Hockey Animals Christopher Jordan,2012-04-24 What better way to introduce your child to the entertaining, action-packed world of hockey than through a new series of books aimed at the youngest of hockey fans? Published through the combined efforts of the NHL, the NHLPA and Fenn/Tundra, My First NHL Books introduce preschool readers to the essential early concepts of learning through the fun and entertaining themes of hockey. Count players, sticks and Stanley cups, explore the colours of the rainbow through team logos and sweaters; look for familiar shapes amongst pucks, scoreboards and nets, and work your way through an alphabet that includes everything from A is for Arena to Z is for Zamboni, and everything hockey in between.

Deceptions and Doublecross Morey Holzman,Joseph Nieforth,2002-10 The story of the rise of the NHL as the only major hockey league in North America.

Hockey ABC Christopher Jordan,2012-04-24 What better way to introduce your child to the entertaining, action-packed world of hockey than through a new series of books aimed at the youngest of hockey fans? Published through the combined efforts of the NHL, the NHLPA and Fenn/Tundra, My First NHL Books introduce preschool readers to the essential early concepts of learning through the fun and entertaining themes of hockey. Count players, sticks and Stanley cups, explore the colours of the rainbow through team logos and sweaters; look for familiar shapes amongst pucks, scoreboards and nets, and work your way through an alphabet that includes everything from A is for Arena to Z is for Zamboni, and everything hockey in between.

100 Years, 100 Moments Scott Morrison,2017-11-07 For the NHL's 100th season, a fan-friendly, argument starter of a book, compiling the 100 most impactful moments in league history. From ostentatious scoring totals to unstoppable teams destined for championships, the NHL boasts a history of greatness. But as die-hard fans well know, greatness isn't the whole story. In this image-rich, licenced celebration of the NHL's past and present, veteran hockey journalist Scott Morrison mines a century of NHL hockey to find the game's 100 most important moments. From Bobby Orr's 1969-70 trophy haul, to Detroit coach Scotty Bowman's unprecedented icing of five Russians at once on the Red Wings' way to their first of several Stanley Cups, the Stastny brothers' defection, and Roger Neilson reviewing a game on VHS, these moments weren't always the photogenic peaks of athletic glory that graced the morning news, but each of them changed the game.

The NHL's Mistake by the Lake Gary Webster,2021-09-30 The Cleveland Barons should never have existed. Born when the National Hockey League's California Golden Seals--another team that should never have existed--were transplanted to Cleveland in 1976 and greeted with apathy by the dwindling number of hockey fans in northeastern Ohio, the Barons were an embarrassment to the city and to the NHL. The only thing the team had going for them was the state-of-the-art arena they played in, which was all but empty for nearly every game they played. This book chronicles the Barons' two regrettable seasons--a case study in what happens when an ill-conceived professional sports team created in an expansion splurge is moved, in an effort to save it, to a city that doesn't really want it.

Breakaway Tal Pinchevsky,2012-06-12 From behind the Iron Curtain onto hockey's biggest stage The incredible true story of the trailblazing men who risked everything to pass through the Iron Curtain and become NHL superstars, Breakaway is a thrilling look at the untold stories that changed hockey forever. From midnight meetings in secluded forests, to evading capture by military and police forces, this is the story of the brave players whose passion of the game trumped all. Featuring exclusive interviews with the legends of the ice who put everything on the line just for the chance to play on the world's greatest stage, many of them speaking about their experiences for the very first time, the book looks at how Peter Stastny, Igor Larionov, Petr Klima, Petr Nedved, Sergei Fedorov, Slava Fetisov, Alexander Mogilny, and other hockey superstars captured the imaginations of fans around the world. The remarkable true story of some of the true pioneers of hockey, told for the very first time, often in the players' own words A fascinating look behind the Iron Curtain and the trials these brave men endured for a taste of freedom, through their love of the game Looks at how some of the NHL's greatest players made it onto North American ice As much a tale of espionage and social history as a gripping hockey chronicle, Breakaway sheds light on the untold stories of some of the sports' most inspiring heroes.

