Minder Laikyn Meng,2020-07-28 He should have stayed away from me. I wasn't the angel everyone claimed me to be. There wasn't a halo hovering above my head. Even true love creates scars so deep you have to rip your heart apart to mend. Lawson Arzola didn't get the picture, and I wasn't in the mood to make him believe. The blood of my mother was still fresh in my mind, but there were other things to worry about. A promise to a new life, denial of my father's kingdom. But we all have consequences when choosing the right. Even if we know it will go wrong. Lennox Krause held me confined to a Texas boarding school since the death of my mother, his once lover. Now we are back together all under one roof. The twins, Calhoun and Kalonie. The eldest of us, Leonie. But with new beginnings come old quarrels and loathsome jealousy. I thought losing my mother was the hardest thing I would have to endure in my short life. Turns out fighting for my life, all in the name of survival, is the least of my worries. We never stood a chance, not when Lawson Arzola came in like a fierce storm so damaging, it could only be him who waved the white flag. **MINDER: Olallie's Offering** is the 1st book in the Mum's The Word Series. **MUFFLE: A Love Like Luna's** is the Prequel to the series. 18+ Mature Content, Explicit Language and Sexual Scenes, Abuse, and Violence.
