New Year's Eve Lisa Grunwald,2012-05-30 Part contemporary family drama, part ghost story, this engrossing novel dramatizes the difficult process of letting go of one's childhood to embrace one's new chosen family. The New Year's Wish Dani-Lyn Alexander,2015-11-30 Typing out memos is anything but torturous when your boss is this hot! Dani-Lyn Alexander's irresistible new yuletide romance is a lighthearted office romp that will make you long for the company holiday party. Olivia Calloway isn't cut out for the nine-to-five life. She's a born entrepreneur. She just has to figure out her soul's true calling—and she's given herself until the clock strikes midnight on New Year's Eve to do it. With her trust fund dwindling and only two and a half months to go, she takes an assistant position at prestigious law firm Harris & Harris. The problem is, Olivia's a terrible employee—incessantly late, forgetful, and clumsy. Not that her gorgeous new boss Garrett Emerson seems to mind. Beautiful, charming Olivia has been on his mind ever since she ran into him, literally, sprinting to the interview. But Olivia's first big assignment—to plan an elaborate last minute New Year's Eve party for the entire company—could make or break her job entirely. With Ms. Harris herself demanding perfection, a jealous office rival rooting for Olivia to lose, and even Garrett dreading the affair, can Olivia finally prove herself—or will an unforeseen complication send her back to the drawing board? All she wants for the holidays is to be her own boss—and to ignite the flirtatious sparks between her and Garrett...so she can file their relationship under love.

Encyclopedia of New Year's Holidays Worldwide William D. Crump, 2014-04-25 Among the world's myriad cultures and their associated calendars, the idea of a "New Year" is relative and hardly specifies a universal celebration or even a universal point in time. Ways of celebrating the New Year range from the observances of religious rituals and superstitions to social gatherings featuring particular foods, music, dancing, noisemaking, fireworks and drinking. This first encyclopedia devoted exclusively to the New Year includes 320 entries that give a global perspective on the New Year, beyond its traditional Western associations with Christmas. National or regional entries detail the principal traditions and customs of 130 countries, while 27 entries discuss major calendar systems in current use or of significant historical interest. The remaining entries cover a wide variety of subjects including literary works, movies, and television specials; the customs of specific ethnic groups; universal customs such as toasting and drinking; football bowl games and parades; and the New Year celebrations at the White House and the Vatican.
