Modeling Life Sarah R. Phillips,2012-02-01 A fascinating consideration of the work of life models and the models' own perspectives on their craft.

Live Nude Girl Kathleen Rooney,2010-07-01 Collects essays about the years the author spent as a professional nude model.

Adventures of a Nude Art Model Cassie Caine,2013-11 Turning forty leaves timid librarian Sophie feeling as though something is lacking in life. So when the brilliant and glamorous young artist Clodagh McDowell suggests that she should pose nude for her new figure drawing class, Sophie overcomes her nerves and agrees. She soon discovers that being naked in front of strangers is the thrill she has been looking for, and the more exposed she is, the more she likes it. But what will her inquisitive 18-year-old daughter think of her new hobby? This is a slow-burning, gently humorous exploration of the pleasure of baring all for art, and a serious attempt to describe the erotic and spiritual appeal of life drawing classes. It's for fans of exhibitionism, mature nudity, NIP (nude in public), OON (only one naked), CFNF (Clothed Female, Nude Female), ENF (Embarrassed Nude Female), lesbian literature and CYNM (Clothed Younger, Nude Mature.) And CASSIE CAINE hopes it will encourage others to shed their inhibitions and become nude art models. ADVENTURES OF A NUDE MODEL: COMPLETE collects together in paperback a revised text of the popular eBook novella ADVENTURES OF A NUDE MODEL along with the sequel, ADVENTURES OF A NUDE MODEL PART 2, in which Sophie is presented with all kinds of new challenges - posing with other models, female and male; strutting her stuff in a cutting-edge student fashion show; making an exhibition of herself in an arts festival; and starring in an avant-garde performance piece. On each occasion, she is pushed to expose herself in ways she can hardly dare imagine. Warning: contains explicit references to full frontal nudity. Length: 55, 800 words approx

Nova Amour Kenneth Gjesdal,2021-02-03 All photos in this book have been photographed Kenneth Gjesdal All of the photos have been edited to some degree, but the shape of the body of the model has not been edited. You should be 18+ to buy this uncensored, explicit Adult Picture Book with sensual content.

Model Connections A K Nicholas,2017-01-02 Discovering new models is a constant challenge, as well as a source of inspiration. This guide is about finding outstanding models, working well with them, and building long-term professional relationships. This book offers clear and effective techniques to approach women and recruit them as nude models. These proven methods, honed through years of interaction, have succeeded with hundreds of female models. Through understanding the right language, harnessing a variety of internet technologies, and discovering the art of professional relationship building, you can unlock your model-recruiting potential. Many photographers spend countless hours seeking advice on how to find quality nude models and how to direct them in the studio. Too many photographers make initial contact with a model, only to be frustrated when she never follows through by booking a shoot. This guide addresses finding models and building long-term working relationships. Finding and interacting with models is not as difficult as it may seem. Working with nudes can be easy. This book dispels common misconceptions and gets down to business with the plain facts. You will learn the demographic and personality profiles of which women are most likely to want to pose for you. You can stop wasting your time on candidates who will string you along without ever committing to a photo session. And you will learn what kind of release to use, when to present it, and how to explain it. A sample model release is included in the book.

The Art of Nude Life Modeling Illustrated Jenna Abrams,2020-02-19 Collection of 31 Original female nude art drawings and sketches from nude life modeling sessions. These drawings range from the 1960's through the 1990's. Several body types and body poses are modeled. This is a wonderful artistic example of the female human form. All of these original drawings appear on the right hand side of the page, the left side pages are blank for your own sketching, story writing or notes. This is Volume 1 and we are working on Volume 2 now. An art model poses for any visual artist as part of the creative process, providing a visual reference for the human figure in a work of art. However, more than being simply the subject of art, models are often thought of as muses, a source of inspiration, without whom the art would not exist. The most common types of art works that use models are figure drawing, figure painting, sculpture and photography, but almost any medium may be used. Art models are often paid professionals with skill and experience but are rarely employed full-time, and artists may also rely on friends and family to pose. Paid art models are usually anonymous and unacknowledged subjects of the work. Models are most frequently employed for art classes or by informal groups of artists that gather to share the expense of a model. Models are also employed privately by professional artists. Although commercial motives dominate over aesthetics in illustration, its artwork commonly employs models. For example, Norman Rockwell used his friends and neighbors as models for both his commercial and fine art work. An individual who is having their own portrait painted or sculpted is usually called a sitter rather than a model, since they are paying to have the work done rather than being paid to pose. Beginning with the Renaissance, drawing the human figure from living models was considered the most effective way to develop the skill of draftsmanship. In the twentieth century, it became established that it is best to draw from life, rather than copying two dimensional images such as photographs. In addition, an artist has a connection to drawing another human being that cannot exist with any other subject. Models for life drawing classes are usually nude. In the classroom setting, where the purpose is to learn how to draw the human form in all the different shapes, ages and ethnicity, there are no real limitations on who the model can be. In some cases, the model may pose with various props, one or more other models, against real or artificial background, in natural or artificial light. The role of art models has changed through different eras as the meaning and importance of the human figure in art and society has changed. Nude modeling, nude art and nudity in general are at times subject to social disapproval, at least by some elements in society.-Wikipedia

