Can I Love? Oh Boon Keng, “Can I love?” I often find myself asking this question. This seemingly simple question isn’t as straightforward for me because of my disability. Having muscular dystrophy means that it has become progressively impossible for me to do many of the things I could previously do. Knowing that I would eventually lose most of my physical abilities and independence, I didn’t know if I should even embark on a journey to find romantic love. While I am perfectly able to love someone emotionally, what physical intimacy and long-term commitment can I offer? Is it just enough to love someone with all my heart, and only my heart, without the physical and practical aspects of a relationship? Will I become a burden to my partner instead? Being a hopeless romantic, my desire for romantic love compelled me to start on this journey. I had many crushes and met many failures that hurt me deeply. Eventually, my perseverance paid off and I entered a relationship. Short-lived it may be, it was one of the best experiences in my life – never have I felt so empowered before. Through this book, I want to share my journey to find love. May it open your heart and mind to the matter of love for persons with disabilities.

Forums Nishant Baxi,

Digilect Ágnes Veszelszki, 2017-06-26 The high degree of internet penetration and its social (and linguistic) effects evidently influence how people, and especially the highly susceptible younger generations, use language. The primary aim of the book is not only to identify the characteristic features of the digital language variety (this has already been done by several works) but to examine how digital communication affects the language of other mediums of communication: orality, handwritten texts, digitally created but not digitally perceived, that is printed texts, including in particular advertisements (which quickly respond to linguistic change). Naturally, the book presents the characteristics of the digital language variety (and coins the term *digilect*) but only to give a framework to the impact analysis. It is important to document changes in progress and thus direct attention to potential outcomes. The current linguistic change is different from previous ones primarily in its speed and form of spreading, and it not only brings innovative grammatical forms and writing/spelling solutions but may also have far-reaching cultural and educational consequences in the long run.

CEO’s Overbearing Love Xue WeiYang, 2019-11-24 Rumors had it that the Li Clan's CEO, Gao Fujun, had taken up two places. The one who was lacking was because he was too ugly, so he didn't dare to show it to others. Everyday, he would walk around holding the little girl's hand and watch movies. When necessary, he would stretch out his hand to break the peach blossoms behind the little

woman's back, happy to not be together. Only then did people find out that Boss Li was not ugly at all. That little woman had picked up a treasure from the good fortune she had accumulated in her previous life.

Marry And Love Her For Life Na LanJingYu, 2020-06-04 Inside the luxurious and comfortable hotel suite, a click could be heard and the door was opened by someone from outside. The drunk woman was carried into the room by a slightly sneaky figure. When she realized that the owner of the room had left temporarily, she sent the alcohol reeking woman to the large and soft bed without hesitation.

Unique Love of Flash Marriage Husband Qing Se, 2019-10-18 When she encountered the double betrayal of her fiancé and her sister, she directly caught an uncle and broke into a wedding ...He had agreed to take what he needed on a single paper, but he had ended up pampering her to the point where she could be easily admired by all the women in the city. Mr. Qin, aren't you gay? What are you doing standing in front of my bathroom door? Mr. Qin, aren't you a high level paraplegic? What's that thing that's holding me up? Qin Zhengnan, you liar, I want to get a divorce! The man pressed her down, You want a divorce? We'll talk about it when the baby is born!

Infinite Love from Flash Marriage Husband Hong Chen, Finding out her fiancé embroiled with her sister, she married a man in a wheelchair in a fit of pique. While they agreed to trade with each other's needs, he turned out to spoil her as the envy of all the women in the city. Mr. Lu, aren't you paraplegic? Lu Zhengnan, you liar! I want a divorce! The man held her into his arms, You want a divorce? You've given birth to a child for me!

Emotion in the Design Process Amic G. Ho, 2023-11-22 Manipulating the design process can be a stressful learning experience and it can be difficult to decide how to resolve design problems. This book explores and illustrates the close relationship between emotion and the design process by using new models and perspectives under the umbrella of 'design and emotion'. This book reveals that a greater understanding of design and emotion can inspire design students to explore how emotion can affect their decision-making and design processes. It enables the reader to develop methods to control their emotions to make effective decisions and strengthen their ability to manipulate the design process. Emotion in the Design Process features a study that develops a design process model to

make the decision-making processes more transparent. With a focus on the investigation of the ‘intrinsic factors’, this book features quantitative and qualitative research methods. Underpinned by deep-level research, the book outlines the strengths and limitations of the study and reveals the findings to create decision-making models where emotion is considered. Case studies are included to show the theories in practice. By reading this book, design students, who can be confused by the design process, will be able to grasp it and learn to regulate their emotions as a result whilst also producing better designers that can improve the overall quality and standard of the design industry. As such, this book will appeal most to students, researchers and academics in any field where design is a key task. It will also be of interest to anyone interested in Design and Emotion, Kansei Design and Engineering and Design and Technology.

