I guarantee that my maze will challenge you to think in ways you've never thought before. But beware. One wrong turn and you may never escape!

rebirth and pleasure gardens for pure entertainment. The Maze Catherine Coulter, 1997 Lacey Sherlock's life is forever changed when her older sister's body is discovered in an abandoned warehouse. She is the fourth victim of the String Killer, the name given by the media to a murderer who leads his victims into a maze with a ball of twine. Seven years after Belinda's death, Lacey, now an FBI agent, is paired up with computer whiz Dillon Savich, who has developed a predictive program to aid in the apprehension of serial killers. When the String Killer strikes again, Lacey spots his handiwork, resulting in his capture. The suspect confesses, but maintains that he did not kill Belinda. No sooner does Lacey confirm his innocence of that crime, than an attempt is made on her life. Suspecting her attacker is the same person who murdered her sister, Lacey and Dillon know they must solve the mystery - before they become the killer's next victims.

The Maze Nelson DeMille, 2022-10-11 #1 New York Times bestselling author Nelson DeMille returns with a "genuinely thrilling" (The New York Times) suspense novel featuring his most popular series character, former NYPD homicide detective John Corey, called out of retirement to investigate a

string of grisly murders much too close to home. Nelson DeMille introduced readers to NYPD Homicide Detective John Corey in Plum Island, who we first meet sitting on the back porch of his uncle's waterfront estate on Long Island, recovering from wounds incurred in the line of duty. Six novels later, *The Maze* opens with Corey on the same porch, having survived new law enforcement roles and romantic relationships—wiser and more sarcastic than ever. Corey is restless and looking for action, so when his former lover Detective Beth Penrose appears with a job offer, Corey has to once again make some decisions about his career—and about reuniting with Beth. Inspired by and based on the actual and still-unsolved Gilgo Beach murders, *The Maze* takes us on a dangerous hunt for an apparent serial killer who has murdered nine—and maybe more—sex workers and hidden their bodies in the thick undergrowth on a lonely stretch of beach. As Corey digs deeper into this case, he comes to suspect that the failure of the local police to solve this sensational mystery may not be a result of their incompetence—it may be something else. Something more sinister. *The Maze* features John Corey's politically incorrect humor, matched by his brilliant and unorthodox investigative skills, along with the shocking plot twists that are the trademark of the bestselling author Nelson DeMille, "the master of smart, entertaining suspense" (Bookreporter).

The Cornfield Maze Mystery Mario Dante, 2010-06 Across the dull gray sky of a late October afternoon, two girls, standing on a slight rise near a cornfield, fold their arms across their windbreakers. With cheeks aglow from the frosty air, their eyes dance with excitement. Lila and her best friend,

Erin, have just decided that today is the day that they will conquer the cornfield maze on the Dunphy's Family Farm. Lila and Erin gleefully push open the wooden gate and enter the cornfield maze. Erin starts running down the path, laughing and yelling that she will go first. She tells Lila that she must count to twenty before she follows. But when the time comes for them to meet up, Lila can't find Erin-she has disappeared! What could have happened to her? Erin can't find her way out of the cornfield, and the darkening sky looks more and more like rain. She is running now, crashing carelessly through the dead corn stalks, too frantic to recoil from the dry leaves whipping her face as she charges along. Unexpectedly, she sees a shadowy form, just ahead, not moving. It stands motionless, partially obscured by the high stalks. She stops, stunned. Will she ever find her way out of the maze and back to Lila? Inspired by the photo above, featuring the author's granddaughters, this story is part reality and part fantasy, recalling a wonderful afternoon spent romping through a large cornfield maze.
