This Is Not a Book Keri Smith,2009-09-01 From the internationally bestselling creator of Wreck This Journal, a curious, engaging, and creative rethinking of all the different things a book can be. In this uniquely skewed look at the purpose and function of a “book”, Keri Smith offers an illustrated guide that challenges readers to creatively examine all the different ways This Is Not a Book can be used. With intriguing prompts, readers will discover that the book can be: A secret message—tear out a page, write a note on it for a stranger, and leave it in a public place. A recording device—have everyone you contact today write their name in the book. An instrument—create as many sounds as you can using the book, like flipping the pages fast or slapping the cover. This Is Not a Book forces you to ask, “If it’s not a book, what is it then?”—with a kaleidoscope of possible answers.

The Book of Not Tsitsi Dangarembga,2021-05-18 The powerful sequel to Nervous Conditions, by the Booker-shortlisted author of This Mournable Body The Book of Not continues the saga of Tambudzai, picking up where Nervous Conditions left off. As Tambu begins secondary school at the Young Ladies’ College of the Sacred Heart, she is still reeling from the personal losses that have been war has inflicted upon her family—her uncle and sister were injured in a mine explosion. Soon she’ll come face to face with discriminatory practices at her mostly-white school. And when she graduates and begins a job at an advertising agency, she realizes that the political and historical forces that threaten to destroy the fabric of her community are outside the walls of the school as well. Tsitsi Dangarembga, honored with the 2021 PEN Award for Freedom of Expression, digs deep into the damage colonialism and its education system does to Tambu’s sense of self amid the struggle for Zimbabwe’s independence, resulting in a brilliant and incisive second novel.

Not a Hopeless Case Halee Gray Scott,2023-04-25 Is America the next missionary graveyard? Or is it ripe for spiritual revolution? The statistics seem grim. Every year, the decline of Christianity continues at a rapid pace, especially among young adults. Churches across the country are closing their doors, dying, or are being adopted by nearby larger churches. What is the story church leaders hear? We've lost the next generation. But this decline in religious affiliation has not made us less spiritual. Young adults are still asking questions that only faith (or religion) can fully answer. Questions are like seeds buried in the rich, dark soil of our hearts. Nurtured with oxygen and water, they unfold into that which they were meant to become. Absent these conditions, they wither in the dark. Those most resistant to Christianity are those whose questions did not receive oxygen in their faith communities while they were children and teenagers. Not a Hopeless Case is the story of questions, the questions of young adults about faith and spirituality--young adults who are lost and want to be found--and the questions of pastors who seek to find them.

#LoveStory99 Not-Out B SRIDHAR,2021-09-09 Cigarette Smoking, Alcohol Drinking & Selfless Loving cause intoxication to the Heart—isn't it sounding familiar, yet new? Why are people addicted to smoking and drinking, despite the caution-sign of "causes cancer and kills"? Looking from their perspective, that caution sign might seem negligible because they might be experiencing something more painful than "getting killed", yet they enjoy it! And isn't that something related to "Heart"? The author will make you experience that 'rarely recognized yet special feeling' through the Hearts of Karthik and Seema, which makes you think "Love can cause intoxication yet it is worth enjoying!" It's a story that started in the early 1990s when mobile phones were not handy, Facebook was still dreaming, and WhatsApp's dream was not yet born. Love might seem to be "a beautiful Start" of life but when the same Love is seen as a "Destiny", in pursuit of it, life's journey becomes memorable! What are you waiting for! Grab your copy and read to know if such memories are worth cherishing.

"Happiness Is Not My Companion" David M. Jordan,2001-05-28 The valorous but troubled career of the Civil War general best known for defending Little Round Top and averting a Union defeat at Gettysburg. The lieutenant colonel of a New York regiment and rising star in the Army of the Potomac, Gouverneur K. Warren performed heroically at Gettysburg. For his service at Bristoe Station and Mine Run, he was awarded command of the Fifth Corps for the 1864 Virginia campaign. But Warren's peculiarities of temperament and personality put a cloud over his service at the Wilderness and Spotsylvania and cost him the confidence of his superiors, Grant and Meade. He was summarily relieved of his command by Philip Sheridan after winning the Battle of Five Forks, just eight days before Appomattox. Warren continued as an engineer of distinction in the Army after the war, but he was determined to clear his name before a board of inquiry, which conducted an exhaustive investigation into the battle, Warren's conduct, and Sheridan's arbitrary action. However, the findings of the court vindicating Warren were not made public until shortly after his death. For this major biography of Gouverneur Warren, David M. Jordan utilizes

Warren's own voluminous collection of letters, papers, orders, and other items saved by his family, as well as the letters and writings of such contemporaries as his aide and brother-in-law Washington Roebling, Andrew Humphreys, Winfield Hancock, George Gordon Meade, and Ulysses S. Grant. Jordan presents a vivid account of the life and times of a complex military figure.

William finds out that his friend, Scott, has cancer and has come home to die. A lot of secrets start to come to light about Scott and William's wife, Jane. But before all that, Kiral's daughter, Mary, gets attacked and ends up in hospital in a coma after being kicked in the head by three little thieving bastards. William offers his help to Kiral to get the wee fuckers.

Christ's Humanity in Current and Ancient Controversy: Fallen or Not? E. Jerome Van Kuiken, 2017-07-13 Was Christ's human nature fallen, even sinful? From the 18th century to the present, this view has become increasingly prominent in Reformed theological circles and beyond, despite vigorous opposition. Both sides on the issue see it as vital for understanding the nature of salvation. Each side's advocates appeal to or critique the Church Fathers. This book reviews the history and present state of the debate, then surveys the connections, distinctions, and patristic interpretations of five of the modern fallenness view's proponents (Edward Irving, Karl Barth, T. F. Torrance, Colin Gunton, and Thomas Weinandy) and five of its opponents (Marcus Dods the Elder, A. B. Bruce, H. R. Mackintosh, Philip Hughes, and Donald Macleod). The book verifies the views of the ten most-cited Fathers: five Greek (Irenaeus, Athanasius, Gregory Nazianzen, Gregory Nyssen, and Cyril of Alexandria) and five Latin (Tertullian, Hilary of Poitiers, Ambrose, Augustine, and Leo the Great). The study concludes by sketching the implications of its findings for the doctrines of the Immaculate Conception, sin, sanctification, and Scripture.

Forget Me Not Erica Pensini, 2016-05-10 Can you meet again after two hundred years? Science denies the possibility. How Not to Kill a Muslim Joshua Graves, 2015-04-13 The adherents of Islam and Christianity comprise half of the world's population, or 3.5 billion people. Tension between them exists throughout the world and is increasing here in North America. In *How Not to Kill a Muslim*, Dr. Joshua Graves provides a practical subversive theological framework for a strategic posture of peaceful engagement between Christians and Muslims. Based upon both academic and personal experience (Josh grew up in Metro Detroit), this book will provide progressive Christians with a clear understanding of Jesus' radical message of inclusivity and love. There is no one who is not a neighbor. There is no them. There's only us. Our future depends upon this becoming true in our cities, synagogues, churches, and mosques. In pluralistic societies such as those of Canada and the United States, the true test of Christianity is what it offers those who are not Christian. And it starts with Islam.
