

Marriage

Mark D. Goodson

What Is Marriage? Sherif Girgis, Robert George, Ryan Anderson, 2012-02-28 Until just yesterday, no society—monogamous or polygamous—had defined marriage as anything other than a male-female union. With clear and cogent arguments, *What Is Marriage?* explains the rational basis of this historic consensus. It defeats the arguments for recognizing same-sex partnerships as marriages and shows how doing so would harm the common good. Originally published in the Harvard Journal of Law and Public Policy, this book's core argument quickly became the year's most widely read essay of more than 300,000 scholarly articles posted on the Social Sciences Research Network. Now expanded to address a flurry of prominent responses, *What Is Marriage?* stands poised to meet its moment as few books of this generation have. If the marriage debate in America is decided in the next few years, it will be either with this book's help, or despite its powerful arguments. Rhodes Scholar Sherif Girgis, Princeton University professor Robert P. George, and Ryan T. Anderson, editor of the online journal Public Discourse, provide a devastating critique of the claim that equality requires redefining marriage. They point out that any assessment of what "marriage equality" demands depends on first determining what marriage is—what sort of relationships must be treated as essentially the same. They defend the principle that marriage, as a comprehensive union ordered to family life, requires a man and a woman. And they argue for the great social benefits of enshrining this principle in law. Most compellingly, they show that those who embrace same-sex civil marriage leave themselves no firm ground—none—for not recognizing as marriages every relationship type describable in polite English, including multiple-partner ("polyamorous") sexual unions. Finally, *What Is Marriage?* decisively answers common objections: that the historic view is rooted in bigotry (like laws forbidding interracial marriage); that it is callous to people's needs; that it can't show the harm of recognizing same-sex couplings, or the point of recognizing infertile ones; and that it treats a mere "social construct" as if it were natural, or an unreasoned religious view as if it were rational.

The Marriage Book Nicky Lee, Sila Lee, 2019-06-04 Full of practical advice, this bestselling book by Nicky and Sila Lee is easy to read and designed to prepare, build, and even mend marriages. *The Marriage Book* is essential reading for any married or engaged couple. This resource addresses questions like: How can we be happily married to one person for our entire life? How do we resolve conflict? How can we discover and rediscover sexual intimacy? *The Marriage Course* is a series of seven sessions, designed to help couples invest in their relationship and build a strong marriage. It serves as a bridge between the church and local community by recognizing the need to go beyond the social, as well as physical, walls of the church to help couples with their relationships. *Marriage Course* is easy to run; the talks are available on DVD (sold separately) and each guest and leader receives a manual. If you enjoy hosting people and have a passion for strengthening family life, you could run a course!

The Marriage Book Lisa Grunwald, Stephen Adler, 2015-05-12 The definitive anthology of wisdom and wit about one of life's most complex, intriguing, and personal subjects. When and whom do you marry? How do you keep a spouse content? Do all engaged couples get cold feet? How cold is so cold that you should pivot and flee? Where and how do children fit in? Is infidelity always wrong? In this volume, you won't find a single answer to your questions about marriage; you will find hundreds. Spanning centuries and cultures, sources and genres, *The Marriage Book* offers entries from ancient history and modern politics, poetry and pamphlets, plays and songs, newspaper ads and postcards. It is an A to Z compendium, exploring topics from Adam and Eve to Anniversaries, Fidelity to Freedom, Separations to Sex. In this volume, you'll hear from novelists, clergymen, sex experts, and presidents, with guest

appearances by the likes of Liz and Dick, Ralph and Alice, Louis CK, and Neil Patrick Harris. Casanova calls marriage the tomb of love, and Stephen King calls it his greatest accomplishment. With humor, perspective, breadth, and warmth, *The Marriage Book* is sure to become a classic.

Saving Your Marriage Before it Starts Les Parrott, 2006 Meeting the needs of a generation overwhelmed by divorce odds, relationship experts Les and Leslie Parrott share seven key questions to help couples identify and overcome stumbling blocks to building a healthy, lifelong marriage.

The Marriage Test Jill Andres, Brook Silva-Braga, 2016-02-02 A crash course in commitment: one couple and forty dates that could make or break their marriage before the wedding. Picking a partner is life's most important decision, but how are we supposed to make it? Being in love is a good start, but the issues that ultimately wreck marriages—money and monogamy, career and kids—are hard to gauge until you're actually hitched. So after a few years of dating, Jill Andres and Brook Silva-Braga built *The Marriage Test* to confirm their compatibility before saying "I do." Forty revealing challenges simulate the issues that could tank or strengthen their union. For a month, they swap credit cards, for a weekend they borrow a baby. An embarrassing lunch with their exes tests their trust issues. Sexual gymnastics are required to recreate TV love scenes. From a night of speed dating to 24 hours handcuffed together, the crazy, awkward, emotional trials fling them headfirst into assorted marital minefields. Is their love strong enough to weather real life? Only forty dates will tell...

