Special Edition Using Mac OS X, V10.3 Panther Brad Miser,2004 The Panther release of Mac OS X continues the development of the Macintosh operating system. Mac OS X has become the dominant OS on the Macintosh platform and is currently the default OS on all new Macintosh computers. Mac OS X is a complex and powerful operating system for which no documentation is provided by Apple outside of the Apple Help system, which contains very limited information. Special Edition Using Mac OS X Panther provides the in-depth, wide ranging coverage that enables Mac users to get the most out of the operating system and included tools. This book explains how to get the most out of the core OS, including the Finder, desktop, and system customization. The book also shows readers how to use OS X's Internet applications for email, Web surfing, and .mac for publishing content on the Net. One of the book's major strengths is the extensive coverage of iTunes, iPhoto, iDVD, and iMovie. QuickTime and QuickTime Pro are also covered. The book helps readers understand and configure the technologies to expand their systems.

Fixing PowerPoint Annoyances Echo Swinford,2006-02-17 If you're vexed and perplexed by PowerPoint, pick up a copy of Fixing PowerPoint Annoyances. This funny, and often opinionated, guide is chock full of tools and techniques for eliminating all the problems that drive audiences and presenters crazy. There's nothing more discouraging than an unresponsive audience--or worse, one that snickers at your slides. And there's nothing more maddening than technical glitches that turn your carefully planned slide show into a car wreck. Envious when you see other presenters effectively use nifty features that you've never been able to get to work right? Suffer no more! Fixing PowerPoint Annoyances by Microsoft PowerPoint MVP Echo Swinford rides to the rescue. Microsoft PowerPoint is the most popular presentation software on the planet, with an estimated 30 million presentations given each day. So no matter how frustrated you get, you're not about to chuck the program in the Recycle Bin. Fixing PowerPoint Annoyances, presents smart solutions to a variety of all-too-familiar, real-world annoyances. The book is divided into big categories, with annoyances grouped by topic. You can read it cover to cover or simply jump to the chapter or section most relevant to you. Inside its pages you'll learn how to create your own templates, work with multiple masters and slide layouts, and take advantage of various alignment and formatting tools. You'll also learn how to import Excel data; insert graphics, PDF, and Word content; create, edit, and format organization charts and diagrams; use action settings and hyperlinks to jump to other slides; and add sound, video, and other types of multimedia to spark up your presentations.

Entertaining and informative, Fixing PowerPoint Annoyances is filled with humorous illustrations and packed with sidebars, tips, and tricks, as well as links to cool resources on the Web.

Organizing Your Creative Career Sheila Chandra,2019-01-03 A practical and friendly guide to taming your chaos written specifically for creative people by the bestselling author of Banish Clutter Forever. Sheila gave me the tools to hunt success, and the infrastructure to handle it when it came. - Stik, world renowned street artist and author Most of the conventional productivity advice you'll find in the business section simply does not work for creative people. Surprisingly, to date there has not been a single book that addresses the unique organizational challenges that artists face. This book sets out to change that, it addresses the myth that truly creative people are messy and that they need mess in order to create. An artist herself, Sheila Chandra applies her professional insights as an organizing expert to the lives of other busy creative people in all disciplines, showing them how good organization can liberate their creative magic. She begins with artists' physical spaces, including arranging their workspaces and offices so that they remain tidy effortlessly. Her career headspace chapters cover: • creative well-being, including artist support systems • career well-being, including networking and collaborations • self-promotion and how to avoid working for free • making social media pay • personal branding, career planning and goals • how to manage copyright issues and legal paperwork • legacy management And all from an artist's point of view. These fool-proof, tried and tested systems are mixed with creativity tips and artist well-being advice that only one artist knows to give another. Written with real affection for the reader, Sheila Chandra takes the creative person by the hand and puts them on the path to success.
