain mentality and toward a more cooperative loving brain understanding of the relationship. Based in the sound science of neurobiology, attachment theory, and emotion regulation research, this book is essential reading for couples and others interested in understanding the complex dynamics at work behind love and trust in intimate relationships.

Receiving Love Harville Hendrix, Helen LaKelly Hunt, 2004-10-05 This groundbreaking book from the best-selling authors of *Getting the Love You Want* and coauthors of *Giving the Love that Heals* is the first to address the biggest unexplored issue facing couples today: Most of us are better at giving love than accepting it. We don't realize all the ways that our resistance to appreciation, praise, compliments, and accepting help from others hurts us and cripples our relationships. Many partners learn how to give love, but many more undermine their relationships by for-getting something that is equally important -- learning to receive it. According to the authors, the root of the problem is the self-rejection that began in childhood, when our parents and caretakers unintentionally failed to nurture or directly rejected traits, characteristics, or im-pulses when we were children. We end up rejecting in ourselves whatever our caretakers ignored or rejected in the course of our childhoods. When we become adults, this makes it impossible to let in the love we want and need, even when our partners offer it. As a result, we dismiss compliments, minimize gestures of affection, and create obstacles to true intimacy. In this book, Harville Hendrix and Helen LaKelly Hunt, co-creators of Imago Relation-ship Therapy, offer a definitive guide to breaking the shackles of self-rejection and embracing the love our partners offer. *Receiving Love* is a very personal book for Drs. Hendrix and Hunt, and much of their own journey is the inspiration for it. Drawing on their renowned expertise, the wide clinical experience of hundreds of Imago therapists, and their own personal experience, the authors are able to offer detailed guidance on how to conquer the problems that come from self-rejection and embrace the gifts that are abundant in every person's life, if only we knew how to accept them. With its groundbreaking theory, challenging processes, and inspiring examples, this book holds the key to loving relationships that last.

A Book About Love Jonah Lehrer, 2016-07-12 "Jonah Lehrer has a lot to offer the world....The book is interesting on nearly every page....Good writers make writing look easy, but what people like Lehrer do is not easy at all." –David Brooks, *The New York Times Book Review* Science writer Jonah Lehrer explores the mysterious subject of love. Weaving together scientific studies from clinical psychologists, longitudinal studies of health and happiness, historical accounts and literary depictions, child-rearing manuals, and the language of online dating sites, Jonah Lehrer's *A Book About Love* plumbs the most mysterious, most formative, most important impulse governing our lives. Love confuses and compels us—and it can destroy and define us. It has inspired our greatest poetry, defined our societies and our beliefs, and governs our biology. From the way infants attach to their parents, to the way we

fall in love with another person, to the way some find a love for God or their pets, to the way we remember and mourn love after it ends, this book focuses on research that attempts, even in glancing ways, to deal with the long-term and the everyday. The most dangerous myth of love is that it's easy, that we fall into the feeling and then the feeling takes care of itself. While we can easily measure the dopamine that causes the initial feelings of "falling" in love, the partnerships and devotions that last decades or longer remain a mystery. This book is about that mystery. Love, Lehrer argues, is not built solely on overwhelming passion, but, fascinatingly, on a set of skills to be cultivated over a lifetime.

The World Book of Hope Leo Bormans, 2018-10-15 * A record of worldwide scientific research on hope* Including a selection of ten of the world's most hopeful projects* Full of inspiring examples After the worldwide success of *The World Book of Happiness* and *The World Book of Love*, author Leo Bormans has spent two years studying the scientific research on hope and meeting the most prominent experts in the field. Hope is not a luxury of the privileged few. It represents a universal psychological resource that can be found in all corners of the world. Hope is all of this: a tool for envisioning definable goals, a coping resource, an expression of trust and openness as well as a spiritual gift earned by faith or ritual. In the course of a lifetime every individual is apt to experience these different shades of hope. *The World Book of Hope* is an inspiring quest to the breadth and depth of hope. It offers a universal framework for understanding and using the most powerful tool of mankind: hope. Without hope there is no life. In this book, 100 professional researchers from all over the world share what we know about hope. Not spiritual philosophy but evidence-based knowledge of recent experiments and life-long research, set in a language everybody understands. This book unveils the secret power of hope in love and relationships, study and work, health and illness, education and care, freedom and prison, management and leadership, therapy and economy, youth and old age. It even shows how we can make pessimism work and how we can benefit from post-traumatic growth: one door closes, another one opens.

Field Notes on Love Jennifer E. Smith, 2019-03-05 Utterly romantic. --Jenny Han, NYT bestselling author of *To All the Boys I've Loved Before* The bestselling author of *Windfall* and *The Statistical Probability of Love at First Sight* returns with a meet-cute romance about Hugo and Mae, two teens who are thrown together on a cross-country train trip that will teach them about love, each other, and the futures they can build for themselves. It's the perfect idea for a romantic week together: traveling across America by train. But then Hugo's girlfriend dumps him. Her parting gift: the tickets for their long-planned last-hurrah-before-uni trip. Only, it's been booked under her name. Nontransferable, no exceptions. Mae is still reeling from being rejected from USC's film school. When she stumbles across Hugo's ad for a replacement Margaret Campbell (her full name!), she's certain it's exactly the adventure she needs to shake off her disappointment and jump-start her next film. A cross-country train trip with a complete stranger might not seem like the best idea. But to Mae and Hugo, both eager to escape their regular lives, it makes perfect sense. What starts as a convenient arrangement soon turns into something more. But when life outside the train catches up to them, can they find a way to keep their feelings for each

other from getting derailed? One of the loveliest, most touching romances of 2019 thus far that gets at the nature of something deeply buried in all of our hearts. --Entertainment Weekly This warm, romantic, never overly sentimental story is told with humor and heart....A deeply satisfying read about a life-changing journey full of poignant moments. --Kirkus, starred review

Love Introduction

In the digital age, access to information has become easier than ever before. The ability to download

Love has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Love has opened up a world of possibilities. Downloading Love provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Love has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous

websites and platforms where individuals can download Love. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Love. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Love, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute

malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Love has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Love Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and