The New I Do Susan Pease Gadoua, Vicki Larson, 2014-09-23 If half of all cars bought in America each year broke down, there would be a national uproar. But when people suggest that maybe every single marriage doesn't look like the next and isn't meant to last until death, there's nothing but a rash of proposed laws trying to force it to do just that. In *The New I Do*, therapist Susan Pease Gadoua and journalist Vicki Larson take a groundbreaking look at the modern shape of marriage to help readers open their minds to marrying more consciously and creatively. Offering actual models of less-traditional marriages, including everything from a parenting marriage (intended for the sake of raising and nurturing children) to a comfort or safety marriage (where people marry for financial security or companionship), the book covers unique options for couples interested in forging their own paths. With advice and quizzes to help readers decide what works for them, *The New I Do* acts as a guide to thinking outside the marital box and the framework for a new debate on marriage in the 21st century.

The Marriage Problem James Q. Wilson, 2002-03-01 Drawn from thorough research, a thought-provoking study of marriage and the devastating consequences of its collapse on society reveals the two underlying causes of this rapid dissolution--the rise of individualism and the repercussions of slavery, stressing the importance and necessity of a strong marital structure in the world.

Plural Marriage for Our Times Philip L. Kilbride, Douglas R. Page, 2012-08-17 This thoroughly revised second edition offers a child-centered, international perspective as it urges America to de-stigmatize alternate family forms. In this book's first edition, Philip L. Kilbride showed polygamy as the preferred marriage pattern in most parts of the nonwestern world and explained how plural marriage is surfacing in western countries to address economic and spiritual crises. In *Plural Marriage for Our Times: A Reinvented Option?* Second Edition, Kilbride and his coauthor, Douglas R. Page, update and enhance this thesis in light of contemporary circumstances, new studies, and current legal debates. This new edition examines plural marriage's benefits for children. It extends the discussion of polygamy and religion, especially the Muslim perspective on marriage and family; considers the illegal polygamy of

immigrants; and looks at multiple marriage in African American communities, where crisis polygamy is a growing phenomenon. The authors suggest Americans consider plural marriage as a viable practice that can help reduce the divorce rate, better protect women and children, and serve as an alternative to the fractured family so prevalent in America today.

Marriage Robert O. Blood, 1962 A quote here and a quote there makes speeches, stories, lectures more meaningful and interesting. Even students get bonus marks in their English Compositions if their work is besmeared with quotations here and there. Thus the important and the enrichment lent to language by means of quotation cannot be underestimated.

Marriage on Trial Lee Walzer, 2005-03-25 An examination of how the U.S. court system has shaped the boundaries of a central building block of American society from the colonial era to the present day. *Marriage on Trial: A Handbook with Cases, Laws, and Documents* explores the evolution of marriage, a seemingly static institution that, in reality, has been dramatically redefined over time. An illuminating introduction tracing the reasons for ongoing controversies leads to a historical overview of the ways in which marriage has evolved, with a particular emphasis on women, racial minorities, polygamists, and homosexuals. A review of significant court cases that represent key arguments regarding marriage—legal identity of women, polygamy, interracial marriage, rights of unmarried couples, and same-sex marriages—illustrates how the legal system has shifted with the changing mores of society. Will Americans ever tolerate polygamy? Will gay marriages be legally recognized? Scenarios of these and other possibilities for the future suggest that more change is in store.

Magnificent Marriage Gordon MacDonald, 1976

A History of Marriage Systems Gladys Robina Quale, 1988-05-06 Readers seeking a historical and cross-cultural treatment of marriage and the family will not be disappointed by this book. A readable and comprehensive account of marriage, rich in colorful social history, Quale's work excels in the comparison of lines of development among the foremost cultures of the world. Particularly impressive in this regard is her treatment of the Eastern civilizations and how these differed from what demographic historians have come to call the 'West European pattern' of marriage....Although written as a history, this book should be of interest to students of the family in the social sciences. While it is not a path-breaking work in the sense of providing significant novel conceptual or theoretical insights, it skillfully incorporates theoretical and empirical contributions from a multitude of disciplines. It devotes considerable attention to contemporary trends and consistently relates the institution of the family to the overall socioeconomic, political, and demographic contingencies within society....Quale has written an important book that contains a wealth of useful information and deserves serious consideration for use in graduate and undergraduate instruction. *Journal of Marriage and the Family* This is the first general worldwide history of marriage systems. Though it is comprehensive, it also uses contemporary American trends to illustrate broader tendencies in significant and sometimes dramatic ways. After going back to the earliest generations of human life to seek the roots of why and how human beings came to marry, it explores the various points in family life at which marriages are made, dissolved, and remade. It treats marriage systems as a basis for understanding how not only families, but whole societies operate. The functioning of a marriage system is perceived to be fully related to the overall economic and political situation within which families and individuals must make their way. The overall situation is looked at in a historical context, reflecting a condition of constant change. Quale traces the gradual modifications in patterns through the rise of agriculture and herding into commercial-urban societies and on to contemporary industrial-commercial life, comparing lines of development in the major regions of the world.