Becoming a Nude Model Dick Parker,2018-04-09 Blake gets an offer to model swimwear. He's just finished high school and decides to give it a try. After a couple of shoots in trunks and underwear he is asked to model some more revealing things like thongs and less. Soon he's doing soft porn and next he's offered a role in a gay porn video. He finds he likes the attention as well as the sex and meets Danny an older former model known as Danny the Dong. Blake soon finds out why Danny has that title and the two soon become more than friends who work together. Blake finds out that porn pays well and... damn it's fun!

Notes of a Nude Model and Other Pieces Harriet Sohmers Zwerling,2003 Part beat memoir, part third person story, Harriet Sohmers Zwerling recalls her life on the edge surrounded by writers and artists of

the s s. Introduction by Edward Field.

Nude Life Model Max Goo, I wore a loose dress and no underwear for my first engagement as a nude model. It was something my husband had set up as a joint birthday gift for the both of us. We both loved art, and he wanted to have a painting of me, whereas I was looking forward to the experience. This MFM hotwife erotica short is approximately 4000 words. EXTRACT: My husband knew me well enough to know about my exhibitionist fantasies, and together we'd go to some lengths to live them out. We'd go naked in public whenever we had the opportunity and have sneaky sex in places we shouldn't. Although I had many fantasies about being naked in front of strangers, I didn't expect anything sexual to happen. My research told me the worst thing I had to fear was long hours of boredom, getting cold, or cramping. When a stunningly handsome man opened the door wearing navy blue shorts and yellow flip-flops on his feet, I took a step backward with surprise. It wasn't as much what he was wearing as all the missing items. My hungry gaze feasted on his muscular chest and rippling abs that weren't covered by a stitch of clothing. The man had to spend half his life working out to keep in such shape. Eyes on his face, girl. "Maxine? Come on in; Jean-Paul is polishing his equipment in the studio." The man held out a hand. "I'm Carter, his assistant." When I did not attempt to step forward, and my gaze once again fell to his sculpted torso, he seemed to understand the question in my mind. "It's very warm in here. JP has it warm to make sure you're comfortable at work. He doesn't want you shivering or your skin turning to gooseflesh." I don't know why, but the roundabout way this strange man referred to the fact that I was going to be nude without actually stating my job involved me being naked made me feel a little weird. His hand was warm. "That's very considerate. It's good to meet you." "Come this way." I stepped inside and followed Carter along a corridor until we reached the artist's studio; the door was open. The instant I saw him, I recognized Jean-Paul from his publicity photographs; he was a little bit famous in our town at least. Despite his current lack of clothes, he looked exactly like his image on the internet; he was similarly dressed to Carter but with blue flip-flops. He looked up as he heard us approach, and instantly, he greeted me as if we were long-time friends. Carter silently slipped away, leaving me alone with the great artist. "Maxine! I'm so pleased you made it; I'm JP." Of course, I made it. We have an appointment. "Come on in, and let me show you around. you'll work Over there." He pointed to a staging area with a white floor, a white background, lots of bright lights, and a camera pointing at it. "And this is my workspace."... JP never closed the door to the studio. When I went to strip off, he turned his attention toward his camera. It took only seconds to slip off my shoes and dress. Holding my head up high, I rolled my shoulders and walked to the area he'd already told me was mine. I gave a little cough to get his attention before asking, "How do you want me?" JP barely glanced at me and replied, "Make yourself comfortable anywhere over there. Any position you like."