Hockey Opposites Christopher Jordan,2012-04-24 What better way to introduce your child to the entertaining, action-packed world of hockey than through a new series of books aimed at the youngest of hockey fans? Published through the combined efforts of the NHL, the NHLPA and Fenn/Tundra, My First NHL Books introduce preschool readers to the essential early concepts of learning through the fun and entertaining themes of hockey. Count players, sticks and Stanley cups, explore the colours of the rainbow through team logos and sweaters; look for familiar shapes amongst pucks, scoreboards and nets, and work your way through an alphabet that includes everything from A is for Arena to Z is for Zamboni, and everything hockey in between.

The Whalers Patrick Pickens,2021-10-15 More than twenty years after departing Hartford, Connecticut, for Raleigh, North Carolina, the NHL's Whalers continue to inspire passion among fans. As HartfordBusiness.com reported in 2015, Whalers merchandise...still has a cult following not only among fans in Connecticut but around the country. But Whalers devotees aren't just clamoring for jerseys, hats and t-shirts. They're nostalgic for a team that had New England roots for nearly 25 years--in Boston, Springfield, and Hartford--and featured some of the greatest players in NHL history, including Gordie Howe (with his sons Mark and Marty), Bobby Hull, and Ron Francis. Pat Pickens's book details the Whalers' origin in Boston in 1972, the team's WHA championship in 1973, the roof collapse of their home arena that indirectly led to their entrance to the NHL in 1979, their stunning NHL playoff-series win against the top-seeded Quebec Nordiques in 1986, the 1986-87 season when they claimed their first division championship, and their relocation south in 1997 as the Carolina Hurricanes. Pickens imagines a Stanley Cup delivered to hockey-crazed Hartford in 2006, when the Hurricanes instead brought it home to North Carolina. The book also explores the likelihood of an NHL team returning to the Nutmeg State.

The Road to Hockeytown Jim Devellano,Roger Lajoie,2010-03-10 SPORTS/HOCKEY Although Jimmy never played professional hockey himself, he was born with an intense love for the game and has devoted his life to hockey. He lives and breathes the game. Hockey is better off because of Jimmy Devellano. —From the Foreword by Mike and Marian Ilitch, Owners, Detroit Red Wings Though he has never scored a goal, blocked a shot or thrown a body check, Jim Devellano contributed to seven Stanley Cup championships over three separate decades. An accomplishment of that magnitude is testament to his foresight, his insight and his hockey sense. —Gary Bettman, NHL Commissioner He is my mentor. He gave me my first opportunity to get into the business. When he came to Detroit, one of the things he talked about was he was never going to trade a draft pick. He's a tremendous architect. —Ken Holland, General Manager, Stanley Cup champion Detroit Red Wings He had what I would consider an outstanding career. He started from the very, very bottom and has worked his way up to, I would say, the top echelon in the league. I made him look so good, Mike Ilitch called me and stole him to Detroit. —Bill Torrey, Former General Manager, New York Islanders He is a truly respected hockey man who deserves all accolades that have been presented to him. However, where he has helped me the most is in understanding the sports environment in the city of Detroit. Jimmy spent countless hours advising me on this sports landscape upon my arrival in Michigan. —Dave Dombrowski, President & General Manager, Detroit Tigers (MLB) For more than the past 40 years Jim Devellano has had his hands on the hockey pulse. His remarkable accomplishments make him a Hockey Icon. Congratulations. —Scotty Bowman, Consultant, Detroit Red Wings

Hockey Strong Todd Smith,2016-09-27 This is the story of hockey, one scar at a time. For the casual enthusiast and hockey fanatic alike comes a brilliant collection of essays and photographs celebrating the grit and dedication of hockey players who regularly and willingly withstand injury and hardship to play the sport they love. Veteran hockey writer Todd Smith explores a side of the NHL that is rarely seen. Through in-depth player interviews and inside-the-locker-room reportage, Hockey Strong gives readers a behind-the-pads look at the playing in pain ethos that has been woven into the fabric of the game. What separates a hockey player's toughness from