Built Marriage Tough - Workbook for Couples Laura Moore, Antonio Moore, 2019-09-08 At Marriage Means Moore, Marriage Coaches Antonio & Laura Moore takes their Built Marriage Tough approach to help couples face their realities. They ask the hard questions and push couples to work together honestly about their issues in this workbook.

The Nursery of Heaven George Zachariah, 2020-07-30 At a time when divorce and broken families are common, Christian families are seeking God's blessing and wisdom to preserve and make fruitful their marriages and journey together. The author has been married for sixty-one years; and through his experiences, conversations, and counseling with many couples, he has garnered important insights on how Christians may have good and productive marriages. This book provides guidance that Christians can prayerfully use to enrich their journey in married life with their partners, if they choose to listen. The author's six decades with his partner, Susan, have encouraged him to share his and her insights with fellow Christians.

The Marriage You've Always Wanted Bible Study Gary Chapman, 2009-07-22 From the New York Times bestselling author and international speaker comes this interactive, practical resource designed to help couples grow closer to each other, and closer to God. Couples will discuss and reflect on such areas as money, anger, forgiveness, and spirituality, all in an easy-to-use workbook format. Learn how to share yourself fully with your spouse and express love in a meaningful way. Formerly titled A Couple's Guide to a Growing Marriage. Ideal for personal and group study, and includes an updated resource list at the end of the book.

Marriage A Mystery Revealed Mark D. Goodson, 2004-05

Vertical Marriage Mike Rizzo, Anne Rizzo, 2015-12-28 Marriage is one of the most significant commitments any person can make in this life. Amongst the myriad of preparations you can make, what is most important for a lasting, healthy relationship? Understanding that marriage is not eternal -- but its fruit is -- Mike and Anne Rizzo, seasoned marriage counselors, turn our gaze Godward. A vertical focus, on the Creator of marriage, becomes the best foundation for building a beautiful, life-long bond with your future spouse. How does Scripture's bridal paradigm play into your daily relationship, and what is the ultimate goal of your union? Practical and visionary, Vertical Marriage will help you evaluate your relationship, establish a marital vision, understand God's unique design for your marriage and future, and set expectations for the nitty-gritty details of life together. For use with a marriage counselor or independently, Vertical Marriage is a premarital manual designed for engaged couples and those already married who desire to establish a powerful partnership of eternal significance.

Marriages Designed In Heaven Gaylon West, 2015-01-18 The subject of marriage is a timely subject. The Bible simply defines marriage as a man takes a woman. Happiness and well-being in marriage is based on a specific design. This design along with society's mores, civil government expectations, and ecclesiastical laws and fantasies are addressed. Jesus' message is compared and/or contrasted with Moses, the Prophets, the Pharisees, the Apostles, and Medieval church leaders. Over 40 translations of the Bible were consulted in addition to comparing the ancient Hebrew with its Greek equivalents through interlinears, word studies, lexicons, dictionaries, textual variants, and scholastic articles and comments. The appendix gives the history of Christendom's changing positions on marriage, divorce, and remarriage.

Better Than Ever David A. Stoop, Dr David Stoop, Dr Jan Stoop, 2007 Drs. David and Jan Stoop are a dynamic, loving husband-and-wife team of 48 years who have discovered seven key ingredients necessary to create a deeper, stronger marriage. The practical advice has been shaped from the Stoops' experience of more than 20,000 hours of counseling couples. With statements like great

couples speak the truth in love to the more couples give each other the better the relationship becomes, the Stoops highlight their seven secrets with real life lessons from couples who were facing their own challenges to set this book apart from other relationship advice books. - Publisher.

John Wesley and Marriage Bufford W. Coe,1996 In this book, a Methodist minister examines the sources of John Wesley's ideas about marriage and shows how those beliefs found expression in the cleric's revision of the Anglican wedding service. Author Bufford W. Coe describes the radical differences between a typical eighteenth-century wedding and a church wedding of today. He also tells the fascinating story of Wesley's romances with Sophia Hopkey and Grace Murray, based on his own private diaries, and shows how those relationships, as well as his miserably unhappy marriage, were affected by Wesley's beliefs about matrimony. Four days after Wesley decided he would marry at the age of forty-seven, he spoke to a group of unmarried men and encouraged them to remain single. In the matrimonial service he devised for American Methodists, Wesley eliminated the custom of the bride being given in marriage by her father, although Wesley consistently taught that Christians should not marry without the consent of their parents. Wesley strongly condemned the Roman Catholic Church for requiring celibacy of its priests, but his own rules required that Methodist preachers who married during their initial probationary period were thereby disqualified. In 1784, Wesley published The Sunday Service of the Methodists in North America with Other Occasional Services. Coe studies the components of Wesley's marriage liturgy from the Sunday Service to try to determine why Wesley revised the Anglican wedding service in the way that he did.--BOOK JACKET.Title Summary field provided by Blackwell North America, Inc.