Little Caprice Isabella Catalina, 2021-03-31 Little Caprice is one of MetArt's most famous nude models, a striking natural beauty with a perfect body and stunning face whose vivacious personality lights up the screen. The Czech Republic's petite brunette made her MetArt debut in 2010 at the age of 21 and kept getting more irresistible with every passing day. Throughout her modeling career, Little Caprice has maintained a sweet and youthful presence, making her a MetArt Staff favorite. She could still be a perky 18-year-old, albeit today with a sophisticated edge of beauty. Caprice's athletic figure is flawless, with gorgeous breasts, toned abs, long slender legs, and a world-class ass. This elite model never looks better than in outdoor shoots, showing off her bronzed body in a skimpy bikini - or better yet, naked. She projects innocent naughtiness even in the most provocative poses. Caprice knows how to draw you in with her sultry brown eyes, but it's her enchanting smile that will keep you captivated. How do you define beauty? MetArt has been pondering that question for the past twenty years. A world leader in artistic nude

photography and film, MetArt has made it their mission to present the most enchanting girls to grace

True Confessions of Nude Photography A. K. Nicholas, 2017-01-02 A Step-by-Step Guide to Recruiting Beautiful Models, Lighting, Photographing Nudes, Post-Processing Images, and Maybe Even Getting Paid to Do It. (third edition) Prior experience with nude models is not required to benefit from this how-to guide. This guide can be enjoyed by anyone, but is written for two main audiences: the accomplished photographer wanting insight from a peer, and the serious amateur wanting a guided introduction to the field. The female body has been an inspiration for artists since before the invention of photography. Naturally, nudes were one of the first subjects of photography as well. Although the guide covers the basics of nude photography, it is assumed that you have a digital camera that is more advanced than a point-and-shoot and that you already understand the basics of operating your camera. This book deals with female models. You won't find male models or advice on photographing non-models in this book. **Finding Models:** Nude photography entails more than just photographic technique, there is a huge interpersonal element; much more so than in any other kind of people photography. The guide addresses everything from finding models, to working with them long term. Most guides on photographic technique assume you've already found a willing model. This one assumes that you're having trouble - or at least having trouble finding a model that you feel takes your work to the next level. It contains techniques for finding and recruiting models. **Techniques:** A range of processes are explained step-by-step. You'll find more than just a selection of photos and a dissection of each; you'll see full lighting diagrams as well as frank discussions of techniques and pitfalls in the days and weeks leading up to making a nude image. From finding your first nude model to selling your first nude photo, the guide presents complete, concise instruction on lighting, posing, and post processing with Photoshop.

Pose Naked Jacqueline LeMaster, 2016-02-25 Ana has just arrived in America, lured by a promise of a lucrative modeling career. When the offer proves to be a scam, she desperately seeks other employment. She answers an advertisement to be a nude model for an art school and is thrilled to have a job! As the student's eyes devour her naked body, she discovers her hidden exhibitionist. When one of the students asks her to pose privately, she agrees... but is he hoping for more than just a nude model? **WARNING:** Contains scenes of explicit sex and light BDSM.

Nude in Nature **Figure Art Model Loe** Dave Foss, 2019-09-10 Did you ever have a day where everything went perfectly? This book is from just such a photoshoot, I did with the amazing Figure Art Model Loe in August 2019, upstate New York. There are some behind-the-scenes shots and mostly beautiful nudes in nature. I want to thank Bob for being such a great friend and location scout and Loe for being such a wonderful friend, model, so brave, daring and so beautiful!

Art Models Douglas A. Johnson, Maureen T. Johnson, 2006-01-01 ** Includes DVD-Rom Artists can easily access the human form outside of the studio with this solid pictorial reference. More than 500 crisp photographs portray a diverse set of models in 100 poses--ranging from the classical to the everyday--and show the positions from a variety of angles, including overhead. Exquisitely detailed photos of particular body parts and precise lighting reveal otherwise hidden areas of the models while providing rich shadowing and tone. The inspiring photographs in this collection are ideal for both students and more advanced artists who are looking for material to supplement a live model class or to hone their skills from the comfort of home.

Nude and Beauty Photography Nancy Brown,2000 the secrets behind a stunning nude photograph-- how to choose the right model, how to make her feel comfortable, how to style her to best effect, and how to place her in eye-catching compositions. Using an array of nude photographs and a personal, chatty style, Brown explains how she selects and directs her models, emphasizing that while physical imperfections can be disguised (she'll tell you how) nothing hides a lack of personality --and that makes for a dead photo.
