An Integrated Approach to Communication Theory and Research Don W. Stacks,Michael B. Salwen,Kristen C. Eichhorn,2019-03-14 This new edition provides a comprehensive overview of current theory and research written by the top theorists and researchers in each area. It has been updated to address the growing influence of technology, changing relationships, and several growing integrated approaches to communication and includes seven new chapters on: ■ Digital Media ■ Media Effects ■ Privacy ■ Dark Side ■ Applied Communication ■ Relational Communication ■ Instructional Communication ■ Communication and the Law The book continues to be essential reading for students and faculty who want a thorough overview of contemporary communication theory and research.

The Data Storytelling Workbook Anna Feigenbaum,Aria Alamalhodaiei,2020-03-10 From tracking down information to symbolising human experiences, this book is your guide to telling more effective, empathetic and evidence-based data stories. Drawing on cross-disciplinary research and first-hand accounts of projects ranging from public health to housing justice, The Data Storytelling Workbook introduces key concepts, challenges and problem-solving strategies in the emerging field of data storytelling. Filled with practical exercises and activities, the workbook offers interactive training materials that can be used for teaching and professional development. By approaching both 'data' and 'storytelling' in a broad sense, the book combines theory and practice around real-world data storytelling scenarios, offering critical reflection alongside practical and creative solutions to challenges in the data storytelling process, from tracking down hard to find information, to the ethics of visualising difficult subjects like death and human rights.

Rhetorical Texture and Narrative Trajectories of the Lukan Galilean Ministry Speeches Patrick Spencer,2007-04-10 Varying degrees of attention are paid to Jesus' four speeches in the Galilean ministry of the Gospel of Luke. Despite increasing interest in ancient Graeco-Roman rhetoric in biblical studies, few scholars examine the speeches from the lens of ancient rhetorical argument. In addition, with the exception of the inaugural speech in Luke 4.14-30, little attention is afforded to the relevance of the speeches for understanding larger nuances of the narrative discourse and how this affects the hermeneutical appropriation of authorial readers. In contrast, Spencer examines each speech from the context of ancient rhetorical argument and pinpoints various narrative trajectories-as associated with theme, plot, characterization, and topoi-that emerge from the rhetorical texture. In doing so, he shows that the four speeches function as sign posts that are integral to guiding the Lukan narrative from the backwaters of Galilee to the center of the Roman Empire.

Gale Researcher Guide for: Daniel Defoe's Picaresque: From the News to the Novel Nathan Gorelick, Gale Researcher Guide for: Daniel Defoe's Picaresque: From the News to the Novel is selected from Gale's academic platform Gale Researcher. These study guides provide peer-reviewed articles that allow students early success in finding scholarly materials and to gain the confidence and vocabulary needed to pursue deeper research.

Newspaper Desk Work Robert Miller Neal,1933

News of the World Paulette Jiles,2016-10-04 Soon to be a Major Motion Picture National Book Award Finalist—Fiction In the aftermath of the Civil War, an aging itinerant news reader agrees to transport a young captive of the Kiowa back to her people in this exquisitely rendered, morally complex, multilayered novel of historical fiction from the author of *Enemy Women* that explores the boundaries of family, responsibility, honor, and trust. In the wake of the Civil War, Captain Jefferson Kyle Kidd travels through northern Texas, giving live readings from newspapers to paying audiences hungry for news of the world. An elderly widower who has lived through three wars and fought in two of them, the captain enjoys his rootless, solitary existence. In Wichita Falls, he is offered a \$50 gold piece to deliver a young orphan to her relatives in San Antonio. Four years earlier, a band of Kiowa raiders killed Johanna's parents and sister; sparing the little girl, they raised her as one of their own. Recently rescued by the U.S. army, the ten-year-old has once again been torn away from the only home she knows. Their 400-mile journey south through unsettled territory and unforgiving terrain proves difficult and at times dangerous. Johanna has forgotten the English language, tries to escape at every opportunity, throws away her shoes, and refuses to act "civilized." Yet as the miles pass, the two lonely survivors tentatively begin to trust each other, forming a bond that marks the difference between life and death in this treacherous land. Arriving in San Antonio, the reunion is neither happy nor welcome. The captain must hand Johanna over to an aunt and uncle she does not remember—strangers who regard her as an unwanted burden. A respectable man, Captain Kidd is faced with a terrible choice: abandon the girl to her fate or become—in the eyes of the law—a kidnapper himself.

Handbook of Research on Transmedia Storytelling and Narrative Strategies Y?lmaz, Recep,Erdem, M. Nur,Resulo?lu, Filiz,2018-07-06 Transmedia storytelling is defined as a process where integral elements of fiction get dispersed systematically across multiple delivery channels to create a unified and coordinated entertainment experience. This process and its narrative models have had an increasing influence on the academic world in addressing both theoretical and practical dimensions of transmedia storytelling. The Handbook of Research on Transmedia Storytelling and Narrative Strategies is a critical scholarly resource that explores the connections between consumers of media content and information parts that come from multimedia platforms, as well as the concepts of narration and narrative styles. Featuring coverage on a wide range of topics such as augmented reality, digital society, and marketing strategies, this book explores narration as a method of relating to consumers. This book is ideal for advertising professionals, creative directors, academicians, scriptwriters, researchers, and upper-level

graduate students seeking current research on narrative marketing strategies.
