Novus Intelligens Pierre V. Comtois, They're back! And this time, they're a team in more ways than one! As Mr. and Mrs. Santos, Jules and 'Manda Mooney are now both science agents for the Terran Consortium's Military Intelligence. Join them on their toughest mission yet as they first become targets for murder then split up to find out who or what is behind a series of missing space freighters, the destruction of a Navy battleship, and a self-repairing spacecraft housing what may be a new form of life. When their paths finally reunite, Jules and 'Manda discover that the dangers they've faced individually, pale in comparison to the one they both must now face together: one that threatens two star faring civilizations and aims to make mankind in particular, extinct!

Novus Ordo Seclorum Forrest McDonald,1985-12-01 This is the first major interpretation of the framing of the Constitution to appear in more than two decades. Forrest McDonald, widely considered one of the foremost historians of the Constitution and of the early national period, reconstructs the intellectual world of the Founding Fathers--including their understanding of law, history political philosophy, and political economy, and their firsthand experience in public affairs--and then analyzes their behavior in the Constitutional Convention of 1787 in light of that world. No one has attempted to do so on such a scale before. McDonald's principal conclusion is that, though the Framers brought a variety of ideological and philosophical positions to bear upon their task of building a new order of the ages, they were guided primarily by their own experience, their wisdom, and their common sense.

Novus Diem Tom Walsh,2018-08-06 Novus Diem breaks the time barrier and clashes hi-tech with Native American beliefs. It pits the strength of a military super power against a people at peace with the world despite a history of injustice. It is a story of a woman empowered by a compulsion to do the right thing and a man that came to believe in her. They risk everything to set the world straight in the face of formidable odds.

The Compound Robert Sean Morrison,2017-05-18 After the third civil war, the United States was divided into heavily fortified compounds that have become the backbone of a thriving new nation that prides itself on its superior knowledge. The more knowledge one has, the higher they rise. Ethan Sharp has reached the highest levels in his compound, but when he meets Claire, a beautiful woman with a mysterious past and intimate knowledge of their compound, he learns of a sinister truth that could destroy the foundation of their entire society. Dr. Jarek Thorne is the head of the Medical Research Department of Compound 13 in Section 7 of Novus Octo, and he is Ethans superior. Thornes tyrannical experiments on living subjects and prejudice against the lowest group of scorers in the country have Ethan questioning everything he believes to be right and glorious about the new country. After one such experiment causes the death of his own caregiver, Ethan feels more hopeless than he ever has before. Ethan is left with a choice of two different paths: ignore who he is and live his life in a defiant haze or give in to his instincts and meet his destiny. Robert Sean Morrison is a sporty nerd with a bachelors degree in pre-physical therapy. You can usually find him at home surrounded by his mountain of DVDs. This is his first published book and he plans to write many more. He and his wife Melissa live in Ponchatoula, Louisiana.

Behind the Angel of History Annie Bourneuf,2022-10-01 The story of artist R. H. Quaytman's discovery of an engraving hidden behind a famous artwork by Paul Klee. This book begins with artist R. H. Quaytman uncovering something startling about a picture by Paul Klee. Pasted beneath Klee's 1920 Angelus Novus--famous for its role in the writings of its first owner, Walter Benjamin--Quaytman found that Klee had interleaved a nineteenth-century engraving of Martin Luther, leaving just enough visible to provoke questions. Behind the Angel of History reveals why this hidden face matters, delving into the intertwined artistic, political, and theological issues consuming Germany in the wake of the Great War. With the Angelus Novus, Klee responded to a growing call for a new religious art. For Benjamin, Klee's Angelus became bound up with the prospect of meaningful dialogue among religions in

Germany. Reflecting on Klee’s, Benjamin’s, and Quaytman’s strategies of superimposing conflicting images, Annie Bourneuf reveals new dimensions of complexity in this iconic work and the writing it inspired.

Homo Novus - A Human Without Illusions Ulrich J. Frey,Charlotte Störmer,Kai P. Willführ,2010-08-24 Converging evidence from disciplines including sociobiology, evolutionary psychology and human biology forces us to adopt a new idea of what it means to be a human. As cherished concepts such as free will, naïve realism, humans as creation's crowning glory fall and our moral roots in ape group dynamics become clearer, we have to take leave of many concepts that have been central to defining our humanness. What emerges is a new human, the homo novus, a human being without illusions. Leading authors from many different fields explore these issues by addressing a range of illusions and providing evidence for the need, despite considerable reluctance, to relinquish some of our most cherished ideas about ourselves.

Illuminati Ibrahim the Beast a Sign of the Hour,2015-01-13 The Set of Initials has coded the 4 prophecies about the Caliphate: Seat of King David on Earth. I am Ibrahim the Beast, a Sign of the Hour. I was born to speak to the Jews on 4 prophecies on the New World Order, namely the Caliphate: Seat of King David on Earth. Thus, I am both prophesied and coded with the 13th Sura, in the Holy Qur'an. I am prophesied as Ibrahim the Beast, a Sign of the Hour, in the 13th Initialed Sura, Sura 27-an-Naml; and alternatively, I am also prophesied as Ibrahim the Witness who has Knowledge of the Book, - al-Qur'an, in the 13th Qur'an Sura, Sura 13-Ar-Ra'ad, in the Holy Qur'an. On the other hand, Sura 27-an-Naml is the 27th Qur'an Sura; and its corresponding 27th Initialed Sura, Sura 46-Al-Ahqaf, confirms me as a Witness from the Children of Israel, - Messiah ben David.