other athletes' is the fact that being hockey strong is more than a single performance or bout or game or series. Hockey strong is a way of life. Superstars, muckers, snipers, and enforcers alike: the arduous journey of an NHL player is a story of the human body. It is the cracking left fist of the Philadelphia Flyers' Dave Brown and the battering ram right hand of the Detroit Red Wings' Joe Kocur. It is the unbreakable hockey heart of Rob McClanahan during "The Miracle on Ice" at the 1980 Winter Olympics in Lake Placid. It is the smashed face Kris Draper suffered during the bloody rivalry between the Colorado Avalanche and the Detroit Red Wings. Medical clearance to fight. Midgame root canals. Crushed orbital bones. Beer league determination. Legendary beat-downs. Collapsed lungs that go unreported. Unrelenting pain. Recovery and valor. Players refusing to go out because they owe it all to their brothers in uniform. Includes stories from: Shjon Podein, Dave Brown, Kris Draper, Kirk Maltby, Joe Kocur, Darren McCarty, Chris Nilan, David Clarkson, Rob McClanahan, Herb Brooks, Jack Carlson, Zach Parise, Charlie Coyle, Rick Tocchet, the Playoffs, and more!

The Down Goes Brown History of the NHL Sean McIndoe, 2019-11-05 Sean McIndoe of Down Goes Brown, one of hockey's favourite and funniest writers, takes aim at the game's most memorable moments--especially if they're memorable for the wrong reasons--in this warts-and-all history of the NHL. The NHL is, indisputably, weird. One moment, you're in awe of the speed, skill and intensity that define the sport, shaking your head as a player makes an impossible play, or shatters a longstanding record, or sobs into his first Stanley Cup. The next, everyone's wearing earmuffs, Mr. Rogers has shown up, and guys in yellow raincoats are officiating playoff games while everyone tries to figure out where the league president went. That's just life in the NHL, a league that often can't seem to get out of its own way. No matter how long you've been a hockey fan, you know that sinking feeling that maybe, just maybe, some of the people in charge here don't actually know what they're doing. And at some point, you've probably wondered: Has it always been this way? The short answer is yes. As for the longer answer, well, that's this book. In this fun, irreverent and fact-filled history, Sean McIndoe relates the flip side to the National Hockey League's storied past. His obsessively detailed memory combines with his keen sense for the absurdities that make you shake your head at the league and yet fanatically love the game, allowing you to laugh even when your team is the butt of the joke (and as a life-long Leafs fan, McIndoe takes the brunt of some of his own best zingers). *The Down Goes Brown History of the NHL* is the weird and wonderful league's story told as only Sean McIndoe can.

The First Season Bob Duff, 2017-10-03 The National Hockey League is celebrating its hundredth anniversary in 2017-2018—but Bob Duff's *The First Season* reveals how close the league came to folding in its very first year. Set against the turmoil of the Great War and born out of a ruse to rid the league of reviled Toronto owner Eddie Livingstone, the new league suffered from a series of crises: from a shortfall of quality players due to military conscription, to rival leagues and divided fan loyalties, to the burning down of the Montreal Arena that was home ice to two teams. But despite all this, the league survived—and became the worldwide standard for competitive hockey. With chapters devoted to the first-ever NHL playoffs and Stanley Cup championships, in addition to team and player profiles and vintage black and white photos, Duff's *The First Season* is essential reading for every hockey fan, providing real insight about the first generation of hockey heroes.

Hockey Colors Christopher Jordan, 2012-04-24 What better way to introduce your child to the entertaining, action-packed world of hockey than through a new series of books aimed at the youngest of hockey fans? Published through the combined efforts of the NHL, the NHLPA and Fenn/Tundra, *My First NHL Books* introduce preschool readers to the essential early concepts of learning through the fun and entertaining themes of hockey. Count players, sticks and Stanley cups, explore the colors of the rainbow through team logos and sweaters; look for familiar shapes amongst pucks, scoreboards and nets, and work your way through an alphabet that includes everything from A is for Arena to Z is for Zamboni, and everything hockey in between.

New Jersey Devils Taylor Reed, 2015-08-01 Did you know that the New Jersey Devils went from being one of the least successful teams in the National Hockey League (NHL) to the winners of the Stanley Cup championship in just 13 seasons? Since their rocky beginning, the Devils have made more than 20 playoff appearances. Learn about the team's history, players, coaches, and more in *New Jersey Devils*, an *Inside the NHL* book.

