My Documents Alejandro Zambra, 2024-02-27 The landmark first story collection from internationally acclaimed author Alejandro Zambra, now featuring five additional stories and an introduction by his longtime collaborator, Megan McDowell An early desktop computer becomes the third partner in a doomed relationship; an older brother figure whose father lives in exile imparts hilarious life lessons to his young protégé. A man attempts to quit smoking despite the fact that he's very good at it; another masquerades as the family man he'll never be. Throughout, Pinochet's dictatorship casts a long shadow, and men in relationships exhibit their profound capacity for both love and harm. In these unforgettable stories—which span religion, romance, technology, soccer, solitude, and more—Alejandro Zambra unfolds a radical literary reflection on life, relationships, and the tender and brutal dimensions of masculinity in Chile from the 1980s to the present. Intimate and playful, provocative and profound, and brilliantly rendered by National Book Award winning translator Megan McDowell, *My Documents* a testament to the necessity of literature even—and especially—in times of political and personal crisis.

Multiple Choice Alejandro Zambra,2016-07-19 A brilliant, innovative, beautiful (The Guardian) book from the acclaimed author of Chilean Poet Dazzling . . . a work of parody, but also of poetry. —The New York Times Book Review NAMED ONE OF THE BEST BOOKS OF THE YEAR BY NPR, THE GUARDIAN, AND THE IRISH TIMES “Latin America’s new literary star” (The New Yorker), Alejandro Zambra is celebrated around the world for his strikingly original, slyly funny, daringly unconventional fiction. Now, at the height of his powers, Zambra returns with his most audaciously brilliant book yet. Written in the form of a standardized test, Multiple Choice invites the reader to respond to virtuoso language exercises and short narrative passages through multiple-choice questions that are thought-provoking, usually unanswerable, and often absurd. It offers a new kind of reading experience, one in which the reader participates directly in the creation of meaning, and the nature of storytelling itself is called into question. At once funny, poignant, and political, Multiple Choice is about love and family, authoritarianism and its legacies, and the conviction that, rather than learning to think for ourselves, we are trained to obey and repeat. Serious in its literary ambition and playful in its execution, it confirms Alejandro Zambra as one of the most important writers working in any language. NAMED A BEST BOOK OF THE SUMMER BY THE WALL STREET JOURNAL, ELLE, THE HUFFINGTON POST, THE MILLIONS, VOX, LIT HUB, THE BBC, THE GUARDIAN AND PUREWOW

*Take Control of Managing Your Files, 2nd Edition* Jeff Carlson,2023-05-23 Take the pain out of dealing with files and folders Version 2.0, updated May 23, 2023 Your Apple devices contain an overwhelming number of files and folders, and as these items accumulate, they create more work for you. Does your file management system involve throwing everything on the desktop and then pawing through it laboriously when you need to find something? Do you even have a system? There’s a better way. This book helps you organize, search, and clean up the files on your Mac, iPhone, and iPad, providing practical steps and realistic strategies to save time, reduce clutter, and decrease stress.n Apple users have fantastic tools at their disposal for using, creating, and editing files of all kinds, but few of us have any real strategy for naming, organizing, or tagging those files—making them increasingly difficult to find later on. In this book, veteran technology author Jeff Carlson helps you make sense of what could be millions of files on your Mac, iPhone, or iPad so that you can spend less time hunting for things and more time doing useful work (or having fun). Jeff starts by helping you set appropriate file management goals and develop overall strategies that fit your needs and preferences. Then he gets into the details of how to use the Finder (on a Mac), the Files app (in iOS and iPadOS), and third-party tools to make sense of your files and folders and easily find what you're looking for. This book covers topics such as: • How to keep important items in sync among your devices • Choosing when to use internal storage vs. external storage (such as an external hard drive, a NAS, or the cloud) • Whether and how to use iCloud Drive to sync your files, including Desktop and Documents folders • How to create shortcuts to your favorite files and folders • Understanding how the macOS folder hierarchy works • The best ways to use the desktop • What you should consider when creating a folder hierarchy • Why and how to use tags to categorize files • How you can automatically sort, rename, and file items on your Mac • Ways you can collaborate with others on the same files and folders • When to consider third-party information management apps (such as DEVONthink) • How to find files and folders with Spotlight in macOS, iOS, and iPadOS • Alternative search tools you might want to consider • How to work your way through a long backlog of unsorted (or poorly sorted) files • Techniques for encrypting

sensitive files (and other data) • Ways to free up storage space If you're struggling with file management, this book will help you get a grip on the process—and get your devices to do more of the hard work for you.

**The Educated Street Boy** Sam Rogeni,2013-09-12 The book is based on a true story on how a father, Athur Kingoina, mistreats his youngest son, Maxwell Ratemo who had just graduated from Nairobi University with a B.Com degree. His father occasionally, receives some money from his other three children who are studying in the US and thinks that the one at home should have a job and may be, be in a position of giving him money too. His girlfriend, Rosalina, is not kind either. She jilts him for another man whom he meets with her at Uhuru Park enjoying their time. The good thing was that he didn't confront them. This tough life makes him to run away from home to even a tougher life of being a street boy in Nakuru town after searching for a job in vain. A road accident one evening which nearly took his life, changed everything. When all these events were happening in the life of Ratemo, politicians were campaigning in preparation for the general elections which was scheduled to take place at the end of the year; Dec.27.2007. When the time reached and the electorates cast their votes, chaos erupted after the tallying had been done and the incumbent president was declared the winner. The results were disputed which sparked the violence. A great destruction was done to both human lives and properties. Business operations were disrupted for two months. This impacted negatively to jobs, especially into those foreign companies which had ventured to do business in the country. The majority of them, wound up their business ventures and re-located to other countries which were politically stable. Ratemo's company, DIMA investment was no exception. After the lull of the big storm of violence, the company found that it had made unsurmountable loss, it laid off almost all the workers and later on wound its business rendering many employees jobless.
