Numerology and Astrology Rhonda Waite Moon,Crystal Shadow,2020-11-06 2 Books in 1 Boxset This boxset includes 2 manuscripts: The Complete Collection of Books on Numerology and Astrology for Beginners. Numbers abound in this world, and studying the numbers will tell you more about the kind of person you are and the person that you can be and have been. Numerology is the science of using numbers to explain and describe people, what they do, and who they are. Numerology is a scientific-based system of converting information about a person to a number that corresponds to information on various charts. You will learn how to calculate the numbers that will mean the most to you as an individual. You will see how mixing combinations of numbers will give a very different result in your life. And you will even learn how you can use numbers to know what kind of life you lived in a past life. The worst part about not trying to make numerology work in your life is the knowledge of what you will be missing. If you do not calculate your numbers and see what they mean to you, then you might not even know what kind of person you truly are, what kind of values you believe in, or what motivates and drives you. You might feel that you could live forever not knowing these things, but think about how much more improved life would be if you had a way to interpret the meaning of the events in your life and how to handle them? The book of astrology that you are holding in your hand will enlighten the path of astrology and its basic concept in the best manner. The book 'The Astrology' reveals the secret of all the

key point of astrology. By reading this book, you will be able to know what is astrology and from where it originates.