The NHL D'Arcy Jenish, 2013-10-29 The National Hockey League -- born in a Montreal hotel room on November 26, 1917 -- has much to celebrate as it approaches its centenary. Millions of fans from Montreal to Miami and Edmonton to Anaheim attend NHL games each year, millions more watch on TV and the league pays its best players multi-million annual salaries. Over the course of its first century, the NHL's fortunes have ebbed and flowed. It has experienced setbacks and triumphs and innumerable crises. The league has awarded many franchises only to see some of them falter, fail and fold. The board of governors - which has included rich eccentrics and at least one future convict - has sometimes been fractured by men who loathed each other. How on earth has the NHL survived? The answer lies in the remarkable fact that it has had only five presidents and one commissioner. Two of these chiefs were stop-gaps. For the balance of league's ninety-plus years, four men have shaped and guided its fortunes and controlled the tough, hard-nosed, sometimes unruly owners who constituted the board of governors. This is the story of two perpetual struggles -- the one on the ice and the one going on behind the scenes to keep the whole enterprise afloat. D'Arcy Jenish was granted unprecedented access to previously unpublished league files, including revelatory minutes of board meetings, and conducted dozens of hours of interviews with league executives, including commissioner Gary Bettman and former president John Ziegler, as well as owners, coaches, general managers and player representatives. He now reveals for the first time the true story behind some of the most significant events of the contemporary era. This is a definitive, revelatory chronicle that no serious hockey fan will want to be without.

Off Mike Mike Emrick, Kevin Allen, Eddie Olczyk, 2020-10-20 Emrick loves stories and loves to tell them. Yesterday in broadcasting. Tomorrow in book form. —Steve Simmons, *Toronto Sun* After nearly 50 years behind the microphone, the voice of hockey in America opens up in a must-read memoir. Mike Doc Emrick has seen everything there is to see in a hockey game. Sizzling slap shots. Commitment, courage, and camaraderie. Pugnacious pugilists. Game-winning goals. To hockey fans across the country, his voice—and vocabulary—have become synonymous with the game they love. In *Off Mike*, Doc takes readers back to the beginning, detailing how a Pittsburgh Pirates fan from small-town Indiana found himself in the wild world of professional hockey, calling games for the New Jersey Devils, Philadelphia Flyers, and finally NBC. He's covered All-Star Games, Stanley Cup Finals, the Olympics, and everything in between, rubbing shoulders with hockey's immortals both on and off the ice. Yet Doc's life has had its share of ups and downs, from almost leaving behind the love of his life to the passing of beloved companions to personal health scares. After years of being welcomed into our homes, in this autobiography Doc welcomes us into his, revealing the stories, wit, and wisdom that have made him one of the most beloved figures in sports.

Icing on the Plains Troy Treasure, 2018-11-08 This is the story of Kansas City's attempt to integrate major-league hockey into its sports marketplace, only to see it fall through thin ice. Troy Treasure, an award-winning sports reporter, tells the riveting story of the Kansas City Scouts, who began playing in the National Hockey League in 1974. Perhaps the franchise's owners should have guessed it would be a struggle from the beginning: After finally getting an arena, its original name—the Mo-Hawks—was rejected because the Chicago Blackhawks thought it too closely resembled their moniker. But while the franchise underperformed on the ice and at the box office, there were also triumphs and plenty of laughs mixed in with the tears. During their two years on the ice, the Scouts featured the biggest on-ice badass in the NHL, a combustible coach, and one of hockey's all-time funny men. Filled with player interviews and painstakingly researched, this book pays tribute to the history of professional hockey in Kansas City, the city's other pro sports teams, and athletics at large.

