Matchmaking in Electronic Markets Daniel J. Veit,2003-12-15 Electronic negotiations concern transactions on the basis of electronic media, such as the Internet. Platforms have been developed to aid participants in electronic markets during the agreement phase. The key activity in this is the matching of offers and requests, for which we need a ranking of the alternatives. In this book the author defines a framework in which a ranking can be generated in order to acquire an optimal decision for a desired transaction - this process is called matchmaking. The author introduces a generic framework for multidimensional, multiattribute matchmaking, its implementation, and an analysis of it. The genericity of the author's approach means that the implementation, realized as a multiagent system, can represent both offering and requesting agents, and the framework can be applied to a huge variety of applications. The use cases in the book are derived from the human resources domain, and thus involve quite complex matchmaking. The author's presentation is thorough and self-contained. He provides definitions of the relevant business and computer science terms, and detailed explanations of the underlying mathematical tools and software implementations.

The Reluctant Matchmaker Shobhan Bantwal,2011-10-24 In her thought-provoking, uplifting new novel, Shobhan Bantwal vividly blends the nuances of contemporary Indian-American culture with an unconventional romance. . . At thirty-one, Meena Shenoy has a fulfilling career at a New Jersey high-tech firm. Not that it impresses her mother and aunts, who make dire predictions about her ticking biological clock. Men are drawn to Meena's dainty looks and she dates regularly, but hasn't met someone who really intrigues her. Someone

professional, ambitious, confident, caring. Someone like her new boss, Prajay Nayak. Just as Meena's thoughts turn to romance, Prajay makes an astonishing request. He wants her to craft a personal ad that will help him find a suitable wife: a statuesque, sophisticated Indian-American woman who will complement his striking height. Despite her attraction to Prajay and the complications of balancing work and her marriage consultant role, Meena can't refuse the generous fee. And as her family is thrown into turmoil by her brother's relationship with a Muslim woman, Meena comes to surprising realizations about love, tradition, and the sacrifices she will--and won't--make for the sake of both. Once Upon a Matchmaker Marie Ferrarella, 2012-06-01 If there was one thing single dad Micah Muldare lacked, it was time! The busy widower didn't have enough hours in the day for his too-full to-do list—his high-profile job demanded focus, and the rest of his not-so-spare time was devoted to caring for his two little boys. He certainly had no room in his hectic schedule for romance...until Tracy Ryan walked through his door. The once-burned attorney

had long ago given up on finding true love and a family of her own. She'd grown used to keeping her heart under guard. But resisting handsome Micah—and his adorable children—was proving difficult indeed! Maybe it was time Tracy reconsidered her no-nonsense approach to life and took the ultimate risk to win the family she'd always wanted!
