The Rise and Rise of The Monitor Solomon Bareebe Rukuuka,2007 This book is about the relationship between the media (The Monitor newspaper in particular), and politics - from the first newspapers started by missionaries in the 19th century to 1999 in the 21st century, when the Nation Media Group of Kenya stretched its tentacles into Uganda by gaining a control stake in The Monitor Publications Ltd. The book explores The Monitor's love and hate relationship with the NRA/M government. Why did the newspaper survive a government advertisement ban slapped on it and why did it thrive despite its critical stance?

Monitoring the News: The Brilliant Launch and Sudden Collapse of the Monitor Channel Susan Bridge,2015-05-20 In her colorful insider's account, Susan Bridge analyzes the bitter struggle that ensued when a sophisticated entrepreneurial leadership tried to diversify and reposition The Christian Science Monitor beyond the failing newspaper into radio, the Internet, multimedia publishing, and -- the highest-ticket item of all -- The Monitor Channel, a CNN-style, 24-hour news and public affairs channel. Using the Monitor's story as a focus, Susan Bridge raises fundamental questions about how and whether the public's interest can be served in an age of spiraling costs, competition between print and electronic media, changing public tastes, and undeclared media wars.
