Missing Kelley Armstrong, 2017-04-18 Fans of CJ Omololu's *The Third Twin* will flock to the romantic thriller from #1 New York Times bestselling author Kelley Armstrong, now available in paperback. The only thing Winter Crane likes about Reeve's End is that soon she'll leave it. Like her best friend did. Like her sister did. Like most of the teens born in town have done. There's nothing for them there but abandoned mines and empty futures. They're better off taking a chance elsewhere. What Winter will miss is the woods. Her only refuge. At least it was. Until the day she found Lennon left for dead, bleeding in a tree. But now Lennon is gone too. And he has Winter questioning what she once thought was true. What if nobody left at all? What if they're all missing? A compelling thriller that keeps the reader hooked until the end. -VOYA, Starred

Missing Lindsay Harrison, 2011-08-02 A beautifully written, intensely poignant memoir that looks at grief, family dynamics, and what happens when your world comes crashing down. A twenty-five-year-old recent graduate of Columbia University's MFA program, Lindsay Harrison began writing *Missing* as a way to cope with a terrible loss. During her sophomore year at Brown University, Lindsay received a phone call from her brother that her mother was missing. Forty days later they discover the unthinkable: their mother's body had been found in the ocean. *Missing* is at first a page-turning account of those first forty days, as it chronicles dealings with detectives, false sightings, wild hope, and deep despair. The balance of the story is a candid, emotional exploration of a daughter's search for solace after tragedy as she tries to understand who her mother truly was, makes peace with her grief, and becomes closer to her father and brothers as her mother's death forces her to learn more about her mother than she ever knew before.

A Certain Appeal Vanessa King, 2021-11-02 A sparkling contemporary retelling of *Pride and Prejudice* set in the tantalizing world of New York City burlesque, perfect for fans of *The Kiss Quotient* and *The Roommate*. After a betrayal derailed her interior design career, Liz Bennet found a fresh start in New York. Now an executive assistant by day and stage kitten by night, she's discovered a second home with the performers at Meryton, Manhattan's top-tier burlesque venue. Love's the last thing on her mind when she locks eyes with Will Darcy across the crowded club, yet the spark between them is undeniable—that is, until she overhears the uptight wealth manager call her merely “tolerable.” Bennet is determined to write Darcy off, but once their besties fall head-over-heels, they're thrown into each other's orbit again and again. Each encounter begins to feel more heated than the last, but is their chemistry enough to topple that terrible first impression? What's more, when a charming newcomer arrives on the scene with accusations against Darcy, and a sudden development leaves Meryton's fate in jeopardy, Bennet will have to decide who to trust in time to salvage her design

dreams, her heart, and the stage she shares with her found family...

If I Go Missing Brianna Jonnie, 2019-11-18 Combining graphic fiction and non-fiction, this young adult graphic novel serves as a window into one of the unique dangers of being an Indigenous teen in Canada today. The text of the book is derived from excerpts of a letter written to the Winnipeg Chief of Police by fourteen-year-old Brianna Jonnie — a letter that went viral and was also the basis of a documentary film. In her letter, Jonnie calls out the authorities for neglecting to immediately investigate missing Indigenous people and urges them to not treat me as the Indigenous person I am proud to be, if she were to be reported missing. Indigenous artist Neal Shannacappo provides the artwork for the book. Through his illustrations he imagines a situation in which a young Indigenous woman does disappear, portraying the reaction of her community, her friends, the police and media. An author's note at the end of the book provides context for young readers about Missing and Murdered Indigenous Women and Girls in Canada.

I was so invested in the future of this mother and son, and I can't wait to hear what you think of this deeply suspenseful story!" —Reese Witherspoon

(Reese's Book Club Pick) Twelve-year-old Bird Gardner lives a quiet existence with his loving father, a former linguist who now shelves books in a university library. His mother Margaret, a Chinese American poet, left without a trace when he was nine years old. He doesn't know what happened to her—only that her books have been banned—and he resents that she cared more about her work than about him. Then one day, Bird receives a mysterious letter containing only a cryptic drawing, and soon he is pulled into a quest to find her. His journey will take him back to the many folktales she poured into his head as a child, through the ranks of an underground network of heroic librarians, and finally to New York City, where he will finally learn the truth about what happened to his mother, and what the future holds for them both. Our Missing Hearts is an old story made new, of the ways supposedly civilized communities can ignore the most searing injustice. It's about the lessons and legacies we pass on to our children, and the power of art to create change.