Empirical Research for Futuristic E-Commerce Systems: Foundations and Applications Bilgaiyan, Saurabh, Singh, Jagannath, Das, Himansu, 2022-06-24 Recently, there has been an increase in the number of e-commerce users. This has caused online shopping to become a new and challenging market for e-commerce vendors. Security, inventory management, reliability, and performance of e-commerce websites are a few of the challenges associated with the rising popularity of e-commerce. On a daily basis, millions of e-commerce transactions are taking place. This generates a huge amount of data that can be used to solve the various challenges of e-commerce. Further study on how this data can be used to address these issues is required to propel businesses forward. **Empirical Research for Futuristic E-Commerce Systems: Foundations and Applications** shares experiences and research outcomes on all aspects of intelligent software solutions such as machine learning, nature-inspired computing, and data science for business-to-consumer (B2C) e-commerce. By looking at the exponential growth of the e-commerce market and its popularity, this book also focuses on the current issues, solutions, and future possibilities in the B2C model of e-commerce. Covering a range of critical topics such as online shopping, supply chain management, and blockchain, this reference work is ideal for academic scientists, data scientists, software developers, business experts, researchers, scholars, practitioners, academicians, instructors, and students.

Understanding Digital Literacies Rodney H. Jones, Christoph A. Hafner, 2021 **Understanding Digital Literacies** 2nd Edition provides an accessible and timely introduction to new media literacies. This book equips students with the theoretical and analytical tools with which to explore the linguistic dimensions and social impact of a range of digital literacy practices. Each chapter in the volume covers a different topic, presenting an overview of the major concepts, issues, problems and debates

surrounding the subject, while also encouraging students to reflect on and critically evaluate their own language and communication practices. Features of the 2nd edition include: expanded coverage of a diverse range of digital media practices that now includes Instagram, Snapchat, TikTok, Tinder, and WhatsApp; two entirely new chapters on Mobility and Materiality and Surveillance and Privacy; updated activities in each chapter which engage students in reflecting on and analysing their own media use; e-resources featuring a glossary of key terms and supplementary material for each chapter, including additional activities and links to useful websites, articles, and videos. This book is an essential textbook for undergraduate and post-graduate students studying courses in new media and digital literacies--

Loose Head Joe Marler,2020-10-01 SHORTLISTED FOR THE TELEGRAPH RUGBY BOOK OF

THE YEAR The truth about being a rugby player from the horsey's mouth. This book is not just about how a psychiatrist called Humphrey helped me get back on my horse and clippity-clop all the way to the World Cup semi-final in Japan. It's the story of how a fat kid who had to live up to the nickname Psycho grew up to play and party for over a decade with rugby's greatest pros and live weird and wonderful moments both in and out of the scrum. That's why I'm letting you read my diary on my weirdest days. You never know what you're going to get with me. From being locked in a police cell to singing Adele on Jonathan Ross (I'll let you decide which is worse), being kissed by a murderer on the number 51 bus to drug tests where clipboard-wielding men hover inches away from my naked genitalia, melting opponents in rucks, winning tackles, and generally losing blood, sweat and ears in the name of the great sport of rugby. This is how (not) to be a rugby player.

Love & Misadventure Lang Leav, 2013-09-17 The journey from love to heartbreak to finding love again is personal yet universal. Lang Leav's evocative love poetry speaks to the soul of anyone who is on this journey. Leav has an unnerving ability to see inside the hearts and minds of her readers. Her talent for translating complex emotions with astonishing simplicity has won her a cult following of devoted modern poetry fans from all over the world. Forget the dainty, delicate love poems of yore; these little poems pack a mighty punch. Lang Leav is a poet and internationally exhibiting artist. Her work expresses the intricacies of love and loss. *Love & Misadventure* is her first poetry collection.

Saxual Healing Billy Medicine,2015-06-04 How does friendship become obsession? Why need any romantic love be forbidden? Does there exist a sound more seductive than the reedy bray of a saxophone solo? The seedy, hysterical and unforgettable diaries presented herein tell of a lonely young man whose typical teen angst snowballed from mischievous trickery into the saxophone-related murders of two innocent men, and Billy's disappearance. And yet, Billy's efforts ultimately culminated in the production of the world's most beautiful and unknowable artistic expression of homosexual love. The creation of this stranger-than-fiction narrative was as much editor Leo X. Robertson's personal journey to discover what it was about him that had so unbalanced a disturbed soul, how much of the fallout he was personally accountable for, and how it was that Billy's unwanted persecution led Leo straight into the arms of his soulmate. Now, for the first time ever, read Billy's side of the story.
