Smart Work Dermot Crowley,2015-11-23 Organise your way to renewed focus and calm Smart Work is the busy professional's guide to getting organised in the digital workplace. Are you drowning in constant emails, phone calls, paperwork, interruptions and meeting actions? This book throws you a lifeline by showing you how to take advantage of your digital tools to reprioritise, refocus and get back to doing the important work. You may already have the latest technology, but if you're still swamped, you're not using it to your advantage. This useful guide shows you how to leverage the technology you have to centralise your work into one integrated tool. You'll develop a simple and sustainable productivity system to organise your actions, manage your inputs and achieve your outcomes. The highly visual nature of the book helps you quickly grasp the ideas you need most. Like most professionals, you want to do great work and achieve great things. But when half your day is spent on emails, phone calls and 'extra' duties, you rarely get a chance to shine. This book changes that. Get back in control so you can start performing like a star. Get organised, focused and proactive Conquer the daily incoming deluge Spend more time on important work Leverage your desktop and mobile technology When work is coming at you from every direction, it's difficult to focus and prioritise. Things get lost in the shuffle. But when you channel everything into a single stream, you settle into a flow and get more accomplished in less time. Smart Work is your guide to finding your flow—and the bottom of your inbox.

The Quiet Revolution in Email Marketing Bill Nussey,2004-09 A revolution is taking place that will forever change the world of marketing. The strategies and techniques that have served marketers for years will not only decline in effectiveness, they will begin to quietly undermine the very brands and the customer relationships that companies have worked so hard to create. The Quiet Revolution introduces a new marketing language, written by the pioneers of the online world. Powerful new concepts like Customer Communication Management (CCM) and Email Brand Value (EBV) are becoming indispensable tools for marketers, regardless of their industry and company size. This book brings together the experiences of today's online marketing leaders like IBM, American Airlines, and the New York Times to help aspiring email marketing programs achieve similar success. Nussey's approach brings the customer focus back to email communications. His book delivers a solid foundation that will help marketers build effective communication strategies and take full advantage of email without risking the very relationships they're trying to build. -Matt Leonard, IBM, manages customer privacy and policy worldwide Email marketing has evolved into a very sophisticated media that requires the same level of expertise within an organization as other marketing or advertising functions like direct mail, media buying, or e-business. The Quiet Revolution will help good email marketers get better by offering a holistic view of the channel, introducing a fresh new perspective, and defining Email Brand Value as a new metric of success. -Chris Kneeland, The Home Depot, coordinates and leads all email marketing initiatives Bill Nussey's book masterfully presents best practices and tactical advice to help marketers transform their email programs from a broadcast medium driven by frequency, to a valuable relationship-marketing tool driven by the principles of Customer Communication Management. -David Daniels, JupiterResearch, Senior Analyst The definitive reference guide for email communications-a must have addition to your marketing library. -Adam M.
