Kale & Caramel Lily Diamond, 2017-05-02 Born out of the popular blog *Kale & Caramel*, this sumptuously photographed and beautifully written cookbook presents eighty recipes for delicious vegan and vegetarian dishes featuring herbs and flowers, as well as luxurious do-it-yourself beauty products. Plant-whisperer, writer, and photographer Lily Diamond believes that herbs and flowers have the power to nourish inside and out. "Lily's deep connection to nature is beautifully woven throughout this personal collection of recipes," says award-winning vegetarian chef Amy Chaplin. Each chapter celebrates an aromatic herb or flower, including basil, cilantro, fennel, mint, oregano, rosemary, sage, thyme, lavender, jasmine, rose, and orange blossom. Mollie Katzen, author of the beloved *Moosewood Cookbook*, calls the book "a gift, articulated through a poetic voice, original and bold." The recipes tell a coming-of-age story through Lily's kinship with plants, from a sun-drenched Maui childhood to healing from heartbreak and her mother's death. With bright flavors, gorgeous scents, evocative stories, and more than one hundred photographs, *Kale & Caramel* creates a lush garden of experience open to harvest year round.

Facial Masks Recipes Dora Debankos, 2011-12-27 A guide to using the most effective ways to caring for your skin by using natural and organic ingredients to make your own skin care recipes. What if I told you there were products you could use that are natural and (many times) organic, which won't harm your skin or endanger your health? What if I told you there were products you can use and be absolutely sure of the ingredients you were putting on (and into) your body? What if I told you the ingredients for these

outstanding skin care remedies are waiting for you right now in your very own kitchen? All you need to do is gather the ingredients in order to make these products? Are you crazy, you ask? No, I'm not. These treatments aren't difficult to create and their advantages are huge! What could homemade skin care recipes do for you? Consider these results, the very same ones that you see advertised on television and in magazine pages. If you believe you're incapable of making such therapies, think again. These recipes don't take much time, don't require any fancy equipment, and don't take much space to make. Many of these treatments take only the items you probably have in your kitchen cabinets right now. Items as simple as honey, bananas, strawberries, and citrus fruit!

Natural & Organic Beauty Recipes Evelyn R. Scott, 2015-03-10 Have you noticed? You continue to use cosmetics & products promising you an acne-free life, anti-aging results, smoother glowing skin... But the more you use these products, the fewer results you see. If you're like millions of other people, you may begin to feel they only prove to be a waste of both your money (the best of these products come with a hefty price tag!) and your time. There very well could be something else that is being wasted, too -- your very health. It's true! Even the so-called natural and organic cosmetics seem to carry potential dangers -- despite the soothing assurances of commercials and manufacturers. If you put cosmetics on with less than healthy -- even toxic -- ingredients, guess what happens? All the potentially toxic items soak directly into your skin and into your system. Surely there must be a better way to make you look and feel better without putting your health on the line everyday! What if I told you there were products available that are natural, and many times organic that wouldn't harm your

skin or endanger your health? What if I told you there were products you can use and be absolutely sure of the ingredients you were using? What if I told you the ingredients for these outstanding skin care remedies are waiting for you right now in your very own kitchen? All you need to do is gather the items and make them. It's true and this is what Natural & Organic Beauty Recipes will show you. Just imagine being able to have healthier & more beautiful skin in just 7 days (or less) without becoming frustrated or wasting your time. Here's what you'll discover in Natural & Organic Beauty Recipes: - The potentially dangerous and toxic ingredients lurking in many modern cosmetics... - How to understand the advantages of creating your own skin care recipes, therapies and treatments... - Dozens of easy-to-make, all-natural recipes for facial scrubs, masks, under eye treatments, moisturizers and more... - 7 everyday but often overlooked tips and tricks for understanding your skin and giving it the best treatments... - WARNING: 3 things you should never do when it comes to creating your own homemade skin care treatments... - 6 time tested and proven strategies to reducing, treating and curing many common skin problems... - How to use natural skin care recipes to improve your skin's moisture content and repair damaged skin... - How to use skin care recipes to boost your skin's ability to protect itself from environmental toxins... - And much more...

80 Recipes For Beauty Face Masks Evelyn, In this book I tried to create a useful guide where you will find not only a list of face mask recipes, but also all the information you need to create your own. That's right! No one can actually cover all the combinations, they are probably unlimited. Wouldn't it be much more convenient to combine ingredients and make your own recipes? This is why I included two lists at the end of the book. The

first one is a list of several skin problems and needs; at least the most common. Next to each skin issue, you will find some ingredients with the suitable properties. For example: Puffy eyes: cucumber, chamomile, avocado. This way, you can easily find what meets your special needs. Next, follows another list, which includes the ingredients that have been used in the recipes in this book. Next to each ingredient you will find some of their most beneficial nutrients, as well as how they benefit the skin; Easy, quick, economic and most of all: natural and safe! After all, could you apply on your face something safer than your food?

Awesome Self-Care Face Masks Jenny Kings, 2019-09-17 Face masks are the most advantageous skincare treatment option that helps take care of all your skincare problems. Most likely because they are applied directly to the face, they quickly help eradicate acne, pimples, spots, and other skincare problems on the face. They are also very good at helping clear out all forms of breakouts on the face. Face masks help to hydrate the skin and extract excess oils that may be blocking your pores. Face masks will give you healthy and radiant skin in just a few minutes after use. Facial masks also have the added benefits of tightening up the skin and preventing wrinkles. With the numerous benefits that face masks provide, it is understandable that so many people would want to have them and use them. However, face masks tend to be quite a bit expensive, and this can make people shy away from them. This book contains over 25 amazing face mask recipes that will completely invigorate and replenish your skin. Trust me when I say there is something for everyone! These recipes will give you smooth, radiant, and glowing skin that will make you the envy all women who lay eyes on you. So what are you waiting for? Download this recipe