Chill Factor David Paitson, Craig Merz, 2015-03-03 The city of Columbus, Ohio, had always struggled to support any professional

sports franchise. It's a town where Ohio State University reigns supreme, and everything else is less important. That was until 1991, when the Columbus Chill, a minor-league hockey franchise, arrived. Using Veeckian marketing tactics and on-ice shenanigans, the Chill became the talk of the city and gained a religious local fan base. Based on the success of the Chill, from 1991-99, the city of Columbus was awarded with the Columbus Blue Jackets in 2000, the city's own NHL franchise. Chill Factor follows the wild ride through the eyes of team president and general manager David Paitson, from the early formation of the minor-league franchise through the decision to rattle the status quo by going to the edge and beyond with a marketing and promotional plan that was both edgy and controversial. The success of the Chill after their first season gave the organization the impetus to challenge local civic and business leaders to build a world-class arena and emerge from the shadow of OSU. There were setbacks and triumphs on and off the ice, and eventually the realization that the Columbus of today would not be possible without the aid of the Chill. Chill Factor takes readers into the front office and onto the rink, giving every angle of how a small town was able to get behind a working-class team that fought both on and off the ice. This thrilling account will appeal to those who remember the Chill's reign, as well as those who enjoy seeing the underdog climb the ladder to sports supremacy. Skyhorse Publishing, as well as our Sports Publishing imprint, are proud to publish a broad range of books for readers interested in sports—books about baseball, pro football, college football, pro and college basketball, hockey, or soccer, we have a book about your sport or your team. Whether you are a New York Yankees fan or hail from Red Sox nation; whether you are a die-hard Green Bay Packers or Dallas Cowboys fan; whether you root for the Kentucky Wildcats, Louisville Cardinals, UCLA Bruins, or Kansas Jayhawks; whether you route for the Boston Bruins, Toronto Maple Leafs, Montreal Canadiens, or Los Angeles Kings; we have a book for you. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to publishing books on subjects that are sometimes overlooked by other publishers and to authors whose work might not otherwise find a home.

The History of the NHL James Bren, An In-Depth Journey Through a Century of Ice Hockey Excellence In The History of the NHL, acclaimed author James Bren takes you on a riveting journey through the heart and soul of professional ice hockey. This comprehensive book delves deep into the rich and storied history of the National Hockey League, offering an engaging and insightful exploration of a century's worth of remarkable moments, iconic players, and the evolution of a beloved sport. From the league's humble beginnings in the early 20th century to its current status as a global sporting powerhouse, this meticulously researched and expertly written account captures the essence of the NHL's enduring legacy. Bren's captivating storytelling brings to life the legendary teams, memorable games, and the extraordinary athletes who have contributed to the NHL's status as one of North America's most cherished pastimes. With an exceptional attention to detail, The History of the NHL reveals the behind-the-scenes stories and pivotal moments that have shaped the league's identity. It provides readers with a ringside seat to unforgettable Stanley Cup victories, heartbreaking defeats, and the compelling narratives of the NHL's most celebrated players. Whether you're a dedicated hockey fan or a newcomer to the sport, this book offers a comprehensive look at the league's journey, paralleling the changing cultural landscape throughout the last century. It not only highlights the league's successes but also touches on the challenges and controversies that have contributed to its growth and transformation. Richly illustrated and filled with anecdotes, rare photographs, and insider insights, The History of the NHL is a must-read for those passionate about ice hockey, sports history, and the compelling stories of determination, teamwork, and perseverance. As the ultimate resource on the subject, this book serves as both a definitive reference and an exciting narrative of the NHL's extraordinary odyssey. Explore the stories of the NHL's past, from its early days on frozen ponds to the electric atmosphere of today's arenas. The History of the NHL by James Bren is an indispensable addition to the library of hockey enthusiasts, sports historians, and anyone who appreciates the thrill of the game on ice.

NHL B. Keith Davidson,2021-07 Learn all about the National Hockey League. Discover fascinating facts, from record-breaking stars to winning teams and important positions.

Getting the books **Nhl** now is not type of inspiring means. You could not lonely going similar to book accretion or library or borrowing from your associates to entre them. This is an extremely easy means to specifically get guide by on-line. This online broadcast Nhl can be one of the options to accompany you when having other time.

It will not waste your time. agree to me, the e-book will extremely proclaim you extra business to read. Just invest little mature to get into this on-line pronouncement **Nhl** as skillfully as review them wherever you are now.
